

# ECHO

## A Petition and Open Letter to his Excellency John F Kennedy, President of the United States.

The offer by Castro to trade lives for tractors is international blackmail of the worst kind. It is additional evidence that we cannot deal with the Communist leaders. The fact that such an offer was made indicates the contempt held for America by Castro. We have great compassion for these prisoners. They must be delivered but not at the price of our national honor.

Where is the courage and dignity bestowed upon us by our forefathers?

We, the undersigned, urge you, Mr. President, as the elected leader of the people of the United States to take effective action - - military if necessary - to free the enslaved people of Cuba and to eradicate the Communist beachhead in our hemisphere.

---

EDITOR'S NOTE: Any person in sympathy with the petition and letter above should phone the ECHO if he wishes to sign one of the petitions being sent to the President.

Our feelings were well stated by Connecticut's Democratic Senator Dodd when he said, "Our national concern for the plight of the Cubans... should have been evidenced by effective help on the beachhead to enable their just revolution to succeed. By paying Castro's price for a thousand good men, we give him the means to strengthen his enslavement of 6,000,000 others. The American people will, for the first time to my knowledge, be making use of ransom and tribute as an instrument of policy. If we start to pay tribute now for 1,000 of the one billion Communist hostages, where will it stop?"

We wonder what has become of the America that once replied to other such piratical demands, "Millions for defense but not one cent for tribute".

**ALPINE VFW POST HOLDS  
MEMORIAL DAY SERVICE**

Memorial Day Services were held in Alpine Cemetery by the Alpine VFW Post 5233 with acting commander Bert Fuller in charge. Acting chaplain Ken Jerney gave the divine blessing. Acting vice-commander Wm. Harrelson placed a floral wreath for the VFW post in remembrance. Acting officer-of-the-day Ed Ramsey placed flowers in memory of heroic dead. President of the women's auxiliary Wilma Fordyce placed flowers with blue ribbon as symbol of eternity. Acting junior vice-commander Ed Barton placed white flowers as symbol of purity and Acting Comdr. Fuller placed the American flag as emblem of our country. Eugene Campbell of Boy Scout Troop 105 blew taps.

Outstanding photographs by camera enthusiasts from nearly 30 foreign countries will be displayed

**TALK ABOUT BONERS!!!!!!**

Our new optometrist in Alpine must think we're realllll gone! In his display announcement in last week's ECHO his days in Alpine were given incorrectly. (They are Tuesday and Friday). In the article about him the days were given correctly, BUT (and it's a GREAT BIG BONER) the article was headed "Dentist Comes to Alpine"!! Well, we did have a dentist come to Alpine---but that was some time ago. But they are both at the same place, with Dr. Woodall in the Alpine Medical Building, but the dentist is Dr. Adrian Ooms and last week's article was about the OPTOMETRIST Dr. I. Arbibal. Now you all got it straight?

in the twelfth annual Southwest International Exhibition of Photography at the 1961 Southern California Exposition and San Diego County Fair at Del Mar, June 30 through July 9.

**COLD FACTS**

Milk is by far the most often used item, averaging 56 times per week. Meat averages 27 times per week; butter 28. Butter, eggs and cheese combined average 51 times per week.

278

56

ACCORDING TO RESEARCH BY AMANA HOME ECONOMISTS, THE AVERAGE REFRIGERATOR-FREEZER IS USED 17,368 TIMES A YEAR. TOTAL OPENINGS PER WEEK AVERAGE 334; PER DAY, 48.

THE REFRIGERATOR SECTION IS USED 278 TIMES PER WEEK, WHILE FREEZER SECTIONS ARE USED 56 TIMES WEEKLY.

**HERE And THERE**

by GLADYS JENNINGS HI 5-3188  
Mr. and Mrs. Don Bates made a trip to Las Vegas returning through Los Angeles where they visited Don's brother, Robert Bates and family.

Mrs. Harold Johnson (Connie) is home from the hospital and making a fast recovery from operation.

A few members of VFW Post 5233 and Auxiliary spent Friday, May 26th, Poppy Day, in San Diego selling poppies... from the auxiliary were Dorothy Ramsey, Janet Radford, Elizabeth Wyremen, and from the post were Ed Nixon and Clarence Whitfield.

