BASEBALL DEDICATION

Last Sunday afternoon a record-breaking crowd attended the dedication of the new Alpine ballfield at the Alpine Youth Center. The invocation was given by Dr. Roger Larson of the Alpine Community Church. Colors were presented by Boy Scouts of Troop 105, Mike Master, Richard Drennon, Donald Archer, Charles De-Long and Grant Cooke who led the Pledge to the flag.

Harry Jennings, president of the Alpine Baseball Association, dedicated the field to the youth of Alpine. He introduced the officers of the association and the managers of the teams: vice-president, Clifford Wooldridge; secretary, Jeanette Knapp; treasurer, Dick Harris; corresponding secretary, Dorothy Mosier; managers of teams, Kiwanis-Bill Hoffman and Carl Strauch, Youth Center-Robert Frederickson and Bill House, V. F. W.-John Gilroy and Lupe Lopez, Florence's-Bud Cooper and Malcolm Huey, American Trucking-Carl Strauch and Bill Hoffman, Frontier 45-Clifford Wooldridge, American Fence-Keith Cator and Bob Hurlbut, Lazy A-Harold and Paul Spires, Whitt Plumbing-John Gilroy, and Happy Acres-Clifford Wooldridge.

Tom Nicholas, president of the Alpine Youth Center Association, dedicated the children's playground area to Vern Chynoweth who was president in 1958. Vern really pushed the playground program. This living monument to a real friend of the community will be enjoyed by the youth of the community forever.

Samuel VanNote, of Victoria Drive, Alpine, represented the Grossmont High School District last week at the 4th Natl. convention of the American Driver Safety Traffic Association at San Jose.

Next Monday there will be a benefit noon luncheon at the Harbison Canyon Community Hall. The Holy Name Group of the St. Philomena's Church Ladies

THEN AS NOW

Yes, then as now. Even when they were in the fourth grade Jane Woodall and Ray Partridge were tops in their class. The following articles were written by them when they won first and second place in the Americanism contest sponsored by the American Legion Auxilliary of Post 648 at the Alpine School in 1956.

Their articles were on "The Care and Use of our Country's Flag", according to Mary Benton, Americanism chairman.

Jane won first place with this message:
"Hats off

Along the streets there comes
A blare of bugles, a ruffle of drums,
A flash of color beneath the sky
Hats off

The flag is passing by."

Our flag should fly proudly from sunrise to sunset. It flies over all our schools to remind us that our country is giving us a chance to learn.

It flies over polling places, all over our nation on election day, to remind us of our great privilege of voting.

Every morning the children, all over the United States, stand and pledge allegiance to their flag that is in every classroom.

The dampness of the night or sudden storms could destroy our flag while we are sleeping. Just as we wish to keep our country safe from harm we should keep our flag folded safe at night.

When flags of two or more nations are displayed, they must be flown on separate staffs of the same height. They should be the same size. We think of our flag as being dearest to us in our nation, but we must remember to respect the flags of other nations, just as we respect the people of other nations.

The flag should never be used as a drapey or cover. No object should ever be placed on it. Our flag is not just a piece of cloth, but a symbol of what our nation stands for. We would not use our country and then discard it. Our flag should not be allowed to touch the floor or ground. Just as we would not soil our country's honor by bad deeds, we would not soil our flag.

If we think about our flag in this way, surely "the star-spangled banner in triumph shall wave, o'er the land of the land of the free and the home of the brave."

Second place was won by the following entry submitted by Ray Partridge:

At our house we care for and use our flag often. Here are some rules you can go by:

When displayed over the middle of the street, the flag should be suspended vertically with the union to the north in an east and west street.

Display our flag on all days that the weather is good.

Summer Youth Program

DAY CAMP STARTS MONDAY
Alpine Day Camp, the summer program at the Youth Center, starts Monday, June 27, with a day at Shady Rock with swimming starting at 10 A. M. Other days are at the Youth Center. Sign up now. Charge of \$2.00 for two weeks includes milk and crafts. Bring a sack lunch. The daily program runs from 10 A. M. to 4 P. M.

BASEBALL DOUBLE-HEADER

There will be a double-header baseball game Sunday afternoon, June 26, 2 P. M., at the Alpine ballfield. The National City Pony League will play Whitt Plumbing and Happy Acres, our Alpine older boys. Come out to the ball park and cheer our youngsters to victory.

PIANO RECITAL

There will be a piano recital next Sunday afternoon at the home of George Lee, piano instructor, #16, Old Viejas Grade Road, Alpine. The following students will participate: Sharon Hinkle, Pat Hinkle, Gail Kirkpatrick, Jan Elliott, Gloria Elliott, Jan Johnson, Patty Richardson, Paul Richardson, and James Lee.

