Vaquero's Breakfast ride, 8 a.m. Jr. and Sr. Pilgrim Fellowship, Fuller Hall, 6:30, Jrs.; 7:30, Srs.

Faculty To Play Varsity

A Faculty-Varsity basketball game will be held in the gymnasium of El Capitan High School next Friday night, March 4th, at 7:30 p.m. to raise money for the foreign exchange student project. The public is cordially invited and the price will be 50c for students, with or without A.S.B. cards and 75c for adults.

An after-game dance will be held in the gym. Admission is free to everyone who has bought a ticket to the game. Parents are invited to the dance as well as the game.

Alfred Hinkle Jr. is in charge of the Foreign Exchange Student program.

Search On For The Fairest Of The Fair

A county-wide search for the 1960 Fairest of the Fair to reign over the 21st annual Southern California Exposition and San Diego County Fair in Del Mar June 24 through July 4 and to serve as the county's official ambassador of goodwill is off to a flying start.

Rules of the contest are simple. Contestants must be between the ages of 16 and 26, unmarried and bonafide residents of at least a year of the community which they represent. They must be sponsored by a recognized civic organization like chambers of commerce, luncheon clubs and various women's organizations.

Prizes will include an all-expense trip probably to Mexico City via Western Air Lines, cash, an opportunity to enter the famous Maid of California contest at the California State Fair in Sacramento, a fashionable wardrobe.

The winner of the coveted title "Fairest of the Fair" will become an integral part of the general publicity campaign of the exposition and will make numerous appearances on television and radio. She must be available at all times for publicity purposes and public appearances to promote the interests of San Diego County's recreation opportunities.

4-H ALL STARS

George and Louis Landt Jr. have received the honor of being chosen County All Stars, a 4-H award. Both of the boys, who are members of the Alpine Champions will go to the All Star Conference at Berkeley on April 10th through the 15th.

The 4-H Star award is based on the projects, citizenship, and leadership. All 4-H Gold Star award winners can compete for the All Star Award. Only two boys and two girls from the county are chosen.

George and Louis Landt have been in 4-H for nine years.

SHOP AT HOME

When you look at Thursday's daily papers you will see many market ads. Some of the prices will seem rather attractive, some are definite bargains and everyone likes a bargain.

While the merchants of Alpine will be sorry to lose any trade you might give them none of the merchants will really blame any one who picks up a bargain in San Diego or El Cajon if he happens to be going in anyway.

But, Alpine's local merchants do need your trade and you need our local merchants. If Alpine's merchants are to be ready to serve you when you need service they must have as much of your trade as it is possible for you to give them.

We of the Echo ask you to actually compare prices on an item for item basis. We have done so and we find that the prices of some of our local merchants are as good or better than the regular prices offered by the big chain stores. Even if you are going to San Diego we believe that you can save money by shopping in Alpine for everything except special bargains.

Don't assume that an El Cejon market has all bargains just because you see some good prices. If you do you will be cheating yourself.

If a special trip is necessary to purchase a bargain then ask yourself if you will really save when the cost of the trip is considered.

E. S. Welty

SUMMER SCHOOL DATES ARE SET

Schools in the Grossmont Union High School District are making plans for summer sessions to be held from June 20 to August 5 and from August 8 to August 30. The June 20 to August 5 session is scheduled from 8 a.m. to 2 p.m. at El Cajon Valley High, El Capitan, Helix, and Mt. Miguel and from 8 a.m. to 4 p.m. at Grossmont. There will also be a session from 7-9 p.m. from June 20 to August 5 on the Grossmont campus.

Classes are held Monday through Friday, and students may enroll for one year subject or two semester subjects and may earn one unit of credit at the rate of one-half credit for each two hours. A maximum of one unit for the seven-week session or one-half unit in the August session is allowed. No tuition is charged, no transportation provided. Pre-registration is extremely important and attendance must be regular.

