Al Hinkle Jr. Heads For Spring Training

By EDIE VAN TIL

When the sound of "Play Ball" rings forth all over these United States, Alpine will be represented by one of its own. Al Hinkle Jr. of Tavern Rd. is beginning his third season with the Los Angeles Angels farm club. Al is well known to baseball fans in Alpine, having played with the junior league here, the Pony League in El Cajon and at both El Cajon High School and El Capitan, where he was a member of the varsity squads.

Al leaves for Brawley Sunday where the farm clubs will begin their workouts. The Quad Cities Club (Davenport and Bettendorf, Iowa and Moline and East Moline, Illinois) is where Al ended his last season where he came on strong after injuries had plagued him in mid-July. This excellent club drew 107,000 fans last year, the highest in the minor leagues.

The San Jose Bees, where Al spent part of last year until his injury, is the next step up the ladder for young Angel ball players, followed by El Paso and Seattle.

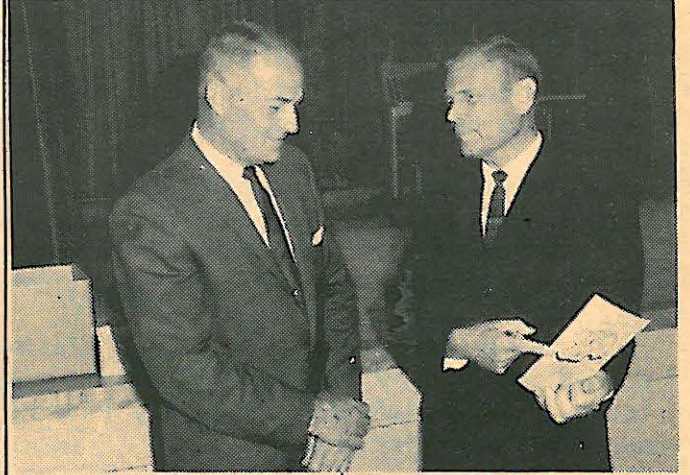

For young Al, this is a critical year. Just turned 21 and eager to become a major leaguer, Al will be watched closely as will all the young players on the farm clubs. He is listed as a first-baseman-outfielder. Standing 5' 10", weighing about 170 and throwing and hitting left handed, Al feels that his best chance may be in the outfield, but he prefers playing first base.

In choosing this position, Al follows in his father's footsteps. Al Senior played first base for Grossmont High and for Cal Poly in San Luis Obispo. The whole family, including sister Carin, is baseball-minded, often taking trips during the summer months to watch young Hinkle play.

A second-semester sophomore, Al attends San Diego State College and is a major in psychology

(Cont. on Pg. 2)

Al Hinkle Jr. shown in uniform, will try his luck this year with the Los Angeles Angels, beginning on Sunday.

FRED RUSHING, CHAIRMAN FOR THE HIGHWAY MEETING, DISCUSSES FREEWAY MAP WITH JACOB DEKEMA, DISTRICT ENGINEER FOR CALIFORNIA STATE HIGHWAY DEPARTMENT. A LARGE CROWD ATTENDED THE MEETING WHICH EXPLAINED PROPOSED ROUTES. THREE ASSISTANTS ACCOMPANIED DEKEMA. SEE PAGE EIGHT FOR MAP. (Echo-Sun Photo)

Local Women Participate

A sewing contest fashion show drew a large crowd at the Olivewood Women's Club in National City, yesterday.

Attending from Alpine were the following:

Goldie Vancil, president of the local club; Mmes. Harry Colby, Orville Lusk, Al Adams and H. W. Johnson.

For the contest, Mrs. Johnson entered one of her creations and modeled it also. This represented the Alpine club, and all clubs participated.

SEASON TO OPEN

The San Diego Padres, defending Pacific Coast League champions, open the PCL season April 17 against Salt Lake City at Westgate Park.

Manager Eddie Leishman reports that season tickets are still being sold at the Westgate Park box office during weekdays.

Rodeo Dates Are Given

EL CAJON—"Rodeo Week" sponsored by the El Cajon Junior Chamber of Commerce has been announced and will include the following events: Saturday, March 20, Square Dance in downtown El Cajon. Monday, March 22, Indian Dances, Main Street.

Tuesday, March 23, Dress Western Contest.

Wednesday, March 24, Frontier Display—Downtown El Cajon, 4 p. m. to 5 p. m.

Thursday, March 25, Rodeo Clown Downtown.

Friday, March 26, Rodeo Dance—Elks Club.

Saturday, March 27—Rodeo—Gillespie Stadium, 2 p. m.

A lot of fun and excitement is in store for the City of El Cajon and surrounding communities.

Everyone is urged to set aside these dates and come to El Cajon for this exciting week of events.

Business Remains Unchanged

Southern California business remained unchanged from the previous month, Ross Mallette, manager of Security First National Bank's Alpine branch has reported.

Compared to year-ago levels, the economy gained only a percentage point, he said. Attributing to the modest advance were sharp declines over the past year in construction activity and real estate sales.

The economy of the 14 Southern counties, as measured by Security Bank's business index, registered a preliminary figure of 142.4 for

January and February, Mallette stated. In December, the figure was 140.7.

