TREES RUINING NEW SEWER

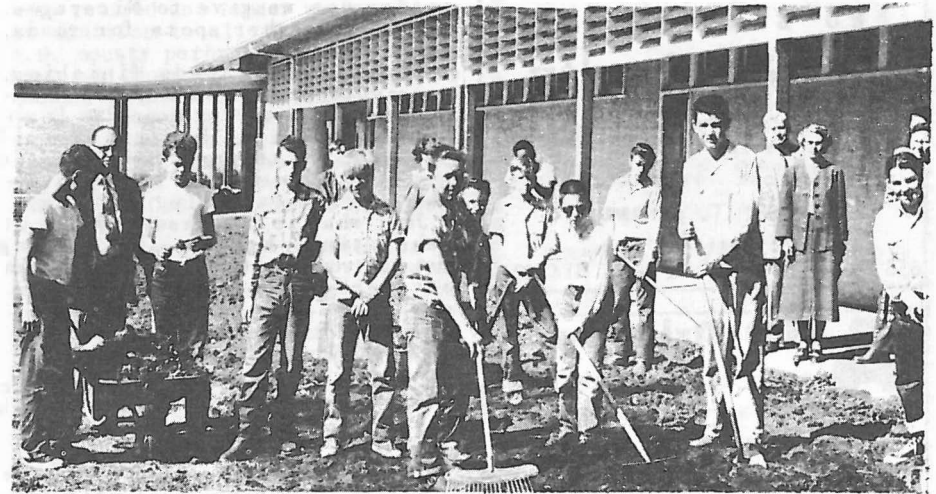

Although the new \$120,000. sewer system is not even in full operation, the beautiful eucalyptus trees along hiway 80 have damaged the main line and laterals. Presently two users are having to pay costly charges to repair damage by roots.

Note- This poses a civic problem. We want trees, but perhaps Alpine should cut down the gums, plant others with less root foraging propensities. The eucalyptus is noted for its far-reaching search for moisture. While on the topic of arboreal beautification, why not let every property owner plant

THREE ALPINERS IN HOSPITAL

Two men are on the critical list and another is recovering from surgery in hospitals this week.

Al 'Dutch' Anderson, who has a pioneer ranch above the willows, is in naval hospital with a recurrence of a lung ailment, is on the critical list but improving. Cecil Lewinson 2358 Tavern Road, was taken to Grossmont Monday morning by Martin ambulance after suffering a heart attack, was reported improving at press time.

LETHBRIDGES BUY NEW HOME

Mr. and Mrs. Wm. S. Lethbridge will be moving soon to their new stone home which they bought from Mr. and Mrs. R.H. Warren.

For many months Mrs. Warren was hoping to come and live in her home, but the extended illness of her husband in El Centro finally made the sale of the property advisable. The deal was arranged by the Alpine Realty Co.

Editorial

WHAT PRICE FRIENDSHIP?

The U. S. is making friends fast-- the wrong way!
 We are sending millions of tax dollars around the world in an effort to make friends. These millions are disbursed without the consent of the people, those who are taxed.

We are making enemies abroad and making enemies at home because you hear grumbling about greater budgets and higher taxes.

The other day a few millions were handed out to Ceylon. Isn't it funny that the federal government hands Alpine a paltry \$22,050. dollars for two new classrooms when we need five more. Schools everywhere are forced to go on double sessions while we send millions abroad. And in Washington they yak-yak about raising gas or other taxes to build roads, yet we give to Nicaragua, Europe and other spots for roads, dams, etc.

Viejias Grade needs finishing, straightening, widening, but now we must send our tax money to Uncle Sam to spend as he darned well pleases. In the meantime, we see the wrecks towed down from Viejas-- two men nearly killed Saturday!

Just what is the answer? Well, it takes time, but time is running out. If you don't believe me, sit in any barber shop with your ears open. - C.I.

YC HONORS MRS. DOERR

Directors voted an honorary life membership in the Alpine Youth Center for Mrs. Frank Doerr who served five years as president, worked enthusiastically to get the building completed. Phil Hall followed her as head of the group. She was also presented a silver plaque. Other honorary life members are Alex Clitsome, Al and Eugenia Kay, Ida Laughlin and Clarke Irvine who all worked on organization and first years of the Youth Center.

HOME SHOW READY TO OPEN

Pomp and ceremony will reign when the 8th annual San Diego Home Show opens its doors at 1 p.m. Saturday March 24, for a nine day run in the Electric Building, Balboa Park.

City and county officials attending the event include Mayor C.C. Dail; David W. Bird, chairman Board of Supervisors; Chamber of Commerce president and manager, George Sears and John Borchers, respectively; junior Chamber prexy, Laurie Flood, and Joseph E. Dryer, founder of the Heaven on earth Club and S.D. County Industries.

Attention is being called to the fact that the show does not open until 5 o'clock on weekdays, Monday through Friday. On Saturday and Sunday, both weekends, the doors are open from 1 to 11 p.m. Early arrival is advised in order to avoid peak crowds and parking problems.

SERVICE MEN LIKE COUNTY

Alpine has its Navy Hill where many retired and former sailors live, in addition to all this community. S.D. county perhaps has more former navy men than any other part of the country because of its fine climate. This is shown by the fact that the county assessor's office recently reported that it had passed the 50,000 mark on veteran exemption returns, 4,000 new ones being added this year!

