Vaqueros Will Ride

This Sunday the Alpine Vaqueros and anyone else who is interested will have a Breakfast Ride, at Pine Valley. The group will ride from 8:00 until 11:00 a.m. and then have breakfast. Anyone who is interested in going on the ride may call HI 5-3396 for reservations.

Alpine's Date Book

Friday, February 5th

Movie—7:30 p.m. in the Women's Club, admission 35c.
Jr. Pilgrim Fellowship skating party.

Saturday, February 6th

Boy Scouts and Cub Scouts begin displaying projects at the Alpine Cleaners.
Bingo and dancing at the V.F.W. Hall, everyone welcome.

Sunday, February 7th

Vaquero's Breakfast Ride, 8:00 a.m.
Boy Scouts and Cub Scouts attend Alpine Community Church in uniform as a group.
Jr. and Sr. Pilgrim Fellowship leave Alpine Community Church at 6:00 p.m. to attend a rally at First Presbyterian Church in San Diego.

Monday, February 8th

Alcoholic's Anonymous—Fuller Hall, 8:00 p.m.

Tuesday, February 9th

Alpine P.T.A. meeting, 8:00 p.m., Alpine School Auditorium.

Wednesday, February 10th

Polio shots, during school hours for school age; 6 to 8:00 p.m. for all others. Alpine School Auditorium.
Community Church Guild, 9:00 a.m., Fuller Hall.
Induction Service for Tri-Hi-Y.

Thursday, February 11th

El Capitan High School Gymnasium Dedication, P.T.A. meeting, 7:30.

Plans For Proposed Junior College

On Monday, February 1st, a meeting was held at the El Cajon High School to discuss plans for a Junior College in the Grossmont area.

A number of aspects of the program were discussed with emphasis falling on the benefits the district would derive from having its own college.

The speaker at the meeting was Dr. Hugh Price who is chief at the Bureau of J. R. College Dept. of Education of California.

Estimated costs and income for such a district are as follows if the following plan and assumptions are made.

The district if formed would operate on an afternoon-evening basis for the first two years which would be the minimum time for planning, designing, financing, and construction of the facilities essential for the junior college.

During these two years many students from this area would continue to attend San Diego Junior College, Palomar and other junior

Attention Past Presidents

The P.T.A. will honor all past-presidents of the Alpine P.T.A. at their meeting the 8th of February. There will also be a guest speaker. The past-presidents will be honored because of Founder's Day.

Be sure and mark your calendar that the P.T.A. Hobby Show is coming up. The date that is set is the 19th. The Hobby Show should prove interesting to everyone.

Time For Second Shot

Polio shots will again be given at the Alpine School in the Auditorium on February 10th. School age children will receive their shots during school hours and adults may get their shots from 6:00 to 8:00 p.m. that evening. The cost of the shots will be \$1.00. Whether you want your first shot, any one of the series of three, or a booster, you may get your shot at that time. The Alpine P.T.A. is sponsoring the shots.

MOTHERS' MARCH A SUCCESS

Mrs. Luther Moore, chairman of the Mothers' March of Dimes, reported that the March was a complete success, the 15 mothers that participated collected \$221.03; and they covered Harbison Canyon, Peutz Valley and Alpine. If any person was missed he may still call Mrs. Moore, HI 5-3333, or Mrs. Grace Buchmiller, HI 5-2382, and they will pick up their donation.

Y-W Wives Elect

The Y-W-Wives had their potluck luncheon and election of officers yesterday afternoon at the Youth Center. The election results will be in next week's paper.

colleges because of undesirable time of classes and limited curricula until the completion of construction of the college.

While transfer to other junior college districts would have the effect of holding down local enrollment and costs during the first and second years, it would be counteracted by direct tuition charges which would be paid to the districts they attend on a per capita cost basis.

The assumption by the state of the junior college tuition fund levy for the first year of formation of a junior college (currently 24c) would provide relief to offset this direct tuition charge.

It is believed the estimates presented below are conservative. Certain state and federal income has not been included which could ease the impact on local tax levy provided the estimates of enrollment and assessed valuation are accurate.