Bank clearings led the components of the February index by recording a moderate gain over the previous month. Department store sales were relatively unchanged after the adjustment for seasonal influences, but real estate transfers and construction activity remained in a downward trend the report from Security Bank's Research Department noted.

Employment in Southern California metropolitan areas continues to rise at a rate above the national average. In January, the latest month for which figures are available, civilian job holders numbered 125,000 more than in the same month a year earlier. The gain, amounted to 3.2 per cent, substantially exceeds the nation-wide increase of 2.6 per cent.

Unemployment in the Southland's metropolitan areas continues to rise at a rate above the national average 5.7 per cent of the total labor force in January on a seasonally adjusted basis, compared with a national average of 4.8 per cent, Mallette concluded.

Talent Show To Featured At Woman's Club

The next regular meeting of the Alpine Woman's Club will be held in the clubhouse on Tuesday, March 23rd, beginning at 12 noon with a pot-luck luncheon. There will be a \$1. donation for the lunch.

The program for the day

will be a Home Talent Show. The club members will be modeling clothes that they have made themselves. Mrs. Harold Johnson will be modeling her own outfit which she modeled in the Southern District Contest. Mrs. H. A. Colby will be commentator.

After the fashion show there will be a short business meeting conducted by club President, Mrs. C. P. Vancil for the purpose of electing a nominating committee to select a slate of officers for the ensuing year.

Mrs. T. W. Keller will be hostess for the day.

Trend Is Down

According to James C. Downs, editor, San Diego County Real Estate Trends, monthly publication of Title Insurance and Trust Company "Were it not for war clouds over Viet Nam, the situation in the United States would indeed be near perfect—at least from a business point of view. For thus far in 1965 virtually every economic indicator has pointed in the direction of record prosperity.

Real estate sales for the county, South Central, which includes Jamul, Dehesa, Alpine, and Cuyamaca for the month of February, fell with 49 sales as compared to 55 recorded the previous month and 57 recorded in February a year ago.

"DOLL HOUSE" COMES TO ALPINE

Sales Announced

Mrs. Charlene V. Brown of Pierce Realty, Alpine, announces the recent sale of three fine Alpine properties.

Mr. and Mrs. James A. Bird of Pine Valley purchased the commercial building on the 50'x100' lot formerly used as the Alpine Realty at 1911 Highway 80. Mr. and Mrs. Bird have a collection of nearly 2,000 dolls which they plan to display here. They also have plans to build a home adjoining the "Doll House." The sellers are Mr. and Mrs. Robert W. Beaubelle long time residents of Alpine. Samuel Tribit of Imperial

has purchased the acre plus 2-bedroom home on the corner of Arnold Way and Tavern Road formerly owned by Mrs. Anna Hamilton of San Diego. Mr. Tribit plans many alterations and improvements to the property.

Mr. and Mrs. Richard Vernier of San Diego recently purchased one-half acre on South Grade Road from Mr. and Mrs. Louis Sedita of San Diego. The Verniers plan to build a new home in the near future. Mr. Vernier is a professor at San Diego State College.

Editorial

NATIONAL POISON PREVENTION WEEK DECLARED

This is "National Poison Prevention Week" and many organizations join together in urging everyone to take heed of the many ways that can be used to prevent accidents.

The following steps can be taken to lessen the danger of accidental poisoning at home.

1. Keep household products and medicines out of sight and out of reach of children, preferably in a locked cabinet or closet. Even if you must leave the room for only an instant, remove the container to a safe spot.
 2. Store medicines separately from other household products and keep these items in their original containers.
 3. Never store potential poisons with foodstuffs.
 4. Be sure that all products are properly labeled. Read labels before using and follow the directions carefully.
 5. Never store potential poisons in pop bottles, milk bottles, drinking cups or any other food container.
 6. Always turn on the light when giving or taking medicine. Never give medicine from an unlabeled bottle.
 7. Never call medicine "candy." Children should not be deceived by having flavored medicines called "candy." When left alone, they may locate the bottle and eat or drink its contents.
 8. Clean out your medicine cabinet periodically. Never save prescriptions or other special medications after patient has recovered. Destroy them promptly and safely by flushing down the drain or toilet, rinse the container in water and then discard it.
 9. Warn small children not to eat or drink drugs, chemicals, plants or berries without your permission.
 10. Use insect sprays, garden chemicals and cleaning fluids with extreme care and avoid breathing dust or vapor.
- If, in spite of all precautions, there is a poisoning accident, call a doctor at once. If you cannot reach him, call a hospital or call the police. Be sure to take the container and sample of the product with you to where ever treatment will be administered.

(From Pg. 1)

and a minor in business. He hopes to go into counseling after his baseball years are over and plans to take graduate work at the University of California at Berkeley. He has maintained a 3.6 grade average.

A member of the Sigma Chi Fraternity, Al is proud to have as his "big brother" Andy Brown, Tennessee Williams' personal biographer. He numbers other famous men among his fraternity brothers, among them Barry Goldwater, Judge Richard Ault and movie actor John Wayne.