Mr. and Mrs. John Bates of Highway 80 have returned from vacation reporting a wonderful time-went as far north as Medford, Oregon.

Mrs. Phil Hall (Dorothy) has left for Chapel Hills, North Carolina, to visit daughter and son-in-law, Mr. and Mrs. Paul Guiles and their daughter. Paul is graduating from the University of North Carolina Medical School. Dorothy will stay to help the family move to New York.

June Grant of Tavern Road is reported improving at the Navy Hospital where she has been for three weeks.

Frank McDermott and family are moving to Oak Grove. Frank who is assistant fire control officer at Descanso has spent 15 years in forestry in this district.

**WOMAN'S CLUB ELECTS**

May 23rd the Alpine Woman's Club held their annual election of officers re-electing as president Mrs. Mace Bratt. Other officers elected were first vice-president, Mrs. Harold Johnson; second vice-president, Mrs. L. E. Peterson; third vice-president, Mrs. Wm. San Soucie; recording secretary, Mrs. Daniel Westfall; corresponding secretary, Mrs. R. M. Hollett, and treasurer, Mrs. H. H. Latham.

P. 3, ALPINE ECHO, June 1, 1961

**SEARCH OF MINING ACTIVITY**  
Forest Supervisor Stanley R. Stevenson of the Cleveland National Forest announces that a Determination of Surface Rights project will begin about June 1st upon national forest lands in the Riverside and San Diego Counties.

The project area will be carried out on all three Districts of the Forest--Descanso, Palomar, and Trabuco, except for a portion in the Northeast corner of the Descanso District which was done in 1958 and 1959. The Surface Rights project will be conducted according to the provisions of section 5 of the Act of July 23, 1955 (69 Stat. 367). This Act, commonly known as Public Law 176, the Multiple-Use Mining Law, amends the Act of July 31, 1947 (61 Stat. 681) and the mining laws to provide for multiple-use of the surface of the same tracts of public lands, provided such use does not endanger or materially interfere with prospecting, mining, processing operations or uses reasonably incident thereto.

Section 5 of the Act provides the Government with a procedure by which abandoned, inactive, invalid and unidentifiable claims located prior to the Act may be brought under the category of a claim located subsequent to the Act. The Surface Rights project is a part of this procedure. Forest Service personnel will visually examine the public land within the Forest boundary in a reasonable effort to determine the persons in actual possession of or engaged in the working of such land or any part thereof. The field search will be completed in about six months.

Upon completion of the field work and office processing, the Land Office, at the request of the Forest Service, will publish a formal public notice regarding the determination of surface rights

**SEWING CLASS CELEBRATES**

A spring term of accomplishment in fashion dressmaking is being celebrated today (Thursday) by the Mary Ward Tyler's sewing class with a potluck luncheon at the Alpine Woman's Club, 12 noon.

The ladies are wearing their own creations and will enjoy the satisfaction of complimenting each other on their fine work.

The class has been meeting in the Club House on Thursday since Jan. 26 as a part of the Grossmont Adult School program, John W. Davis, director. Guests are coming from the Grossmont District Administration School office.

The class will be resumed Sept. 11, meeting from 9 a.m. to 12 noon on Mondays and Thursdays at the Alpine Woman's Club with Mrs. Tyler as instructor.

**CLEAN UP JOB DONE**

The Alpine Tri-Hi-Y girls did a good deed with their recent clean up job at the Alpine Woman's Club. Good workers.

on mining claims in Riverside and San Diego Counties lying within the Cleveland National Forest. The publication will appear in a local newspaper for nine consecutive weeks.

In addition, through the Forest Service, persons in actual possession of or working a claim, or whose claims are listed in the tract indexes of the local county as affecting any lands described in the published notice, and whose names and addresses have been ascertained, or who have filed in the local county recording office a request for copies of notice will also receive notice by personal service or certified mail

Copies of a Multiple-Use Mining pamphlet and other information pertaining to the Act and the project may be obtained from the Forest Supervisor's office at San Diego or at any of the three district ranger offices, at Santa Ana, Escondido, and Descanso.

## Alpine Youth News

by CAROL WILCOX-HI 5-2353

Flappers, sacks and zootsuits hooped it Friday night at the Roaring 20's dance held on May 26 in Foster Gym. The dance was sponsored by the freshman class. The Serviellas provided the entertainment. A real Charleston proved very interesting.