It is assumed that enrollment for each of the first three years would be 750, 1000 and 1600 students a year. This is probably conservative as the Junior College program has been growing rapidly.

Cost would include a \$4,500,000 bond issue for building and site the net estimate increase in tax levy for the Jr. College district in each of the three years would be .09, .23 and .30 respectively.

Grossmont Summer School Program Announced

The Grossmont Union High School District Board of Trustees recently adopted policies governing the extensive summer school program which will be offered at five centers this year. The board also approved an increase in the hourly rate for summer school teaching from \$4.70 to \$5. The directors for the schools are as follows: Helix, Lewis Freed; Mt. Miguel, Mel Grant; Grossmont, John Burdick; El Cajon Valley, Fred Greta; El Capitan, Robert Burnham.

The purpose of the summer school is mainly to give additional courses to students who cannot work them into the regular program. Only about one-tenth of the courses are for makeup work according to a statement made by John T. Warburton, assistant superintendent. Further extension of opportunity was provided by approval of a post-session in August and evening classes for students who are employed during the daytime in the summer.

Registration will begin soon for the summer session and it is estimated that last year's record 5300 enrollment will be exceeded. Opportunities for special remedial classes and make up will be offered along with many of the subjects offered in the regular school year.

VFW Bar B-Q A Success

The V. F. W. Bar-B-Q, which was attended by over 400 people, was a very big success. They had a wonderful band, made up of ex-navy personnel who live in or near Alpine, and everyone had a wonderful time.

What Will The Future Be?

Alpine stands at the crossroads. With the coming of water, finances will become available for construction and we can expect a period of rapid growth. This can be a growth of shacks and rentals catering to lower class residents, who frequently become social and economic liabilities, or it can become a healthy growth of sound investments by home owners who will be social and economic assets.

Whether it becomes one or the other depends on the people of Alpine and what they do about their future. More than wishful thinking is called for. Responsible planning will not grow out of our good intentions, unless we have some orderly procedure for determining the public will and channeling the efforts of responsible citizens.

In the past, Alpine has had several civic organizations such as the Coordinating Council, the Chamber of Commerce and others. All have fallen apart or are inactive. We urge our responsible citizens to organize again and to give Alpine some representative voice and direction.

If we do not have such a channel for orderly settlement of differences we will have any unnecessary community quarrels and our voice will mean nothing in the Supervisors' Chambers or any other public office.

If we do have a way of resolving our own disagreements, we can expect cooperation from public officials on every level and happier and more prosperous conditions for both business and residents.

Edgar S. Welty

Alpine Is Proud

Alpine can well be proud of the many men and women who give their time to aid our youth. If you look over the names of those involved in 4-H, Scouts, Youth Center, Junior Baseball and other activities you will find quite a sizable group of people. This is good because it is the sharing of such community responsibilities that provides the foundation for American Democracy. It is such community service that provides American youth with constructive influences second only to the home.

We of the Echo commend all those who serve so well and urge others to personally aid this excellent work.

Edgar S. Welty

HERE AND THERE

The Boy Scouts had a wonderful weekend in the Cuyamaca Mountains at the Paso Piaso park last weekend. The parents who provided transportation were Raymond Partridge, Elmer Cooke, Mr. and Mrs. Kenny Drennon and Mr. Laude Gunsaulas.

Gamblers' Anonymous holds their meeting every Friday night at 8:00 at the Y.W.C.A., Tenth and E Streets in San Diego. Everyone is cordially invited to attend. For more information call HO 9-8831.

Lucky Jack and Stan Wilson are going on a vacation to the Winter Olympics in Squaw Valley.

Mrs. Pearl Towles has been sick with the flu. She was so bad they had to take her to the Casa Blanca Rest Home for ten days. She is now home recuperating.

Mrs. Elna Bratt cut her finger very badly Monday, while she was working with her kiln. Luckily her finger didn't require stitches.