Harry Elliott, Al's high school coach in El Cajon, had a great deal of influence on young Hinkle. Elliott played in the majors with St. Louis and was forced to retire from active ball because of a broken leg. Al gives him credit for being an outstanding batting coach and for giving him excellent training in his formative years.

Al has been working out for the last four weeks with pro ball players Danny Kern and Gary Maloy at a local recreation field, and feels he is in good condition for the start of the season. His best batting average came when he was with San Jose when he batted .292. He has an accurate arm and good speed. He hits a fast ball best and has long admired Tom Tresch of the New York Yankees. However Tresch must take a back seat to the great Ted Wil-

liams, in Al Hinkle's book!

The minor leagues are great training for young players but pose many problems. A typical day has the young players having their breakfast some time after noon, reporting to the ball field at about 5:00, starting the game about 7:30 or 8:00, leaving the ball park often after 11:00, eating supper and getting to bed somewhere near 3:00 a.m. Then they sleep until noon and start the same routine over again. When Al was with the San Jose Bees, he remembers some long trips between Reno and Bakersfield when sleeping hours were few and far between.

Al Hinkle Jr. enjoys the kind of sports that most men enjoy — hunting and fishing, and he is also fond of good music. His social life, at the moment, is mostly concerned with Sigma Chi Fraternity, and when he is on the road with the ball club, there is little time for social life.

If Al Hinkle Jr. has a good year in 1965, he just might make the majors. The competition is keen and the Angel farm club has many good young ball players. But we're all keeping our fingers crossed and hoping that Al "makes good." We know that we speak for all of Al's friends in the entire area when we say "good luck"!

We hope that this time next year, we will be giving him a proper sendoff to the big club itself, the Los Angeles Angels!

The fellow who lives it up has much to live down.

A lie may cover up for the present, but it has no future.

It takes sudden poverty or riches to reveal true character.

WATCH FOR THE BIG NEW CHANGE APRIL FIRST

FACILITIES SET

WASHINGTON — "Optimum speed" in building a Veterans Hospital in San Diego has been pledged by the Administrator of Veterans Affairs in response to an inquiry by Rep. Lionel Van Deerlin (D-San Diego.)

Van Deerlin today made public the answer of W.J. Driver to his question as to "whether or not closings of existing VA hospitals will have any effect on scheduled construction of hospitals such as the one authorized in San Diego."

The San Diego congressman was referring to the scheduled shutdown of 11 veterans hospitals and the resulting hubbub.

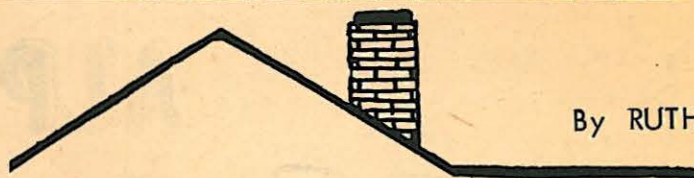

Driver replied that "the decision to close hospitals in other parts of the country will have absolutely no adverse effect on the new hospitals planned for California and this most definitely includes

construction at the San Diego hospital.

In his letter, Driver also described what he called the "essence" of the VA philosophy on hospital construction:

"Just as a recent decision of the United States Supreme Court indicated that representation in state legislatures should be based not on trees or acres, but on people, the deployment of the medical resources of the Veterans Administration should be based on its ability to aid the maximum number of sick and disabled veterans with the maximum effectiveness and not on any extraneous considerations."

Commenting on Driver's letter, Van Deerlin noted that in a recent discussion with President Johnson, the President told him in "strong terms" that the "political hospitals," as the President terms them, would have to give way if there are to be more VA hospitals of the type approved for San Diego.

By RUTH FULLER

OPEN HOUSE

I am in trouble with the United States Post Office, and it is not my fault. I am not the one in our family who keeps changing the position of our mailbox for artistic reasons.

Robert cannot make up his mind where it would look best and when I come home after dark I manage to park my car accidentally, of course, in such a fashion that quite often both our cars are strategically lined up so that the mailman must descend from his car in order to deliver our mail. This is what is causing all the difficulty. If we could clean out the garage where the cars properly belong we would be much better off, but the garage is full of building materials and where would we put all that lumber, brick and glass?

I do try to get up early enough to move my car, but sometimes the mail arrives before I get around to it and harsh words ensue. Harsh on the mailman's part, of course — I am guilty and I know it so I do not venture to answer back.

I am not at all sure what the penalty is for obstructing the course of the United States mails between truck and mailbox — or for making a postman walk but I imagine it is pretty harsh. It is fortunate there are not many people like me. I do wish, however, that the government, in the person of my mailman, would understand my position and be a little lenient.

Someday Robert will find the proper place for the box and all our troubles will be over. I hope I don't wind up in jail first.

I do try. The other morning I dashed out of the house to change the position of my car and something happened to the latch on the front door — and there I stood, shivering in the cold, while car after car passed down our usually quiet street. I pounded and pounded till Robert finally woke up and let me in. Not only did I suffer embarrassment but I caught a cold. And then there wasn't any mail.