On May 10 science clubs from five area high schools met to receive certificates and chemistry-physcis handbooks from Jack Croft of Convair Astronautics. Those from El Capitan were Charles Fisher, chemistry; Davic Frank, biology; Henry Herms, physics; Virginia Cobaugh, math; and Bob Frochlich, science.

There'll be some changes made at old El Cap next year! There will be 500 more students and 24 new teachers. They will bring the total enrollment to 2100 students and 67 teachers, according to Mrs. Batchelder, secretary to the principal. El Cap will again be headed by Russell Savage. Lawrence Woodward will be second in command. John Barrons will be senior counselor; and Dorothy Pascoe, freshman counselor. Berry Shipman will re-Mr. Gerstler as A. S. B. advisor.

On Wednesday, June 13, seniors and annual staff members will receive their 1961 "Ahora Y Siempre" yearbook. The annual will be passed out to underclassmen on June 14 and 15.

With graduation only two weeks away announcements have been bearers, valedictorian and salutatorian. Valedictorian this year is Carin Hinkle, daughter of Mr. and Mrs. Al Hinkle of Tavern Road. Salutatorian is Karen Lee. The junior archbearers are chosen by grades. Those chosen for the honor arch are Judy Anderson, Leone Dyer (Alpine,) Vickie Schneider, Norman Strandlund, Al Hinkle (Alpine,) Virginia Leland, Geor-

### BARON LONG NEWS

On the 21st of May we honored our Blessed Mother with a procession and dinner. Girls of all ages participated in this event. The older girls carried the Blessed Mother while the little ones, dressed in pastel colors threw rose petals along the roadside. The Blessed Mother is carried under paper flowered arches to the church where she is then crowned by our queen. All the beautiful paper roses decorating the arches were made by our Indian ladies.

This past Sunday our soft ball team played a game with Alpine. Marvin Chenowyth pitched a good game, while Stan Muma scored their only run. The final score was 12-1. Our next game will be with the Air Force from Mt. Laguna here.

gia Daniel, Richard Gray, Barry Carr, Judy Riker, Sam Edgar, Mary Willis, Joyce Dawsey (Alpine,) Robert Froehlich, Bob Van Buren, Chris Morrissey, Mark Leavell, Thomas Isom, Jerry Maxwell, George Winteer, John Mueller, Kathy Mattox, Florence Barton, Rita Holdgrafer, Turner Harness, Judy Johnson, Pam Cady (former Alpiner,) and Mike Huniston.

Saturday night all of the "Young at Heart" seniors attended the senior prom held at the Hotel del Coronado. They danced from eight to twelve to the music of Buster Carlson and his band. The after-prom was held at University Lanes. At the after-prom there was bowling, dancing, pool and breakfast. Each person received two free games of bowling. Dancing was held in the Red Coat Inn with the Don Jack Trio furnishing the music, Sunday many seniors were still ready for more fun. Some went to Disneyland; some to the beach; and the sensible ones went to bed to recuperate.

### HOW SILLY CAN YOU GET?

Every place in the world where one finds communism men live under the most rigid police state; exist in fear of the most ruthless dictatorship; yet, the communists always say this is only a temporary condition, a condition that must exist until its task is done when it will wither away and be replaced by a real democracy.

Of course, this is neither good history nor good thinking. Human beings are the same everywhere and there are always those who lust for power over their fellowmen. Once the gates to dictatorship are open there are always those who will find excuses to wield the power even though it means death, misery and bloodshed for others. Democracy is won slowly one step at a time as groups of harassed men battle for liberty.

The communists have always neglected some of the most important facts about human society and the lessons of history. Because the church in Eastern Europe had been used to maintain social discipline it was assumed to be part of a conspiracy to bind the people to industrial serfdom.

The fact is that man without moral and religious teaching is a selfish animal devoted to securing his personal well-being by the ruthless use of strength and cunning.

For men to live together these selfish beings must be disciplined either by force or by persuasion. It has always been the duty of the state to exercise the necessary force to restrain the excesses of man's selfishness and it has always been the privilege of religion to persuade men to constructive behavior.

All history indicates that only men of strong moral persuasion have the self discipline necessary to maintain a state without the coercion of a dictator.