Directors of the summer sessions are as follows: El Capitan, Robert Burnham; El Cajon Valley High, Fred Greta; Grossmont, John Burdick; Helix, Lewis Freed; and Mt. Miguel, Melvin Grant.

Vaqueros And Bar O To Ride

The Alpine Vaqueros and the Bar-O Riding Club of San Diego will have a joint breakfast ride Sunday, March 6th at Pine Valley. Everyone is invited. You may trailer your own horse. If you are not up to riding you may join them for breakfast. If you do not have your own horse they may be rented at the stables. For reservations call HI-5-3396.

4-H Members Offered Prize Money

As an incentive for the 4-H Club youths, the board of directors of the 22nd District Agricultural Association, sponsors of the San Diego County Fair, have established many thousands of dollars as cash premiums for winners in the various 4-H department exhibitors.

A trophy will be awarded to the champion showman, or the individual who is judged best able to show one animal from the five sections which are beef cattle, dairy cattle, swine, sheep and dairy goats. Premiums offered per section are first \$8, second \$7, third \$6, fourth \$5, fifth \$4, sixth \$3, seventh \$2, and eighth \$1. The score card for judging is based on the condition of animal's covering, cleanliness and the appearance of the exhibitor plus his ability to properly pose the animal.

Trophies and ribbons will be awarded 4-H Club and Future Farmers of America individuals and teams in the annual Junior Livestock Judging Contest.

Teams are composed of four members per club or FFT chapter. There are five classes of animals to be judged by each contestant and oral reasons for selecting the particular animal are given to the judges. Trophies will be awarded to the highest FFA and 4-H Club teams and ribbons will be given individuals.

Ribbons and cash premiums will also be awarded to county 4-H Club members for displays of home improvement furnishings. The Danish system of judging will be used. The entries will include any article designed to improve a home.

El Capitan H. S. Presents Foreign Exchange Program

By Dianne Behl, Commissioner of Publicity, El Capitan

The Sophomore class of El Capitan High School is establishing a Foreign Exchange Student program in which a student from one of forty different countries will attend El Capitan this coming fall. He or she will be able to speak English, passably well, if not fluently. This student is chosen abroad for personal qualities as well as academic achievements. The student's experience of the American way of life is not only limited to the host family and school, but also includes contact with other families in this vicinity and all aspects of the community—civic and cultural. While he or she learns first hand of the many different aspects of our life, customs, ideals, interests and problems, the student will also broaden our horizons by telling of his own country, daily life and home life.

If you should be interested in opening the doors of your home to this student during the school year, please contact Mr. Barrons at El Capitan High School for further information.

Chairman of this project is Al Hinkle, resident of Alpine, and Jamey Gabler. Why not help support this program by coming to the "Student vs. Faculty game," March 4th at 7:00 P. M. in the El Capitan Foster Gymnasium. Your co-operation will be greatly appreciated.

OUR GOAT

There is an old Indian saying that "the goat that belongs to the village is never fed." By this the old ones point out that responsibilities that belong to every one really belong to no one.

Now we who live in Alpine have many problems that are really the problems of our town. They are problems that have to do with policing, town promotion, zoning, planning, street and road maintenance, sewer, fire protection, schools and water.

To proceed with the solution of our problems we need first to accept them as our responsibilities. We cannot expect the County Board of Supervisors to ever give Alpine the same care and attention that we would personally give our own problems.

Second, the people of Alpine should provide some means of studying their problems. The community has been disgraced by many unnecessary quarrels because our citizens have often chosen sides before they have understood the problems and issues about which they have quarreled.

Third, each of us should discipline himself to keep a cool temper and an open mind until he has heard the other fellow's

point of view. Fourth, Alpine needs some kind of a permanent method of public discussion of local issues in order that the will of the people may be expressed and known.

And fifth, eventually Alpine must develop some kind of a formal organization that can be legally responsible for our community responsibilities.