And another thing: The quality of our mail could be improved. All we get is bills, overdue reminders from department stores, discouraging bank statements. . . . This morning over a second cup of coffee I was brooding about the situation when there was a knock at the door and there stood my friendly mailman breathing heavily, whether from wrath or exercise I couldn't tell, and as he handed me a fist full of bills he said: "Your car is parked in front of the mailbox again, Mrs. Fuller, and I really feel I must ask the inspector to come out. . . ."

Threats like this always terrify me, and so I promised tearfully to do better. Of course we are definitely in the wrong, and Robert has promised to find a permanent resting place for our mailbox. We think maybe at the corner of our property where nobody ever parks a car. It is a long, long way from the front door but we do want peace at almost any price.

I was just thinking — there is a motto I saw once somewhere which reads, I think — "Neither snow nor rain nor heat nor gloom of night stays these couriers from the swift completion of their appointed rounds." Isn't it amazing what a couple of parked cars can do!

SHOPPING NEWS

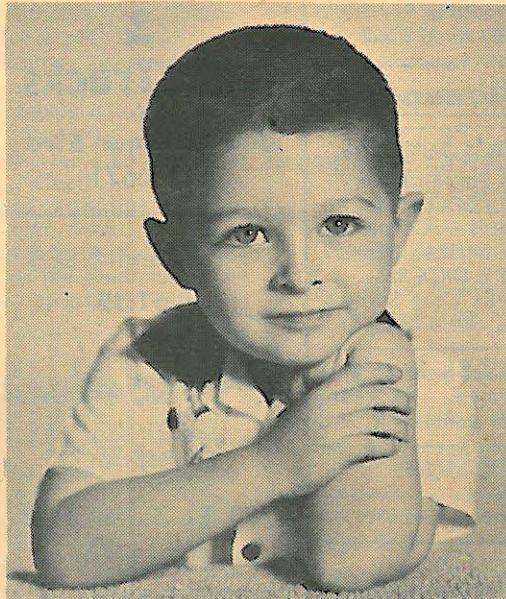

HERE and THERE

GOOD NEWS ABOUT Peggy Strickland. Although she still is suffering from some loss of memory and not completely well, Peggy is here in Alpine with her mother, Mrs. Holmes. Doctors felt that she could benefit by being with her family and she will be going to the clinic weekly. They still feel that she had some brain injury which caused the intense pain and memory loss. But they are hopeful for a complete recovery, and we all join with them in the hope that Peggy will soon be feeling just wonderful!

THE SOUTHERN BAPTIST church in Alpine, held a pot-luck supper last night at the church. The St. Patrick's Day theme was used and it was a very entertaining evening for all who attended. . . . These fine people invite all who do not have a church home to come and visit them in one of their services some time soon.

FROM THE DESK OF

Dr. Bill

Heart attacks can, and do show in many ways; some even without pain. They can produce nausea, vomiting, shortness of breath, weakness, faintness and even loss of consciousness — so called "black out."
 Many times chest pain is strictly muscle spasm and not of the heart at all. Or it may be neuritis due to pressure of nerves in the middle upper spine. Stretching of the back in the above circumstance, can relieve the pain almost instantly.

Sincerely,
 YOUR DOCTOR BILL

It's In The Library

By ELIZABETH WEST

Many people may not realize that a library houses magazines as well as books. Although there is not much space for magazines in the Alpine Branch we have a small case of seven shelves holding 25 different magazines. These range from news magazines (Life, Newsweek, Time, U. S. News and World Report); women's magazines (Better Homes and Gardens, Ladies Home Journal, McCalls, Sunset); literary magazines (Atlantic, Harpers, Holiday, Readers Digest, San Diego Magazine, Saturday Review); nature magazines (Arizona Highways, Audubon, Natural History, Zoonooz) besides Mechanix Illustrated, National Geographic and its School Bulletin edition, Western Magazine and Westways.

The San Diego County Library budget allows us to purchase only six subscriptions. All the rest are gifts from kind residents who thoughtfully bring their copies to the library soon after receiving

them in their homes. Thus, the news magazines are quite up to date. The whole community benefits from these generous donors.

All magazines can be borrowed like books. Naturally the most recent ones are checked out for only one week instead of the usual two weeks.

If You Live Here ...

The 1965 All America winning flowers and vegetables ... are available at your nursery now, so plant these prizewinners in your garden. There are eight of them as follows: Flowers: zinnia "Yellow Zenith," petunia, "Appleblossom"; snapdragon, "Floral Carpet Rose," and delphinium, "Connecticut Yankee." Vegetables: cabbage, "Savoy King, cantaloupe, "Samson," cucumber, "Triumph," and summer squash, "Chefini."

Feeding camellias is ... a post-bloom item. Liquid fish, an acid type fertilizer, or one of the balanced commercial fertilizers and iron

chelates are all used with success.

Why not try ... gardenias in a warm, protected spot? The big kind whose blooms florists sell is Gardenia jasminoides and is fairly hardy. However, its smaller cousin, Gardenia jasminoides var. radicans, with smaller but equally fragrant flowers, will take more adversity and, come up laughing.

By the end of the week you should ... cut back your geraniums, pelargoniums and fuchsias. Loosen the soil around them and when you see signs of new growth, start feeding.