Rev. Edgar S. Welty

### BE A SOIL-WISE GARDENER

The sooner a gardener comes to terms with his soil, the greener will be his garden. For if there is one secret to that proverbial green thumb, we'd like to submit that it lies underground.

A few gardeners seem to realize this instinctively, but most of us learn the hard way. We watch a neighbor's garden flourish and wonder why ours comes to naught despite the fact that we planted the same thing from the same flat at the same time. Most gardeners use about half the fertilizer they should use.

The obvious answer is lack of food, but just adding fertilizer doesn't always work. The problem is more basic than that, and it lies in the condition of the soil. Perhaps the soil is too compact to make food readily available. Or perhaps it's too sandy and loose and what food we add is hurriedly leached out. The answer to either problem is spelled H-U-M-U-S.

Proper humus content makes all the difference in soil condition. Humus loosens compacted clay soils, improves drainage and makes water or food available. Conversely, it bulks up sandy soils and enables them to hold moisture and food long enough for the plant to take them up.

Humus is organic matter that is slowly breaking down. You can make it by composting leaves, grass clippings and other vegetable refuse. Better yet, you can get it in the form of animal manures, leaf mold, cottonseed meal

### Gardener's Checklist

1. Set out a final planting of dahlias for bloom in fall. Stake them at planting time.
2. Lawns under trees need more than the normal amount of food since the tree takes so many nutrients from the soil for itself.
3. Lift dallodils and other spring-blooming bulbs only after the tops have died down. It shouldn't be long now.
4. Mulch with a two-inch layer of moist peat moss around came- and other preparations from a local California Association of Nurserymen member. If we had to choose only one, we'd probably take peat moss, but all have their place and the soil-wise gardener will learn where and when to use them.

With severely compacted soils, one or another of the commercial soil conditioners will give you a head start, but don't rely entirely on them alone. Use them in conjunction with humus building materials for best results. The combination can do wonders even on the poorest of poor soils.

P. 5, ALPINE ECHO, June 1, 1961  
 lias and the shrubs will weather the summer in much better shape.  
 5. Hanging fuchias potted up now and fed generously will be cascading myriads of bloom by mid-summer.

**CORPUS CHRISTI FIESTA**  
Pala, California---Reservation Indians, living in the shadow of California's majestic Mount Palomar, will gather at their Mission here Sunday, June 4, for the Catholic feast of Corpus Christi.

The festive day will begin with a religious celebration followed by an all-day fiesta held on the Mission grounds at Pala. The Corpus Christi celebration has been an annual event since the Mission was established in 1816.

It is one of the most solemn and romantic events in tradition-rich California. It attracts thousands of visitors because its uniqueness is so typical of the early Southern California fiestas.

"Corpus Christi" is a religious feast celebrated every year in the Catholic Church to commemorate God's love for man in the Sacrament of Holy Eucharist. It falls on the Thursday following Trinity Sunday, 60 days after Easter, and therefore changes every year, depending on the date on which Easter falls. In Pala the external solemnity is celebrated the following Sunday, as it is all over the United States. Usually, it is combined with the feast of St. Anthony, Patron Saint of the Mission, because these dates are very close.

In the past this fiesta lasted about two weeks. Since the necessities of modern life do not allow for such long feasting, it now lasts but one day. Many of the customs of the fiesta originated in Spain, where they still flourish.

As the date of the celebration draws near, the fiesta becomes a state of soul -- a state of joyous expectation -- to the Indians. The weight of the tradition bears heavily in all their actions, which show so much of the faith and traditions inherited from their Christianized forefathers.

For days before the fiesta, the Indians clean and decorate the streets and houses of the village. With carefree laughter and happiness they adorn the altars and erect the little shrines along the route of the procession.

As the bells peal their festive invitation and the echoes reverberate up and down the valley and into the hills, the faithful Indians gather around the belltower for the Solemn High Mass.

The procession that follows is the climax of the religious celebration. Indians on horseback proudly lead the procession. They are followed by representatives from each reservation carrying the banner of the Patron Saints of the various Chapels in the outlying villages.

Little girls dressed in white scatter flowers in the path of the procession. The Altar Boys in red and white vestments carry ceremonial torches. The Indian choir sings the old traditional Spanish hymns while the other Indians, young and old, show their faith with prayers--all these, and even the camera-laden tourists, add a color to this ancient and solemn procession.