As yet our problems receive little effective attention because they are not the specific responsibility of anyone. We call upon every citizen of Alpine to carry his share of the task.

Don't let our goat starve because you expected "George" to care for him.

Get Ready For The Fair; Closing Date For Entries Set

Closing dates for Future Farmers of America entries are: livestock, June 1; wool, June 1; agriculture, horticulture, floriculture, June 17; poultry, June 13; rabbits, June 20 and feature exhibit booths and agricultural mechanics booth June 1.

Closing dates for 4-H Club entries are: livestock, wool, home economics, feature exhibit booths, electrical and entomology, June 1; agriculture and horticulture, June 17; poultry, June 13 and rabbits, June 20.

Farm Families To Compete For Cash Awards

Farm families in San Diego county will be offered an opportunity to compete for cash awards ranging from \$75 to \$20 in the "One Family Farm" feature exhibits at the annual Southern California Exposition and San Diego County Fair in Del Mar, June 24 through July 4.

Entries in this popular county fair feature are confined to county farm families and all products displayed must have been produced in the county or district during the preceding year by the exhibitor or members of his family on land farmed by the exhibitor.

Premiums offered for the feature exhibit of not less than 100 square feet are first \$75; second \$60; third \$50; fourth \$40; and fifth \$20. Scoring for the "One Family Farm" feature exhibits is based on 45 percent for quality of products exhibited; 25 percent for variety and 20 and 10 percent of arrangements and effective use of space allocated.

BAKE SALE

The Officers Wives Club of Mt. Laguna Air Force Station will have a bake sale, which will be held Saturday morning, March 5, front of the Log Cabin Cafe in Alpine. They will begin at 9 a.m.

Committee members are Mmes. Al Fontes and Paul Valentine of Mt. Laguna and Mrs. John Chestnut of Alpine.

Box Social Tonight

Tonight is the night that the Japatal 4-H club is having their Box Social which will be held at the V.F.W. Hall in Alpine. Social will start at 6:30 and all boys and girls in Alpine are invited.

Grossmont District To Have New School

An office for El Granito High School opened this week in the Grossmont Union High School District Administration building as the principal, Phil Morell, took over his new duties. The new high school, to open in September, is under construction at Fourth and Madison Streets in El Cajon, and is the sixth one in the District. It is being constucted at a cost of approximately \$1,650,000.

Mr. Morrell, who has been with the District since 1949, has been Vice Principal at El Cajon High School since it began in 1955.

The new school will open with approximately 1000 students, most of whom come from El Cajon Valley High School. There will be approximately 40 teachers, many of them transferring from ECVHS, others new to the District or from other high schools in the district. The new school includes thirty-five general classrooms, two homemaking rooms, four shops, two music rooms, an administration building, a library, a gymnasium, a shower and locker facilities. It has 132,767 square feet and costs per square foot is \$10.00.

The Board approved planning of additions at El Capitan and Helix High Schools in order to relieve the pressures of mounting enrollments which have been indicated at these two schools. Ultimately the overcrowding at El Capitan will be relieved by Board approval given to planning for the construction of the district's eighth high school to be located on Mission Gorge Road and Cuyamaca in Santee. It is anticipated this school will be ready to open in September, 1962. All of the additiosn have been financed by bonds and state loan authorized in 1959.

Dogs Take Top Prize Tri-Hi-Y Thanks You

Miss Margaret C. Lowthian and E. L. Freeland, owners of the Willow Glen Farms (Lamarde Perro Kennel) on Alpine Heights Road, recently returned from New York where they showed their Rhodesian Ridgebacks at Madison Square Gardens. At the show dogs which they have bred, and now owned by other people, won the Best of Breed and Best of Opposite Sex. Approximately 1,700 dogs were shown at that time.