IMPORT-EXPORT COMPANY FORMED

A new service is offered to the community through the B. V. Huser Co. This new company is to be operated by Mrs. B. V. Huser who lives on Lilac Lane in Alpine.

Mrs. Huser will be offering imports from all over the world. The goods will be shipped to purchasers directly from the country of origin thus enabling stamp collectors to receive an additional bonus of foreign stamps. Imported will be, among many other things: Electric razors from Switzerland, Delft ware ash trays from Holland, hand carved wooden letter openers from Kenya, Africa and jewelry from West Germany.

Mrs. Huser will work directly from her home which is addressed at Box 348B, Alpine. And pictured below in this paper, you will find a splendid gift item that she is offering this week.

Church News

The First Baptist Church of the Willows have planned a special program for their church night dinner tomorrow evening at 6:30.

"The Church Looks at the Community" is the theme for the evening and guests will be there to enter into the discussion.

The usual fine pot-luck dinner is planned and all are invited to attend.

The church also plans a bake sale for Saturday, March 27th and it will be held in front of the bank and post office.

Dr. Roger Larson announces the Community Church family night dinner at which he will show his slides of Italy. The meat dish will be provided by the Guild and those attending are asked to bring a vegetable, salad or dessert. Please also bring table service.

MOUNTAIN EMPIRE

By ANN FULLERTON and LYNN McMANUS

The Mountain Empire High School track team traveled to Calipatria High School for their first track meet Saturday, March 13.

Although the temperatures were quite a change for our boys they reportedly did pretty good. The "B" team placed second in all-around competition. In the hundred-yard dash "Mousie" Prince placed first and Bob "Spook" Shearer placed second. Good work boys, and good luck in your next meet.

If you're looking for a very enjoyable time, be sure you don't miss the "Shindig" Friday, March 19 at 7:30 in the M.E. H.S. auditorium.

The Junior class is sponsoring this event and it will probably be the highlight of the year.

Another event we don't want to miss is the "Second annual Fiesta and Gymkhana" to be held May 15 at the Mt. Empire. The Parents and Boosters are working very hard to make this event even more successful than last year's.

Attention Junior parents and interested Boosters! The Junior class is sponsoring a "Pancake Breakfast" to be held on the morning of the Gymkhana.

This project is being put on to raise funds for the Junior and Senior prom.

If you would like to contribute anything or if your son or daughter comes home and asks for a contribution, PLEASE cooperate. These projects are being held so that the Juniors might put on a bigger and better prom. We want our prom to be one of the most memorable ever. Thank you.

FACULTY SERIES PRESENTS ARTISTS

SAN DIEGO — Piano duets rarely performed, will be presented Friday, March 26 by two of San Diego State's music professors, Drs. Arthur Lambert and David Ward-Steinman. The recital, fourth in a faculty series sponsored by the music department of San Diego State, will be given at 8:15 p. m. in the music auditorium. It will be open to the public without charge.

The two concert pianists will present the following program:

"Sonata in E Major" by J. S. Bach, "Variations on an Original Theme, Op. 35" by Schubert, "Sonata" by Hindemith, "Six epigraphs antiques" by Debussy, "Sonata" by Poulenc and "Ma mere mere l'Oye" by Ravel.

LANDSCAPING TO COMMENCE

GROSSMONT COLLEGE — Planting of trees on the Grossmont College campus may start within a year or less, according to District Superintendent Harold G. Hughes.

A stand of 1,400 trees was recently ordered from the California Division of Forestry. The order calls for six types of trees, two kinds of pines — Monterey and Arizona cypress — sweet gums and two types of eucalyptus.

Two problems have to date prevented the planting of trees on campus.

No place was available where watering and constant care could be given until the planting stock was in condition to use. Mike Fletcher, on behalf of the Ed Fletcher Company of El Cajon, has offered space and care at Oakridge Park, near Suncrest.

There still remains the problem of funds for irrigation on the campus, an expensive item. As soon as the funds are available, Hughes said, the trees will be planted.

FUND RAISING PARTY HELD

In spite of the rain the Alpine Lively Oaks held a successful card party on March 15th, specially planned to raise funds for its building fund. Thirty players enjoyed bridge, canasta, dominoes, cribbage and 500.

Cake, ice cream and coffee were served by the hostess in charge, Mrs. Edna Barber, assisted by Miss Marjorie Breeden, Mrs. Erna Earl and Mrs. Lillian Lore.

Mr. and Mrs. Claude Clerk provided the floral decorations, beautiful vari-colored camellias, which were later sold to swell the fund.

DEERHORN ROAD CONTROVERSY COMES TO END

After almost two years of controversy, the road-naming issue was resolved at the public hearing by the Board of Supervisors a week ago Tuesday. Approximately twenty people, from all sections of the community, were present at the hearing.

Mr. Yakel, of the County Building Inspection Dept. in charge of road naming and street numbering, recommended to the Board of Supervisors that Roads F20B and F21 be named "Honey Springs Road" and Road F20A be named "East Honey Springs Road."