The priest carries the Blessed Sacrament. He stops before the three decorated altars, erected at different locations in the village. Solemnly he imparts the Benediction. After each Benediction a warning shot is fired from a pistol by the Indian on foot leading the

P. 7, ALPINE ECHO, June 1, 1961 procession, and the shot is answered by the rapid ringing of the Mission bells. This noisy salute not only thrills the Indian children but startles the curious tourists.

The procession reaches its climax in the Mission Chapel, where a last Benediction is imparted to the people.

After the religious celebration, Indians and visitors alike assemble in the park in front of the Mission. Here under the shade of the old pepper trees they enjoy an early-California pit-barbecue to the tune of Mexican music and primitive Indian dances. This is a day for singing, dancing and visiting with friends, from far-away reservations, who may see one another only on such occasions.

**POLIO CLINIC AT EL CAPITAN**  
There will be another polio clinic at El Capitan on Monday evening, June 5, from 6:30-8:30 p.m. in the band room. This is your opportunity to have your entire family 'shot' for only \$1. each. Remember, the life you save may be your own.

**FOR MEMBERS & GUESTS ONLY**  
The VFW Club Room as of June 9th will be closed to the public and open to members and guests only. The new manager will be Bert Fuller.

## CANYON NEWS

by LUCY McCONNELL-HI 5-3118

Things are really booming in the Canyon. Especially the Scout organization, be it Cub, Boy or Explorer. I, personally, would appreciate having a lot of other things in addition to write about. Why not get your name in the paper? All it takes is a phone call to do it. Whatever is taking place between more than one family is NEWS. Don't put it off for tomorrow what should be done today. Is it your church, school, social or business. Let everyone know about it. Ours is a community of which we can be proud. The only way others can know is to get things out in the public eye. What better medium is there than the newspaper? A good news item is only as good as a published fact or notice, as the case may be. Mr. Welty has been kind enough to give us the privilege of space, as much as we need. The rest is up to you, the people who live in the Canyon vicinity. Is someone ill, getting married, had a wee one, been on a trip, in the hospital? Let's show everyone that we are on the map. Call HI 5-3118 between 9 a.m. and 2 p.m. and give out with the latest. You might even try after 5 p.m. and be lucky. No promises though.

To get back to the Scouts! The Scout Auxiliary met Tuesday evening at the home of Mrs. John McCoy to elect officers for the joint venture and to plan money-raising means to finance the many events planned for the boys.

The new officers of the auxiliary are: chairman, Jennie McCoy; secretary, Elizabeth Huff; and treasurer, Joye Gaiuor. We should all try to give them all the cooperation we can.

A potluck dinner is slated for June 6 at 6 p.m. for all the boys and their parents. This is to help us all get acquainted as we don't

all know each other. Sure hope we have a full table and plenty to help eat it.

A car wash at Rorie's Flying A Station in Alpine was sponsored by the local Explorer Troup. Many hands make light work and more money.

Don't forget the Scout Fair, June 3rd, Aztec Bowl, San Diego State. It will open at 12 noon and run until 10 p.m. There will be two stage shows at 2:30 and 7:30 p.m. One of the many specialties will be mountain climbing on a 24-foot mountain. Let's show our boys we are interested in what they are doing. See you at the Fair.

Mrs. Albert Gobel's mother, Mrs. L. R. Cantrella of Tacoma, Washington, is ill with pernicious anemia and an enlarged heart. We hope she will soon be feeling better.

Mr. and Mrs. Arthur Humerick-house of 150 Mildred Way are the proud parents of a baby girl, Patricia Jean, born May 16th in El Cajon Valley Hospital. Congratulations to both of you.

Mr. and Mrs. Willard Cochran of 209 Francis Drive went deep sea fishing Saturday. Anyone for a nice seafood dinner.

Keith and Dana, sons of Mr. and Mrs. Claude Vineyard, are home from Helix Hospital where they underwent tonsillectomies last Saturday morning.

Better watch TV this week. Channel 10 will be showing some shots of our men as they work on our mountain antenna. Who says we can't be good news in the Canyon?

This Saturday is the meeting of the Cooties and Cootiettes. Better attend to get in the know.

The teenage club is planning a dance to be held June 24th. So far, this is all I know, except that they are hoping for lots of representation from the surrounding communities.

