WOMEN'S CLUB SAVE AND HELP

It was Reciprocity Day at the Women's Club last week and three special guests were invited to attend their meeting.

Special guests were Mmes Cox and Whited, both Presidents of local Women's clubs and Mrs. Jack Hamilton, Pres of the Southern District.

The Madrigals, a special singing group from El Capitan and a comedy put on by Mrs. Bea La Force were the entertainment for the afternoon.

HITS TREE

Halvor W. Hem, Jr., of Victoria Dr., Alpine, is in Grossmont Hospital with two broken collarbones and a torn ear suffered when he swerved to miss a dog on Hwy. 80 and he hit a tree. His mother who is visiting here from Toledo, Ohio, received lacerations on the head and a cracked rib. She is also in Grossmont. The car is a total wreck.

An opportunity to purchase reduced rate tickets to the annual Southern California Exposition in Del Mar June 24 through July 4 and at the same time aid the Parent-Teacher Association's countywide dental health program for children will be afforded San Diego County residents beginning April 5.

A certain percentage of the advance ticket sales to the colorful San Diego County Fair will remain with the PTA organization and will be used to promote the children's dental health program in the County, according to Mrs. L. E. Hoskins, dental health chairman, Ninth District, PTA. One dollar adult tickets will sell for 75 cents while children's tickets will sell for 25 cents. Your local PTA will announce chairmen soon.

The Gamma Gammas are happy to report that Wilma Watton is rejoining the sorority.

Gamma Gamma's

The party that the Gamma Gammass and their guests had last Saturday night was very nice. Not only was the party entertaining, but the club raised over \$70.00 which will be used for philanthropic work. Part of the money will go to the Angel View Hospital and the rest will go to the Alpine Youth Center.

The Gamma Gamma Sorority has been chosen to sponsor the Emergency Red Cross Drive in Alpine.

If you have not yet seen what the Gerlts have done to Alpine Cleaners you should look in soon. New white paint makes the place look brighter and cleaner and several new machines make faster, better service possible.

The 4-H County wide Live-stock Judging Contest will be held at the Santee School on Saturday, April 2nd. The Japatul 4-H and the Alpine Champions are planning to attend.

ALPINE TRI-HI-Y

by La Verne Crosby

Two new girls were inducted into Tri-Hi-Y a week ago Thursday. They are Melody Earickson, a new member, and next step was the installation of officers held last night in the home of Vickie Douglas. Mr. Frank R. Myer, Heartland area Representative for Y.M.C.A. gave a brief inspirational talk on Tri-Hi-Y and showed a movie entitled "And Now Tomorrow." The movie gave the background of the Y.M.C.A.

Mr. Myer installed the following officers: Sharon Chynoweth, president; Vickie Douglas, vice president; Pam Lewiston, secretary; Geraldine Homsley, treasurer; and Byraldine Rix, chaplain.

Before the club actually became organized for this year the girls were serving their community. You may have seen the Tri-Hi-Y girls washing cars or selling baked goods. Both of these activities were to raise money for the March of Dimes.

The purpose of the club is to create, maintain and extend high standards of Christian character in the home, school and community. The local club is sponsored by the Alpine Women's Club.

ALPINE BOY SCOUTS RECEIVE AWARDS

The Boy Scouts Court of Honor was held the 21st of March and many boys are now the proud owners of new badges. The boys who received the tenderfoot badges were Gene Erickson, Ricky Sockwell, Gregory Anderson, Richard Zuelke and Stanley Lawrence.

Second Class badges were received by Calvin Jerney, Norris Bye, David McElwain James Newton, Harry Way Bill Lucore, Michael Bradley, Eddie Schwenck and Richard Christensen.

Merit badges were received by Grant Cooke for masonry, Norman Way for home repairs, Gene Campbell for music and fishing, Ray Partridge, Jr. for personal fitness and cooking.

Last, but far from least, is a boy who received four awards. One more and he will be the first Eagle Scout in Alpine. His name is Charles Bradley. Charles received merit badges for hiking, citizenship in the nation, safety, and public health.

The Boy Scouts of Alpine will attend a Camporee Saturday and Sunday in Lakeside. Boy Scouts throughout the county will attend and try to pass requirements for their merit badges.

Raymond Partridge's name was left out of the article last week on the "Alpine Kiwanis". Ray has done a great deal of work for the Boy Scout Troop, which he serves as Scout Master.

Wallace N. Kent and Clarence Gillson, who were mentioned as being in charge of the Boy Scouts, have also done a great deal, but the community should also thank Ray for the time and effort he is devoting to the Boy Scout program.

