## V.F.W.

### V. F. W. FUN NIGHT

An impromptu social gathering was held last Saturday evening at the V. F. W. 5233 Hall, 2536 High-  
way 80, Alpine. After the games refreshments were served -fried chicken, hush puppies, and French fried onion rings.

Each Saturday night will now be fun night at the Post Hall. Bring the family. The public is invited.

Prudence is of no service,  
unless it be prompt.

## WATER

### DISTRIBUTION OF WATER

At its last meeting the Board of Directors of Rio San Diego Municipal Water District passed a resolution to change its policy regarding the distribution of water. The resolution stated that "This District will distribute and provide retail water service to any area within its boundaries where such service is feasible and provided substantial evidence is given the District that the people of the area desire such service."

It further stated that "The resolution is not to be construed as an indication of this District's desire to provide retail service in any area in which such water service is not desired."

At the same meeting the Board instructed its staff to prepare details of the necessary steps preliminary to forming an Improvement District for distribution of water to the Alpine, Mt. Top, Harbison Canyon, Dehesa and Flinn Springs areas. This report will be due December 13, 1960.

**BATH SALTS:** Divide five pounds of Epsom salts into small jars. Put in a few drops of food coloring and shake well. Add a few drops of perfume and let stand several weeks.  
**THREAD WHEEL:** Mold an oval base of plaster of Paris, while still soft, insert five small dowels, spaced like the spokes of a wheel. Tiny little colored rocks or shells pressed into the plaster will add interest. To use the wheel, slide spools of thread down over the dowels and rest a thimble on top. To color the

**FREE SERVICE**  
The ALPINE ECHO has made little effort to build up a classified section because collecting the small amounts for these ads is almost more trouble than it is worth. However, we are now ready to offer two types of advertising FREE as a public service.

First, any local resident or concern that has employment to offer in Alpine or Mountain Empire may have ten words free.

Second, any one who wants to give away a pet or puppies or kittens or any one who has found something and wants to return it to its rightful owner may have ten free words.

**SUCCESSFUL HUNTING**

Jack Blankenship, Al Hinkle, Malcolm Huey, Jim Rorie, Mace Bratt, and Hugh Trail went to Imperial Valley to hunt pheasant over the weekend. Bob Wilson and Harold Johnson went down and joined the party later. Over Saturday and Sunday the party brought back seventeen pheasant.

**LOCAL DONUTS**

Dave and Shirley Parks have installed a new donut maker at Dave's Sandwich Shop. They are turning out excellent donuts of many varieties both for sale at the shop and to take home.

**ABOUT ALPINE**

by CAROL WILCOX - HI 5-2353  
El Capitan lost to Grossmont last Friday night by a score of 20 to 19. It was one of the most exciting games of the season. Alpiner Al Hinkle scored two touchdowns. Leon Herzog made another touchdown, with one extra point by Mike Hill. This loss broke the tie for our district, putting Escondido in first place.

The Lakeside Bethel of Job's Daughters #309 are selling chocolate covered caramel and pecans called Katydid's of Turtles, as a money-making project. They are also selling beautiful Christmas corsages at the give away price of 75 cents. If anyone wishes to purchase either one and help this fine organization, call Carol or Judy Wilcox at HI -5-2353.

The Alpine Junior High students are planning a dance, 'Fall Fantasy,' to be held on November 18, Friday, at 7:15 P.M. in the school auditorium. The theme will be carried out with yellow, brown and orange streamers and fall leaves, according to decoration chairman Judy Wilcox. Refreshments are under the chairmanship of Patty Wilson. Music will be provided by records. All students are asked to bring their records, and be sure to have them clearly marked. Have fun, kids.

Friday night, November 18, will be El Capitan's homecoming game. It will be at 8 P.M. on Helix's field. Seniors voted November 14 for homecoming queen but the results will be kept secret until half-time at the game. Saturday, November 19, will be the homecoming dance, "The Deep Purple Ball", in honor of the homecoming queen.

Past presidents of the Alpine Woman's Club were honored Tuesday at the past presidents day luncheon. Soloist for the afternoon was Charline Poncik, owner and operator of the Copley beauty Shop in El Cajon. Pianist was Viva Thutch.

### TRESPASSING HORSES

Alpine residents in the area of Tavern and South Grade Roads have complained rather bitterly about horses that are so poorly fenced in that they repeatedly invade the lawns and gardens of others.

It is only natural that horses should seek out sweet green lawns but deep holes from uninvited hooves and eaten or trampled flowers represent an unreasonable

trespass against a good neighbor.

It is the obligation of any person who has horses, stock or pets to provide adequate fences or corrals to keep his animals from becoming a burden or pest to others.

Of course, unforeseen accidents do happen but when they do the good neighbor should not only find his animals but should also repair the damage they have done and pay for all they have destroyed.

This seems only fair.

PUBLIC LEECHES

Now that the election is out of the way and we can think of normal things we of THE ECHO want to bring certain problems to the attention of Alpine.

A recent court case revealed that there are people in Alpine who have been on public welfare for some time. Now we certainly do not want anyone to starve, but we know of a number of people who make an honest living despite chronic disabilities. For this reason who cannot see any reason why inuries that are not even apparent should entitle a few to live continuously from the public larder.

We do not believe that the public dole should be used to pay for liquor, wines or beer whether it is sold by the glass or by the bottle.

Something should be done to stop this kind of abuse of the taxpayers generosity. We suggest that you phone or write your supervisor, Dave Bird, and your assemblyman, Jack Schrade.

## CLOTHING COLLECTION

You can help the needy of all nations - all creeds - all colors - by participating in the Catholic Bishops' Thanksgiving Clothing Collection. Clothing for the Near, Far and Middle East and Africa is being collected locally by the St. Philomena's Church. Bring your discards to the church, on Victoria Drive, Alpine. Especially needed are men's and children's clothes and shoes. Also remnants of material or by the yard for use in Africa where Western style clothing is not worn.

Call HI 5-3766 for further information.

### Operation Clothes Closet

"YOU NEED NOT BUILD NEW CLOSET SPACE DEAR! I've found room for all the family clothes. I sent all those old suits you've been 'saving for a rainy day' to the Catholic Bishops' Thanksgiving Clothing Collection. I bought you a new raincoat instead!"

People today expect too much for too little. Too many people today want security for the rest of their lives through a minimum of effort and a maximum of pay.

### FIRE PUT OUT PROMPTLY

The fire last Thursday evening at the Harold Napp home on Highway 80 was discovered by Richard Napp who then put it out before the fire department had time to arrive.

Ronnie, little brother, called the fire department while Mother wondered what to do--those boys surely did have presence of mind.

The fire was caused by vines that had covered the chimney and grown down in the chimney during the summer. When winter fires came the heat first dried out, then ignited the vines.

Mother, Jennie Napp, is the daughter of Mrs. McGuffie's of McGuffie's Sundries and works in the store with her mother.

NAUGHTY - NAUGHTY !!

It has been about two weeks ago but we understand Gloria still has a few aches and bruises so we know even she feels that her accident is not yet past history. Gloria (Glorianne Boettcher) is the popular blond waitress at the Log Cabin. She lives in Harbison Canyon and was driving home when she scraped the guard rail on the right side of the road. In an attempt to pull away she pulled hard to the left and shot off the left side of the road. She had the presence of mind to throw herself over on the seat when she saw that a crash was inevitable, so she was not too seriously hurt although the car was really a total wreck. She must have been a little rattled though because after she crawled out she walked almost all of the remaining three miles home. We report this now because Gloria is back giving her customers the usual efficient service despite her bruises and bumps.