The main point of issue was the naming of Road F20A — whether it should be named "East Honey Springs Road" or "Deerhorn Valley Road."

Charles Bratton, the community's oldest timer, whose father, John Bratton, named the community or area, gave a brief historical background on the roads in the area, their

MRS. GOSSELIN SUCCUMBS

CREST — This area was saddened by the death of Armoza Gosselin. Mrs. Gosselin was a long time resident of the community, and was one of the first founders of the Catholic Church, here. She lived next door to the fire house and for many years, answered fire calls in her home and took care of the siren for the fire department.

Mrs. Gosselin leaves two sisters, Mrs. R. Eckert and Miss Dora La France, and a brother, Ernie La France, all of the Crest, besides two other brothers who reside in the east.

CHILD VICTIM OF CANCER

CREST — Little five-year-old Debbie Mora whose daddy is the barber in the Crest, is confined at the present time to El Cajon Valley Hospital with the dread disease, cancer. She is undergoing the very expensive cobalt treatments.

Some of the residents of the community heard of Debbie's plight and decided to help her and her family. Donation containers have been placed in all the business houses with the hope that everyone will help.

A little girl loves to receive mail and particularly if it is a pretty card. You may address these to the El Cajon Valley Hospital.

For further information you may call the George Behrens residence, 444-4294, or the Roger Dutton residence, 442-4906.

It is hoped that everyone this reaches will find it in their heart to give with all their heart, to help Debbie.

names, and the origin of the names as well as his choice for the naming of the present road.

Others addressing the Board on this issue included Frank Gute, Paul Haughey Jr., Delta Hewitt, John Amundson, James P. Witherow and Roy Wallin.

Points considered and brought to light during the hearing were the possibility of confusion to visitors or emergency service agency vehicles in having two roads in the same area so similarly named; the history and local names in use; the designation of the area by federal, state, and county agencies; and the desires of those property owners adjoining the un-named road as well as those served by the road.

Delta Hewitt aptly stated that there was a Lyons Valley Road and a Lawson Valley Road so why not a Deerhorn Valley Road?

After due consideration, the Board of Supervisors unanimously resolved that the Roads F20B and F21 be named "Honey Springs Road"; and further resolved, with Henry Boney (Supervisor for this area) abstaining from voting, that the Road F20A be named "Deerhorn Valley Road."

Trailer Living

By LILLY LEINHAUPEL

Residents of Alpine Oaks Mobile Estates enjoyed a dinner planned by chairman, Mrs. Mabel Thompson on March 13th. The committee for the dinner was Hanny Waibel, Jessie Simmons, Nettie Howe, Mary Gray, Eva Mumford and Lil Leinhaupel. Bill Thompson and Dr. Wallis Wait did a good job on the grill.

A big thank you from all the residents of the park to Alex and Metta Clitsome, for their generous monetary donation to our entertainment fund.

Mrs. John Jones furnished the pretty camellias that were used for corsages for the ladies.

Mr. and Mrs. C. Clarke and Mr. and Mrs. R. Howe spent a few days visiting relatives in Taft, Sacramento and Bridgeport, Calif. They encountered much snow and were happy to get back to Alpine.

Col. and Mrs. R. Christian are on a short visit to Phoenix, Arizona.

Harry and Mary Hodskins entertained Mr. and Mrs. Jack Lively for dinner and cards recently.

Mabel and Bill Thompson had as houseguests, Bill's sisters, Beatrice and Kathryn Thompson of San Gabriel.

Mr. and Mrs. Frank Crowley of Walnut Creek, Calif. were guests of Mr. and Mrs. E. Bower for several days.

Mr. and Mrs. Foster Carter enjoyed a visit from Mr. and Mrs. Lee Smith of Fort Morgan, Colorado, and Mr. and Mrs. John Sweeny of Omaha, Nebraska.

TOT SWALLOWS PAINT THINNER

HARBISON CANYON—Billy Steers, son of Mr. and Mrs. Verle Steers had to be rushed to El Cajon Valley Hospital one day last week after having consumed paint thinner. He suffered mouth, throat, and stomach burns, but after a few days of not wanting to eat, Billy is his usual curious self.

BENEFIT CONCERT SLATED SATURDAY

Saturday night there will be a benefit for the P. A. L. S. Scholarship Fund at the Grossmont High School Auditorium at 8:15 p. m.

This organization has been formed to aid academically limited students and establishes scholarships for deserving high school graduates who have indicated a desire to make teaching their life's career, in the area of special education.

There will be two and one-half hours of fun-packed entertainment at the benefit concert Saturday night featuring four great quartets, several special groups and Bob Mills of Channel 8 Sun-Up fame as master of ceremonies.

HERE and THERE

WEEKEND GUESTS OF the Frank Scully family on Tavern Road were Mr. and Mrs. "Red" Thompson from San Diego. The Thompsons have a splendid family consisting of five girls and one boy. They find Alpine a most pleasant place and are looking for a spot to live here. They brought with them several other friends. . . . Have you noticed that Agnes McGuffie now has blue chip stamps and also sells American Express Money Orders for your convenience. We understand that Agnes serves a lovely lunch at her place of business at the east end of town and especially fine are her homemade pies!