When displayed with another flag from crossed staffs, the flag of the United States should be on the right.

When at half staff it should be hoisted to the top.

When the flag is suspended over the sidewalk, the flag should be hoisted out from the buildings toward the pole union first.

When the flag is carried with another flag ours should be on the right. With two other flags it should be in the center.

When hung on a wall the blue field should be uppermost to the flag's own right. When hung against a wall with another flag the flag should be at the spectator's left.

The flag should never be used as a piece of cloth to dust with.

A very old flag should be burned in private.

I thought you would like to learn the pledge of Allegiance to our flag. So here it is:

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation, under God indivisible, with Liberty and justice for all."

IN TRIBUTE

A TRIBUTE TO OUR TEACHERS
 A buidler built a temple,
 He wrought it with grace and skill;
 Pillars and groins and arches
 All fashioned to work his will.
 Men said, as they saw its beauty,
 "It shall never know decay.
 Great is thy skill, O buidler:
 Thy fame shall endure for aye."

A teacher built a temple
 With loving and infinite care,
 Planning each arch with patience,
 Laying each stone with prayer.
 None praised her unceasing efforts,
 None knew of her wondrous plans;
 For the temple the teacher built
 Was unseen by the eyes of man.

Gone is the buidler's temple,
 Crumbled into the dust;
 Low lies each stately pillar,
 Food for consuming rust.
 But the temple the teacher built
 Will last while the ages roll.
 For that beautiful unseen temple
 Is a child's immortal soul.

A young Fresno mother suffered a severe hemorrhage at childbirth. Blood sources available to the doctor were exhausted at all points from Bakersfield to Stockton. Responding to a radio appeal, two California Highway Patrol officers in Merced and one in Hanford donated blood of the same type and fellow officers relayed it to Fresno. The doctor unhesitatingly credited the Patrol with saving his patient's life.

Just recently David Newton who lives at The Willows broke his left arm. Now that his arm is well and he no longer needs the sling, he sprained his left thumb. He tried to catch a baseball on the tip end of his thumb instead of the palm of his hand. He caught the ball, but dropped it. Now his thumb is covered with sponge rubber and a framework of aluminum.

CAMPO NEWS

BY FAY FARRIS

Arvilla Leach Johnson was the honored guest at a baby shower on Sunday evening, June 12, at the Stone House in Campo. The hostesses were Beverly McGuffie and Carol Ballard. Appropriate games were played before the gifts were opened. Then refreshments of delicious cake, ice cream, punch and coffee were served.

Mr. and Mrs. Phillip Gaddy and two sons of Houston, Texas, were house guests of Mr. and Mrs. R. E. Taylor of Lake Morena for the past week. Mr. Gaddy is Mrs. Taylor's brother.

of the tournament: Andy Forshaw, Bee Boyd and Marcy Andrews.

It is vacation time for some of the teachers at Rancho del Campo, and the following have departed: Mr. and Mrs. Paul Andrews have gone to their former home in Bloomington, Ind. --Mr. and Mrs. Chet Yankee and family are visiting relatives in Sacramento, and Mrs. Yankee will go on from there to visit her parents in Spokane, Washington---Ed Ames and family will visit his mother in Minnesota.

Mr. Abbott's wife is also a member of the company.

Mr. and Mrs. Hugh Smyth of Lake Morena recently returned from a motor trip to Casper, Wy., with their nephew and wife, and report a fine trip with excellent weather.

The board members of the Mountain Empire Republic Women, Federated, met at the home of Mollie Martin (treasurer) in Jamul Valley June 16. Gardener's Checklist

- by the California Assn. of Nurserymen
- 1. Planted now in full sun from a container, wisteria with its long racemes of pink, lavender or white will ultimately cover a huge area. The graceful sweetpea-like flowers of this deciduous hardy vine offer a bonus of fragrance.
- 2. Pick seed pods off rhododendrons and azaleas to strengthen these shrubs. (Never cultivate or disturb the soil around the roots of azaleas or rhododendrons as the feeding roots grow near the surface).
- 3. Showy dahlias, with their wide variety of forms and colors, are still plantable for choice pickings from mid-summer until heavy frost. This widely cultivated favorite offers myriad choices for both garden and indoor arrangements.
- 4. Feed the early blooming summer varieties of chrysanthemums with liquid fish fertilizer according to manufacturer's directions. Slack off to about twice monthly with the first show of color.
- 5. Help vegetables along with regular, mild feedings and you'll be rewarded with a bigger and better crop.