P. 9, ALPINE ECHO, June 1, 1961  
**LONG TIME RESIDENT DIES**

Virginia Marie Reed died May 21st at a local hospital. Born August 29, 1926 (34 years old) she lived at 1344 Willson Road, El Cajon. She is survived by her husband, Jack L.; 3 sons, Lanny, 17, Brian, 8; Garry 7; and two daughters, Diane, 14; and Karen, 10; parents, Harry V. Davis and Mrs. Nellie Ryan; three brothers, Keith Ryan, Galen and Roy E. Davis; and one sister, Mrs. Alice Craft.

Mrs. Reed had lived in the East County area for the past thirty-one years, attended Descanso Grammar School and Mt. Empire Union High School. She was active in the Dehesa Church of Christ, an activities leader in the Dehesa Valley 4-H Club and president of the Mothers Club, Dehesa School.

Funeral services were held at Paris Chapel last Friday with Mr. Bert Hasbrouch of Dehesa Church of Christ officiating. Interment was at Ellis Cemetery, Descanso.

**The chief support of an autocracy is a standing army. The chief support of a democracy is an educated people.**

LOTUS D. CAUFFMAN

Paul Doering was home last weekend from Oceanside Junior College. Nice to see you, Paul. Mom and Dad enjoy it too.

Mr. and Mrs. Bill Dessert and their two sons are spending three days in Yuma, Arizona. Betty and Bill have a good share in making the Scouting program what it is today. Have fun, kids.

The rummage sale held at the Community Hall Saturday under the sponsorship of the Cub Scouts was a great success. The ones who donated the most, took home more than they gave. Is that any way to get your closets cleaned out?

## CAMPO NEWS

by FAY FARRIS -GR 8-5396

The four month old son of Susan and Joe Irish passed away Monday May 22. Mrs. Irish is the daughter of Ann and Hank Jesters. Our deepest sympathy is extended to them.

Mrs. J.W. (Mollie) Cozby of Lake Morena tripped on the hem of her skirt and broke her hip Sunday, May 21. She was getting out of their car at church when the accident happened. She was taken to Grossmont Hospital by Wm. Wordley and was operated on that afternoon. A metal socket was placed in the hip and she was to be home in ten days.

The Mt. Whirlers held its regular dance on Sunday, May 2p, at the Campo Club House with Fred Geiser calling. The dances are the first and third Sundays from 3:30 to 6:00 p. m.

The board members of the Mt. Empire Republican Women, Federated met at the home of Fay Farris in Lake Morena Monday, May 22, and plans were completed for the card party to be held at the home of Mary Griswold in Pine Valley at 1 p. m. on Thursday, June 1. Members should bring guests as this is a fund-raising affair--donation 50¢.

Friday evening, May 26, the Campo Elementary PTA Minstrel Show was held in the Mt. Empire High School Auditorium, Cy Cyman was interlocutor and the end men were Paul Andrews, Harry Christensen, Dick O'Day and Jim Pfeiffer. The high school glee club (with black faces and appropriate dress) formed the background on the stage. They were sitting in a long row on a raised platform, and swayed back and forth with all the musical numbers. Solos were sung by Ann Jeeters, Al Acerno, Connie Oliver and Beverly McClendon. Bee Boyd and Bill Wordley performed in a skit which included a round dance known as "Shortcake."

P 10, ALPINE ECHO, June 1, 1961  
**GAMMAS PLAN FASHION SHOW**  
 The Gamma Gammas are having a Fashion Show July 15th 7-12 p. m. at Shadyrock pool. Tickets are now on sale from any Gamma Gamma member. Proceeds to go Sunbeam Mental Retarded School in El Cajon.

**Dental Health of San Diego County children is greatly aided by the PTA's reduced-rate advance ticket sale now, under way for the Southern California Exposition and San Diego County Fair at Del Mar June 30 through July 9. A percentage of the bargain-price tickets go to the PTA's dental health program.**

Donna Biddle, Gene Cyman, Mrs. Dawson and Mrs. Hickerson dressed as men did two vocal numbers in pantomime. Chuck Yankee was the popcorn vendor. The glee club, directed by the high school music teacher Bert Robertson, sang several numbers. Gail Wylly was the piano accompanist and Chuck Keppel played the banjo. Dexter Biddle and Kay Kemp directed the show. Betty LeMaire helped in the dressing room and assisted the pianist. A fine crowd turned out, and everyone should be commended for his part in the production.