THE GAMMA GAMMAS had a successful garage sale on Saturday the 13th. . . . Mr. and Mrs. John Peters were hosts for a benefit bridge party on Thursday, March 11th. Chicago bridge was played by six tables. Those fortunate enough to win prizes were Nettie Mack, Lillian Lore and Nora Carpenter. . . . Mrs. George Lutz has had the pleasure of the company of her mother, Mrs. Olive Howland from Henriette, New York, for the past few weeks. She had quite a trip out from her home on the train and in fact there was one part of the journey where the passengers were without heat. So the Lutz family has decided to see that she goes home by jet. It's a little more comfortable this time of year. There has been a lot of sightseeing for Mrs. Howland's enjoyment at such places as Disneyland, Sea World, etc. We know the Lutz's hate to see their mother go and we hope she will be back for another visit very soon. . . . Have you met Big Daddy and Angel Fink of Alpine? They've very big people in town, we understand.

A COMMUNITY MEETING has been called for the evening of Thursday, March 25th, at 8 p. m. at the La Cresta clubhouse. Henry Boney, supervisor, will represent the County Road Department and there will be a representative from the Sheriff's Department to discuss law enforcement. The public is urged to attend. . . . Little Danny Dutton, 3, is confined to El Cajon Valley Hospital with a case of pneumonia. We certainly hope that you are up and about soon, Danny. . . . Dana Floto, 12, is confined to El Cajon Valley Hospital, after having undergone major surgery on March 2nd. At this writing Dana should be coming home real soon and we do hope that this is so.

WE WOULD LIKE to wish Ricky Thurman a "Happy Birthday." He celebrated his 19th birthday last Monday, March 15th. . . . St. Louise de Marillac Catholic Church welcomed a new priest to their parish on Friday, March 12. Father Dollon was welcomed, after mass, on Sunday morning at a reception held in the basement recreation room of the church. Refreshments were served by the ladies. The parish wishes Father Dollon to know how happy and honored they are to have him with them.

WE'RE SORRY TO HEAR that Goldy Gute isn't feeling up to snuff, and hasn't been for over a month. Goldy's been suffering from a severe infection and is presently down at Sharp's Memorial Hospital for probably another month, so if you're down thataway, I'm sure Goldy would enjoy your dropping in to say "Howdy." Let's all hope Goldy's well enough so she and Frank can make their annual trip to their summer place up north this year. . . . Looking refreshed and relaxed after an extended four-month stay in Freiburg, Germany, Marta Krause, of Deerhorn Valley Ranch and Spring Valley, arrived at Lindberg Field last Monday evening. Following her arrival, a small homecoming party was held in her honor at her home on Barbic Lane, with Marila and Otto Becker, Elly Freeman, and Rory and Roy Wallin attending. . . . Let's hope that all personal differences that have arisen over the naming of the roads in this area will be forgotten now that it has been decided, and remember that UNITY is part of the word, COMMUNITY.

VICTORIA DRIVE NOW has that famous white line all the way, according to reports. The citizens on that lovely hill have long wanted to finish this safety feature and they tell us that much credit is due our new supervisor, Henry Boney, for the completion of this job. We're sure that the added white line will be helpful on dark nights and we express the thanks of all who use this roadway. . . . On the sick list is Esther Francisco whom many know as the president of the Auxiliary of the 2716 Veterans of World War I. She entered Mercy Hospital Sunday and had major surgery on Monday. We know she is doing as well as anyone can after this kind of operation and all her friends will want to drop her a card to let her know we are all thinking of her. Also on the sick list is the Chaplain of the Mountain Barracks, Veterans of World War I, Albert Niethemer. We wish him a speedy recovery also.

LORNA FERGUSON REPORTS that Mickey Wise has been confined at home with a severe ear infection. Hope you are up and at 'em, and back in school by now, Mickey. . . . The Hugh McGuffees were elated over and really enjoyed a visit from daughter, son-in-law and grandchildren, Mr. and Mrs. Don Simpson, Donne and Donya of Oklahoma City.

WELCOME TO THE Canyon, Mr. and Mrs. George Freeman (Kathy Falkenburg), and also to Mr. and Mrs. Bob Waites. Kathy and George moved from Indio and Mr. and Mrs. Waites occupy the Ogren home at Frances Drive and Harbison Canyon Road. . . . Two homes have been broken into recently and in one of them personal possessions were ransacked, torn and broken. Both homes were vacant of residents at the time. The Sheriff's Department was alerted along with many of the community residents. We are hoping there will be an early apprehension and punishment so we do not have a reoccurrence.

(Cont. on Pg. 8)

Re Annexation to the) LEGALS
 ALPINE)
 Sanitation District. . .)