Margie Cooper was given a birthday party the 3rd by a few of the ladies in Alpine. They went to her house and served cake and coffee. Those who attended were Leona Wilcox, Ruth Chynoweth, Marian Bates, Joanne Nichols, Bobby Whitt, Gladys Jennings, Jo-laine Huey, Elna Bratt and Lita Judd.

Mrs. Edward Nixon had a visit from her daughter, Opal Ogee from San Jose, this past weekend.

Louis Banaag is now back at his post as cook at the Log Cabin having recovered from his injuries received in an auto wreck. He says, "it's good to be alive."

Cliff and Marion Woolridge have moved from their home to the Circle Trailer Court in back of the Woolridge Beauty Salon.

Municipal Water Board of Directors held their meeting in Fuller Hall Wednesday evening.

Congratulations go to the new Junior High School Student Council officers. Those who were elected were Ray Partridge, president; Janet Cline, vice president; and Sheryl Hoffman, secretary-treasurer.

CUBS RECEIVE AWARDS

Last Friday night at the Pack meeting for the Alpine Cub Scouts a lot of awards and pins were given. The happy boys who received their pins were Gregory Anderson, graduated to Boy Scouts, and also received his two year pin and weelos pin; Steve Foster received a Gold Arrow, a one year pin, two year pin and a Denner stripe; George Kochel and Michael Harrelson received Silver Arrows, William Harrelson a silver arrow. One year pins were given to Hugh DeLong, Richard Harris, and Roger Jerney. A two year pin was presented to Forrest Brant and the Assistant Denner patch was received by David Newton.

KIWANIS SEE PICTURES OF PALESTINE

Doctor Roger Larson showed the second part of the picture on "Palestine in Jesus' Day" at the Kiwanis meeting Thursday night.

CUBS The Junior Baseball Association News

Two hard days of work this past weekend enabled us almost to complete laying the steps up to the new ball park. This next weekend they will be anchored in place. The steps weighed nearly two tons and were built below the bank and raised into place by use of a winch. A job well done by Larry Wilcox, Gene Wilcox, Gordon Gilroy, John Gilroy, Basil Spears, Phil Hall, Tom Nichols and helping to winch the stairs into place were Fred Rushing and Tom Judd.

Another major project was completed this past weekend, when Fred Rushing and Tom Judd completed laying some forty feet of thirty-inch drain pipe, this pipe crosses the road that leads to ball field and is intended to prevent the road against being washed out again. A ditch six-feet deep had to be dug to install this drain. It took nearly two days to complete it. Thanks a lot, Fred and Tom,

Harry Jennings,
Pres. Jr. Baseball
Association

ticing his religion. It helps him practice "Duty to God" to be reverent and faithful in his religious duties.

Each Scout and leader has been asked to recommit himself to the Scout Oath or promise at 8:15 p.m., February 8th, in honor of the signing of the founding papers in Washington, D. C., on February 8, 1910.

On February 9th Scouts who received their Eagle or Explorers Silver Awards during the past year will spend the day visiting Civic Center in San Diego as the guests of the City Council and the County Board of Supervisors.

The final event to celebrate Boy Scouts Week will be the Blue and Gold Dinner at the Alpine School Auditorium, Saturday, February 13.

50TH SCOUT ANNIVERSARY

Sunday, February 7th, through Saturday, February 13th, is the Boy Scouts' week. To make it even more impressive it's the 50th year.

Boy Scouts of America was incorporated at Washington, D. C. on February 8, 1910. Men from 34 national groups interested in youth met on June 21, 1910, to develop this organization. From that modest beginning the Boy Scouts of America has grown in 50 years to an active enrollment today of more than five million boys and leaders and an alumni of 28,500,000 others who have been influenced by the Scout Oath and law.

Now Boy Scouts is 50 years old and the boys in the Scouts are all ready to start celebrating. All week long beginning the 6th, the Alpine Boy Scouts and Cub Scouts will be displaying their projects in the Alpine Cleaners window.