Mrs. Lowthian and Mr. Freeland have won many prizes with their dogs. If you will recall the second issue that the Echo printed, there was a story on the Willow Glen Farms and the prizes they had won with their dogs at the First Specialty Show of the Rhodesian Ridgebacks Club held in October of 1958. At that particular show the "Winner Dog" was won by Lamarde Perro Lipmopo, owned and bred by the Alpine Kennel. Champion Lamarde Perro Jara, also from the Willow Glen Farms, won "Best of Breed."

Willow Glen Farms is engaged in breeding for Rhodesian Ridgebacks of show quality. Their foundation of breeding stock, all of which have excellent pedigrees, was acquired from breeders of the highest reputation for the breeding of top quality Rhodesian Ridgebacks in Africa, Canada and the United States.

Last Sunday, the Willow Glen Farms attended the Silver Bay Kennel Club, in Balboa Park where one of their dogs took the honor of "Best of Breed."

The Alpine Tri-Hi-Y would like to thank the Gamma Gamma ladies and the mothers who have daughters in Tri-Hi-Y for donating pies, cakes, cookies, etc. to the bake sale.

Tri-Hi-Y would also like to thank the people in Alpine for buying their baked goods. It was a very successful project, and the girls raised \$21.85.

The Car Wash was another successful project. The girls worked very hard and raised \$12.25. It wouldn't have been done without the use of the Rorie's Gas Station, or naturally without the people who brought their cars in to be washed.

Thank you, Mr. and Mrs. Jim Rorie, and thank you people of Alpine who so generously helped out.

Sharon Chynoweth
Incoming President

Rummage Sale

The Lakeside Job's Daughter's Bethel are holding a Rummage Sale today and tomorrow. The sale will begin at 9:00 o'clock both mornings. The public is cordially invited. Girls who belong to the Bethel that live in Alpine are Carol Sue Wilcox, Judy Wilcox, Jeri Homsley and Phyllis Hickey. The sale will be held at the Kiwanis Hall in Lakeside.

Cubmaster Says 'Thanks'

Ken Jerney, Cubmaster of Pack 350, wishes to thank all the loyal workers and friends who helped to make this year's Blue and Gold dinner just a wonderful success. Thanks also are extended to Al Hinkle of Hinkle Lumber and Ranch Supplies for the generous loan of equipment for the evening. Guests included members of Boy Scout Troop 105, Ray Partridge, Scoutmaster; Lewis Maddox, Boy Scout executive for the Grossmont District; Clyde T. Gilley, Alpine School Superintendent, and Mrs. Gilley; Wallace N. Kent, Alpine Junior High principal; Donold Davey, Alpine Elementary School principal, and Mrs. Davey; John R. Reynolds, chairman of the Alpine School Board; and the Rev. James C. Arnold, pastor of the Baptist Church in Alpine.

Cubmaster Jerney especially wants to thank his den mothers and committee members for the unusual decorations using the blue and gold theme with yellow acacia blooms in blue water, blue trees with gold leaves (50 leaves to a tree representing the 50 years of Boy Scouting) and the 50th anniversary cake baked by June Dalton.

Mrs. Jerney has a collection of quite a few articles left at the dinner consisting of serving spoons, forks, a cake pan, bread basket, a plastic dinner plate and a regular dinner plate. All of those who left these articles may pick them up from her.

P.T.A. Hobby Show

Next Friday, March 4th, the P.T.A. will hold its Hobby and Fashion Show. Fashions will be modeled by two children from each classroom. The models were chosen on a name drawing basis. The clothes they will be modeling are from Guthrie's Children Shop.

Home made clothing and hobbies will also be on display. Anyone who is interested in either modeling their homemade fashions or exhibiting their hobbies is asked to call Mrs. Leona Wilcox, HI-5-2353.

The price for admission will be 50c for adults, kindergarten through 8th grade will be 25c and pre scholars free. Refreshments will be available and there will also be door prizes.