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE ALPINE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Dent, seconded by Supervisor Cozens, the following resolution is adopted:

WHEREAS, Mark P. Deyling requested this Board (Document No. 356668) to annex the hereinafter described property in the unincorporated territory of the County of San Diego to the sanitation district under the provisions of the County Sanitation District Act; and

WHEREAS, the boundaries of the proposed annexation were submitted to the County Boundary Commission and this Board has considered the report of said Commission (Document No. 354210); and

WHEREAS, the Local Agency Formation Commission has approved the annexation of the hereinafter described territory to the district (Document No. 355219); and

WHEREAS, investigation of the proposed annexation by the Department of Special District Services discloses that said property is within the same watershed assaid sanitation district and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 356669); NOW THEREFORE,

BE IT RESOLVED AND ORDERED:

1. That it is the intention of the Board of Supervisors of the County of San Diego to annex to the ALPINE Sanitation District under the provisions of the County Sanitation District Act all of that territory in the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that unincorporated territory in the County of San Diego, State of California, being a portion of the Southeast Quarter of the Southwest Quarter of Section 27, Township 15 South, Range 2 East, S. B. M., according to U. S. Government Survey, approved September 11, 1879, lying within the following described boundary:

- Beginning at the Southeast corner of the Northeast Quarter of the Southwest Quarter of said Section 27;
- thence along the Southerly line of said Northeast Quarter of the Southwest Quarter, South 89°36'15" West, 706.17 feet to the true point of beginning;
- thence South 89°36'15" West 20.00 feet along said Southerly line;
- thence due South, 136.83 feet;
- thence due East, 20.00 feet;
- thence due South, 87.64 feet to an intersection with a line that is parallel with and 1124.50 feet Northerly of, measured at right angles from the South line of said Section 27, said line hereinafter referred to as line "A";
- thence due East 145.00 feet;
- thence due North to an intersection with the Southerly line of that area annexed to the Alpine Sanitation District by the San Diego County Board of Supervisors on February 26, 1963, Item No. 120;
- thence Westerly along said Southerly line to a line which bears due South from the True Point of Beginning;
- thence due North 80.00 feet to the True Point of Beginning.

2. That said sanitation district following said annexation shall continue to be known by that name;

3. That the Board of Supervisors hereby sets Tuesday, the 30th day of March, 1965, at the hour of 11:00 o'clock a.m., in the chamber of the Board of Supervisors, Room 310 San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said district, or to the extent thereof.

4. That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Alpine Echo and Sun, a newspaper of general circulation in the County of San Diego, in territory proposed to be annexed, and in said sanitation district.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 23rd day of February, 1965, by the following vote:

A YES: Supervisors Gibson, Boney, Dent, Austin, and Cozens

NOES: Supervisors None

ABSENT: Supervisors None

Horses! Horses!

By MARGARET LOWTHIAN

Several Alpine women are enjoying their membership in the new E. T. I. Corral recently organized in the Jamul area. Ruth McManus, Grace Mumma, Mildred Cunningham, Betty Kuphalt and Jan Morse attended the last meeting at which pictures taken in the Cuyamacas and Lagunas were shown.

 The two young Quarterhorse colts purchased late last year by Melva and Ron Riley — are now in training with Frank Evans down in El Cajon. They are a handsome pair of horses and will certainly be an asset to the Riley's Quarter horse breeding program.

 Lisa Pierce and her Quarterhorse, Mr. Rockham, are both coming along nicely with the training lessons they are getting from Frank Evans. Lisa's natural ability as a rider is quite evident in the rapid strides she is making towards becoming an accomplished equestrienne.

 Willow Glen Farm is taking on the appearance of a nursery. Last Sunday afternoon Pima Nawadaha foaled a beautifully blanketed colt, and early Tuesday morning, R. H. Blue Bonnett, also gave birth to a well-marked colt. Both babies are sired by Blue Admiral, and make three colored foals out of three sired by this young stallion.

 Work on the new rodeo grounds in Galloway Valley is progressing. It is due to be completed to the point of holding a rodeo there within the next few months. Eventually the facilities will include a complete rodeo arena with chutes, grandstands, etc., exercise rings, stabling for a considerable number of horses, training facilities, and a house for a trainer or caretaker. This facility in the Alpine area will be a big step forward in promoting horse activities.

(From Pg. 7)

JUST A REMINDER to you folks who are looking for an enjoyable evening. Don't forget the dinner dance sponsored by the firemen's auxiliary to be held at the Community Hall May 8th at 5:30 p.m. . . . Plans are being made by the folks at the Community Church for an Easter Breakfast and sunrise service Easter Sunday morning. There will be special songs and music by the youth group.

THE GLEN CARPENTERS had both daughters on hand for a visit over the weekend. Lynne Crissman and family drove down from Long Beach bringing Sheryl Gibson of San Luis Obispo. Sheryl and the granddaughters, Jan and Bev Crissman plan to spend a week. . . This is to remind all teens, that a teen group meets at the Community Church Tuesday evening from 7 until 9 p.m. Games and refreshments with a short devotional, are enjoyed. All teen agers are welcome.

MR. AND MRS. JERRY Harmer are taking a few days to relax down in the Valley. They've been very busy for the last little while in the revamping of the store and certainly deserve a little vacation. . . Mr. and Mrs. Auren Pierce are off to Sun Valley for a few more days of skiing, and by the way, that young son of theirs took first place in the recent track meet in the 660 meter race. Some athletes, these Pierces! . . . We are glad to hear that Julia Sachse is much better and we hope she remains that way.