Note- The ex-navy population of Alpine is a fine lot of fellows, steady going, industrious men who served their country in WW1 and 2; and between times. Most own their own homes, take interest in civic affairs, and are a splendid part of Alpine. I think the community should honor this crew sometime with a barbecue and dance or something nice, or maybe the fellows should hold a party of their own! I'll put in my own navy vote for it! -CI

TICKETS HERE ON ANGLE PARK
Due to the continual haphazard parking condition in Alpine's business district, the Highway patrol plans to give citations, the Alpine Council has been informed. The law calls for parallel parking, whereas here everyone parks straight in and at angles. Many times motorists get blocked in when two or three cars park around them.
Note- Several times the Sun has called attention to this trouble, suggested that the highway officials come out here and work with property owners to get curbs, or at least lines, so drivers will not park on walkways; also to get proper signs up and try to make it convenient for shoppers.
Another menace is speed, as drivers go through the 35-mile zone at 40 to 50 mph every hour of every day. One highway patrolman on duty cannot be expected to police our business district. Something should be done about it. Perhaps some of Alpine's numerous organizations might cooperate on a unified drive for this. CI.

10TH YEAR FOR CONCERTS
The kick-off dinner and program for Grossmont Community Concert Association which presents bigtime musical entertainment each winter, was held Monday night in La Mesa. President Wm. H. Hill cut the birthday cake and a string quartet made sweet music. Mrs. M.H. Huey, retired Alpine teacher, was introduced as area chairman. Many from here attend the wonderful concerts at Grossmont.

NEW CLASSROOMS TO START

Supt. Frank S. Brown of the school district here reports that the two new classrooms which are to be built with a federal grant of \$22,050, will get underway in the near future. Plans are now on the drawing board of Sam Hammill, S.D. architect who executed those for the new school buildings.

'These new rooms, with bare walls, are about 30 x 30 and should be ready by Christmas' Brown told the Sun yesterday. They are to go up adjoining the two rooms on the north, with a connecting portico.

When asked if this would preclude double sessions he said 'No, we will be just holding our own', as enrollment is steadily increasing. The new rooms will require two teachers and accommodate 70 students.

TEEN TIMES

BY LAVERNE CHYNOWETH

I believe all Alpine would like to join me in wishing Miriam Wilson and Johnny Bates the best of luck in their coming marriage. I only hope I can carry on the terrific job that Miriam has done as your teen reporter.

Miriam was surprised with a wedding shower recently and some attending were Sharon Ingles and Sherrie Knox. It was given by her maid-of-honor, Janice Sunbery at her home in Casa De Oro. Mrs. Don Bates, John's mother, and Mrs. Wilson, Miriam's mother, also attended.

The teenage club, 'The Teeners', are getting under way in the capable hands of Jackie Mosier. The meetings are from 7 to 9 first and third Thursdays. Any youth ages 13-19 are invited.

The Earl's, a Hi-Y group from ECVH, presented 'A Little Bit of Stardust'. Many Alpiners were seen, including Jerry Lynn Porie, Alvin Cox, Bill and Ricky Lowery, Bill Kidder, Sharon Ingles, Hosmer McKoon, LaVerne Chynoweth, Buz Crosby and Eunice and Sonny Hamren.

Pilgrim Fellowship is playing hostess at the coffee hour for this month. They also are building a rock wall in front of the church.

Congratulations to Jackie Mosier for being chosen by the Alpine Youth Center to represent us as candidate for queen of the annual El Cajon Fair, put on by the E.C. Junior Chamber of Commerce.

Note- We are glad to welcome La Verne to our staff and hope you will help her bring in the news and perhaps a lively snapshot occasionally. And if your house does not receive the Sun regularly- why not send in a subscription?-Ed.

Since the death of her husband Harold, Mrs. Beatty has given up the house where they conducted the girl's ranch, has moved to Carlstrom Cottages, 2250 Hiway 80. Judy Crouch a niece, is making her home with her.

VITAMINS**YC PLANS QUEEN CANDIDATE**

For the first time the directors of Alpine Youth Center have decided to enter a queen for the coming E.C. Community Fair which draws thousands from all around the county. She is Jackie Mosier, 17, a senior at ECVHS and an officer of the Teeners Club. The queen gets \$500. in prizes and a fortnight's trip to Paris. Bud Smith, Alpine, of Security Bank, is chairman, (HI5-2548 or HI4-3115).

The colorful fair opens on Memorial Day, May 30, runs for 5 days, closing June 3, with games and attractions for the entire family. This is the fourth annual event, last year attracted 105,000, is sponsored by the E.C. Junior Chamber of Commerce.

6TH TALENT SHOW READY

The Alpine PTA presents the 6th annual talent show Friday evening March 23rd in the school auditorium. Supt Frank S. Brown, Dorothy Frenzel, Mineola McGee and Virginia Spires are working hard to make this affair the finest ever presented and they urge everyone to come. Piano accompanist is Mrs. Jerry Heinrich.

Poster contest winners will be announced the night of the show with judging taking place this morning. Admission 50¢ for adults, 10¢ for children.

STUDENTS CLEAR OVER \$400.

The magazine subscription sale conducted by Alpine school children totalled \$938, reports Supt. Frank S. Brown. This will net the board around \$400. to be applied on the debt it owes for grading, etc. in the storm. The money was not allowed although it was an emergency.

'It should take 6 to 8 weeks for the subscriptions to come through' says Brown, 'and if yours does not arrive by that time, please contact the school.'