Mrs. Leah McCarty and Mrs. Francis Caldwell, who are in charge of the tickets, have passed tickets out to the young people in the Junior High School. The students will sell the tickets and the boy and girl who sells the most will each receive a special prize.

Gamma Gamma Sorority

By LA VERNE CROSBY

It's March of Dimes time again and when we think of this campaign we automatically associate it with the Gamma Gamma Sorority of Alpine. We make this connection because the Gamma Gamma's, since they were organized on July 10, 1952, have made this one of their biggest projects.

Each year, except for this one, they have put on the Sweetheart's Ball. This dance is put on to raise money for the March of Dimes. Contestants, who are teenagers, are chosen from different clubs to run for Prince and Princess. The couple who collects the most money for the March of Dimes are winners and reign over the ball for the evening. Jerry Lynn (Rorie) Hanenburg and Alvin Cox set the all-time record for the most money brought in when they collected over \$1,000 in the year of 1957. The last princess was Sharon Chynoweth.

This year the Gamma Gammass did something different. The 20th of February they held a benefit square dance and ballroom dance in the Alpine School Auditorium, instead of the Sweetheart's Ball. Reenie Adams, president, reported to me that "next year we will try to have the Sweetheart's Ball again."

Yes, March of Dimes is one of their biggest projects for this year they have been appointed in charge of the East County March of Dimes campaign. The Alpine PTA under the direction of Mrs. Moore also helped.

They do a great deal of good for our community also, aside from their work in the March of Dimes, for they have another big project, the Alpine Youth Center. They have had bake sales to enlarge the Youth Center's funds, and they have given them various amounts of money. Their goal now is to buy them a steam table for the kitchen, which everyone who serves dinners at the Youth Center will agree that it is a wonderful idea.

Gamma Gammass are mainly a Philanthropic, education and social organization. For their socials they have pledge parties, installations, fashion shows, benefit card parties and dinners. By being as they study different things in

educational sorority I mean that their group. This year they are studying different lands and it is very interesting.

The Gamma Gamma Sorority is affiliated with El Sudoeste Regional Council and Epsilon Sigma Alpha International Sorority. They have formed two sister sororities, The El Cajon Chapter and the new Point Loma Chapter. They plan to have a joint meeting with the new Point Loma Chapter this week in the home of Alice Boyd.

The officers for this year are: Reenie Adams, president; Patty Blankenship, vice president; Temo Brown, recording secretary; Joan Manuel, corresponding secretary; Dorothy Mosier, treasurer; committee chairmen are: Jackie Ballback, historian; Grace Buchmiller, philanthropic and parliamentarian; Verlie Boyd, educational director; Joan Manuel, contact; Betty Landholm, social; Dorothy Mosier and Norma Sullivan, ways and means; camera girl, Alice Boyd and co-sponsor Mary Doerr.

Patton State Hospital has received boxes from the Gamma Gammass containing tooth paste and other such personal items for their patients. The Gamma Gammass also subscribe to comic books which are distributed to children in hospitals.

The El Sudoeste Regional Council, of which the Gamma Gammass are members sponsors the Sunshine School, a school for retarded children, and the Gamma Gammass have done much work for them.

BASEBALL NEWS

The Alpine Junior Baseball Association would like to thank the Boy Scouts that helped on the baseball field this past weekend. The ball diamond is for the youth of Alpine and it is encouraging to see the youth want to help on this project.

Pony League tryouts for boys from the ages of fifteen through eighteen will be the 20th of March at 1:00.

The rest of the tryouts are March 12th for boys from the ages of twelve to fourteen, March 19th boys from ten to eleven and March 26th boys from eight to nine.

Harry Jennings
President, Jr. Baseball Assn.

V. F. W. Election

The Alpine V.F.W. Post No. 5233 will hold election of officers on Friday, March 11th. The meeting will be held in their hall on Highway 80 in Alpine at 8 p.m. All members are urged to attend this important meeting.