The Mt. Empire Woman's Club met at the home of Hester Newton in Descanso on Wednesday, May 24, and 27 members and friends were present. A delicious luncheon of chicken salad, spiced peaches, hot rolls, strawberry preserves and coffee was served in the lovely hillside garden patio. The next meeting will be at the home of Meave Sharman, which is also in Descanso.

Mrs. Margaret Brown was taken to the hospital a week ago with kidney trouble. She is reported doing well and is expected back some time this week.

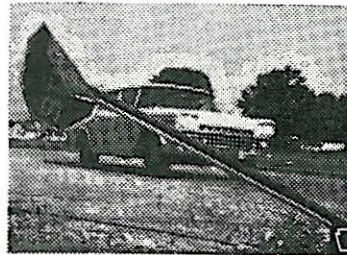

**35 YEAR BOY SCOUT AWARD**  
 Wallace Kent, of Victoria Drive, Alpine, principal of Harbison Canyon School, received an award Wednesday evening for thirty-five years service with the Boy Scout program. He was presented the Veteran's Award at the Grossmont District recognition dinner. He is the present institutional representative for the Alpine Kiwanis Club which sponsors B. S. Troop 105.

Ken Jerney, past Cub Master of Alpine Pack 350, received his Scouter's Key. Betty Welty and Ann Kochel of the pack received their den mother awards. Former Alpiners Charles Bradley received his Scouter's key and also his commissioner's arrowhead. Another former Alpiners, Harry Whiting, received his Scouter's award.

Bill Dessert, Cub Master of the Harbison Canyon pack, was introduced as heading the organization and extension committee for the Grossmont District and Mr. Kent was introduced as advancement chairman for the committee.

All the ills of democracy can be cured by more democracy. ALFRED E. SMITH

### A National Problem

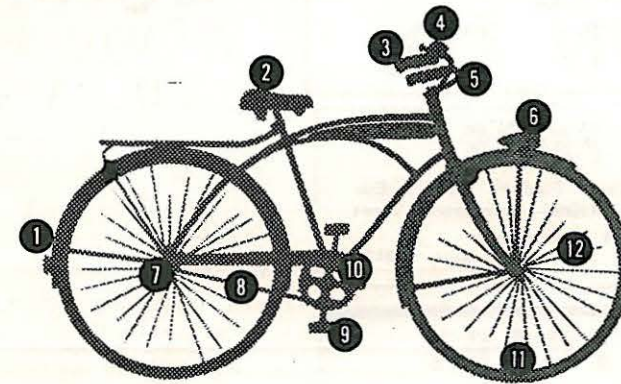

Victim of a traffic accident it was designed to prevent, this twisted stop sign is symbolic of many throughout the country whose usefulness has been destroyed by accidents, vandalism or lack of maintenance. The problem has caused many state highway authorities to review sign systems and replace outmoded signs with larger, easier-to-read ones.

Reflective materials that make signs easy to see at night, larger faces and better location of signs are among the improvements being used to make motoring safer and easier.

## BEFORE VACATION CHECK THAT BIKE

- ① REFLECTOR · Must be visible for 300 feet
- ② SADDLE · Adjust to body height. Tighten all nuts
- ③ HANDLE GRIPS · Replace when worn. Cement tightly
- ④ WARNING DEVICE · Check for proper operation
- ⑤ HANDLE BARS · Adjust, tighten. Stem deep in fork
- ⑥ LIGHTS · Must be visible for 500 feet

- ⑦ COASTER BRAKE · Have it checked and adjusted often
- ⑧ CHAIN · Keep snug, clean and lubricate
- ⑨ PEDALS · Lubricate and replace worn treads
- ⑩ CRANK HANGER · Clean, lubricate, adjust if wobbly
- ⑪ TIRES · Check frequently for pressure, alignment
- ⑫ SPOKES · Replace broken ones promptly

I knew that good, like bad, becomes a routine, that the temporary tends to endure, that what is external permeates to the inside, and that the mask, given time, comes to be the face itself. Since hatred, stupidity and delirium have lasting effects, I saw no reason why good will, clarity of mind and just practice would not have their effects too. YOURCENAR