PASTOR'S CORNER

THE MEANING OF LENT

The forty days of Lent represent the forty days spent by Jesus in fasting and prayer during the period of the temptations, which followed his baptism. The Christian church uses this period as a spiritual preparation for the Easter season. It is by tradition a time for penitence, sacrifice and self-discipline. Some churches hold to diet regulations and pleasure restrictions during Lent. Other churches encourage each individual person to develop his own discipline for spiritual growth.

A period of discipline and renewal can be an enriching experience. Life that is faced seriously and creatively involves crisis. Discipline is a necessity in any crisis. As we through discipline and sacrifice develop our inner resources, we strengthen ourselves to face up to life. Lent is a reminder that we face temptations as Jesus did and that by sacrifice, thought and prayer we can be victorious over our problems.

Life involves constant crisis and we must be spiritually strong or we will go under. This season is an appropriate time to establish the practice of daily prayer at home, and of weekly worship in the church of your choice. When we observe Lent seriously we can more fully experience at Easter the triumph of life with Christ.

Gardener's Checklist

- by Calif. Assn. of Nurserymen
1. Another planting of gladiolus bulbs is in order this week for a longer succession of blooms.
 2. To insure healthy, free flowering roses, set up a spray and feeding program now and follow it in months to come.
 3. A window box or several pots of herbs outside the back door can make a wonderful contribution to the culinary arts in your household.
 4. Use yellow Marguerites liberally in sunny garden spots. They are so easy to grow, long lasting and so colorful. Every garden should have several.
 5. Start thinking about container plantings to keep you company in outdoor living areas this summer.

Robert Runbeck is home from the hospital and is improving.

BASE BALL

The last of the tryouts was held last Saturday at the new ball field, with the eight and nine year olds. Every boy who has tried out will be placed on a team. If there are any boys who didn't try out and do want to play ball, please contact Harry Jennings, HI 5-3188.

Work on the field also continued last weekend. One dugout was nearly completed also the partition in the restrooms was installed. Turning out to lend a hand on construction were Basil Spears, Gordon Gilroy, Gene Wilcox, Larry Wilcox, Bill House, and Ted Whitt. Jennings would also like to thank the following men who helped with the tryouts: "Red" Harrelson, Bill House, Bobby Chenoweth, Cliff Woolridge, Marvin Chenoweth and John Gilroy.

On Sunday, May 15th, a barbecue will be held at the Youth Center in conjunction with the dedication of the new ball field. All ten teams will take part in a carnival, playing two innings each. Several celebrities will be present. Tickets will go on sale this week. All money raised from the dedication will go toward the cost of this summer's baseball season.

This is too big an event for the Baseball Association to put on without help. The VFW post of Alpine has graciously consented to handle the barbecue at the dedication, doing all the cooking and serving.

The whole community should thank these men for offering their help for such a worthwhile project as helping our youth. Harry Jennings, Pres Alpine Baseball Assn.

Begonias Overhead

And At Your Feet

Gardeners who go for begonias are rarely lukewarm on the subject. They'll tell you "they're the most beautiful most exotic, most everything" and according to the California Association of Nurserymen, all these superlatives rarely do justice to this spectacular flower.

At this season of the year you can start shopping for seedling plants at your nursery to be transplanted to the garden as soon as you get them home.

Many aficionados of the begonia insist that the hanging basket type is the ultimate satisfaction because it is the answer to a landscaper's dream. With its beautiful cascading habit, these may be grown effectively in baskets or containers or spilling over walls. Each hanging basket will shower you with hundreds of blooms. But it is only fair to say that there are as many others who exclaim: "Why Put all your begonias in a basket when a mass planting at your feet or interspersed in a bed of greenery is such an immediate sensation". There seems to be only one answer to this problem: Get some of both.

Plant your seedlings or sprouted tubers in partial shade in a wind-free location. Perfect drainage is necessary so consult your C.A.N. nurserymen about improving your soil. Keep begonias moist after planting. It won't take long now.

Carmen Hoistad, owner of Bailey's Cafe, underwent major surgery the sixteenth of March. She is now home and doing nicely.

all of her wonderful friends who prayed for her, gave her the most welcome gifts, cards, and flowers. "Everyone has been so nice and thoughtful"

Your Legislator At Work

Our current budget session has veered in a somewhat unorthodox direction from that followed by its predecessors. Instead of concentrating on the budget bill to the exclusion of practically everything else, our attention is now focused on tax reduction.

In a series of swift moves which caught some observers by surprise, the Senate committee on revenue and taxation sent to the floor with favorable recommendation a group of four measures which would lower State taxes. Two of them, relating to the personal income and corporation taxes, which bring our State laws into conformity with Federal law and would produce savings estimated at \$5 million annually. The others are two different versions of the same thing, exemption of drugs, glasses, dentures, and orthopedic appliances from the sales tax. Estimated reductions of the broader version would total \$15 million in State revenue per year, and those of the narrower, some \$9 million. by Jack Schrade