Boy Scout Sunday will be observed in churches of all faiths Sunday, February 7, with Scouts attending in uniform, the Boy Scouts will attend Alpine Community Church at 11 a.m. Scouts who have qualified for the religious awards will be honored. The observation is designed to call attention to the 12th point of the Scout Law which is "A Scout is reverent" and to the theme of Boy Scout Week: "Onward for God and my Country."

As the Scout keeps himself physically strong by training so he builds himself spiritually by prac-

Services Held For Mrs. Ethel Brock

Mrs. Ethel Emma Brock of 974 Harbison Canyon Road passed away the First of February in a local hospital. Private services were held at Paris Mortuary yesterday and she was buried at the Alpine Cemetery.

Mrs. Brock is survived by her husband, Charles E. and a daughter, Mrs. W. H. Steinmetz of Lakeside.

Cub Scouts are all very excited, for they also will celebrate their 50th anniversary. They will have their project on display in the Alpine Cleaners' window with a theme of "Western Desert Village." They will also have their projects on display at the Alpine P.T.A. Hobby Show, February 19th.

All three Dens, which make one pack, will attend church Scout Sunday, the 7th. Their Den Mothers, Mrs. Edgar S. Welty, Mrs. Richard Harris, Mrs. W. H. Harrison and Mr. Jay Clinton, Institutional Representative will attend with them. Kenneth Jerney, Cubmaster, will also attend and he will be presented at that time a charter from the Cub Scouts sponsor, the Alpine Community Church.

Every year the Cub Scouts have a blue and gold dinner and this year is no exception. They have invited the Boy Scouts to be their guests and everyone expects to have a wonderful time.

Cubmaster Jerney reported to me that the Cub Scouts are a family project and without the aid of the Den Mothers, Cub Scouting could not continue.

Cub Scouts Learn To Be Good Citizens

By LA VERNE CROSBY

One summer you may remember boys from the ages of eight to eleven in blue and gold uniforms knocking on your door to hand you a pamphlet on Civic Defense. These little gents are the Cub Scouts from Pack No. 350 who are learning to be good constructive citizens. They have also done other things for the community such as planting ice plant down at the new ballfield to keep the banks from washing away.

Cub Scouts not only learn to be good citizens, but they learn safety, with the stress on home safety in particular. A boy is taught to earn his way, yet share with others. A very good example of this is what the boys do each Christmas. During the holidays the boys collect useable used toys which are distributed to needy children in this area. Then to climax this project a boy earns money on his own to buy an article of clothing to fit himself. These clothes are then taken to Nazareth House an orphanage in Mission Valley.

Cubs also learn about physical fitness and they do exercises to keep their bodies fit. They learn personal appearance. At any time during any meeting the boys may have an inspection. They do not know when the inspection will be, so that they will learn to be neat at all times. They make things such as tie racks, clothes trees, shoe shining kits and things along that line to teach them to be neat with their clothes.

Sportsmanship and a sense of fair play are taught to the boys and these are subjects that the boys will need to remember for the rest of their lives. Giving and sharing coincide with sportsmanship and they too are instilled in the Cub Scouts.

The Cub Scouts have lot of fun in their group. They go on field days to Scripps Institute of Oceanography, to the Coronado Air Station, they tour ships, go on picnics and all the activities that a boy would enjoy.

Along with the Boy Scouts, the

 BEVERAGES**
 TO WHOM IT MAY CONCERN:
 Subject to issuance of the license ap-
 plied for, notice is hereby given that
 the undersigned proposes to sell alco-
 holic beverages at the premises, de-
 scribed as follows:
 2538 HWY. 80, ALPINE
 Pursuant to such intention, the
 undersigned is applying to the Depart-
 ment of Alcoholic Beverage Control for
 issuance on original application of an
 alcoholic beverage license (or licenses)
 for these premises as follows:
ON-SALE BEER
 Anyone desiring to protest the issu-
 ance of such license(s) may file a veri-
 fied protest with the Department of
 Alcoholic Beverage Control at Sacra-
 mento, California, stating grounds for
 denial as provided by law. The prem-
 ises are not now licensed for the sale
 of alcoholic beverages. The form of
 verification may be obtained from any
 office of the Department.
 (Name of Applicant)
