CREEPING PARALYSIS TAXES
 Last week S.D. supervisors voted 4-1 for the 1% countywide sales tax. It will be collected by the state, redistributed to cities and county. It starts Oct. 1. Cities have been getting the added 1¢ for some time while unincorporated areas paid 3¢. Thus county revenue will jump \$750,000. a year.

Supervisor Howell, Escondido, voted against it, saying it is unjust and inequitable. We believe that the sales tax, which keeps thousands employed and gives added work and trouble to every little businessman, is a vicious form of taxation. It is a gouge, especially on small purchases. You pay much more than 3 or 4% on small deals.

Most fountains and some restaurants give each patron a check, no matter who makes the purchase. Suppose you take two into a drugstore for a 15¢ drink. Each tab carries 1¢ tax, yet the sale is made to you, the one that makes the purchase. Thus on 45¢ you pay 3¢ tax and the store turns in only 2¢.

The overall picture on taxes is getting more distressing each year. We have more to pay, yet most do not earn more, and the cost of eating has crept skyward steadily.

County areas used to advertise climate, lower taxes and other inducements, but today that is all passing with more smog and taxes. -CI

JAPATUL BOY SHOOTSELF

On the critical list at Grossmont Hospital is Jimmy Presley, 14, son of Mr. and Mrs. Jess Presley, Japatul Road, who accidentally shot himself in the abdomen with a 32 pistol Friday morning while watching TV at their home.

The Presleys were in S.D. on their egg route and could not be reached. The lad had the alertness to phone their next door neighbor Joe Markes who rushed him to Alpine for first aid at Dr. Woodall's, thence to Grossmont at 1 p.m. By 4 p.m. he was under surgery. The parents were finally contacted and have been with the boy most of the time.

Mrs. Presley told the Sun Monday that the gun was the father's, reposed in a top drawer of a chest and the boy had been warned about touching it, as he had his own small calibres which he knew how to handle.

Note- Guns at their best are lethal weapons, designed for killing or wounding some living creature. They are not to be played with. It is hard to tell a youngster to keep hands off of almost anything, leastwise a gun. Loaded revolvers are dangerous; but an unloaded one is almost useless.

Little men get carried away by TV shows, want to twirl, shoot and ride like the cowboys. Perhaps a death or two, or accidental shootings are the penalty we must pay for such entertainment. Little minds are open to react accordingly.

At presstime the hospital reports the lad is doing very well on his way to recovery.

CHURCH SOCIAL TONIGHT

Starting at 6:30 this evening the little Chapel in the Hills, Descanso, is holding a box social under the oak trees with Al Richardson auctioneer. The affair is under leadership of Mrs. E. Howell.

School Secretary Dolores Laughead and family are back from a nice two week's vacation, driving to San Francisco and Monterey.

NEW SCHOOL HEAD BUSY MAN

David B. Everett took over duties of superintendent at Alpine School last week and is getting ready for opening on Tuesday the 11th when a record enrollment is expected.

Everett is not only a seasoned educator, but an experienced businessman and army officer with training in personnel and management. And, he is a man of family, with his wife Edna, and a daughter, Diane, 12, and Steven, 4. He is now residing at Foster's Cottages, but will commute to his Reseda home over week-ends till they can move here.

He was graduated from Sturgis (S. Dak.) high school in 1934, went two years to nearby Yankton college, then into business as owner-manager of a laundry, then entered the army, made lieutenant, and was given executive duties. After the war he was graduated from UCLA, then attended USC, holds many teaching credentials, has an AB.

In teaching, he had the 6th grade at Hawthorne, the 3rd at Arlington, two years at L.A. with 4th and 5th.

The family belongs to the St. Andrews Lutheran church, Van Nuys, near their Reseda home. There Diane won the American Legion award, one boy and one girl of 1600 children, at Shirley Avenue School, as the best student and best all-around in leadership and cooperation. Little Steven is a swimmer and at three swam the length of a 50 foot pool at the DAV club, Birmingham Hospital.

Everett told the Sun 'I'm very happy over this assignment and know we shall like it here. This is a place that grows on me every hour, and I've met some mighty fine folks here already'.

JUNIOR BALLERS SAY THANKS

For the fine help and finances the Alpine Junior Baseball Club asks the Sun to thank everyone, says Wayne Connor, publicity chairman. The final game was Sunday.

The closing play was a double-header win for Alpine. In the first game they snagged Santee 10 to 3 at Santee, with Geo. Snyder on the mound, Al Hinkle, jr., making a homer. Second bout downed Barona 13 to 1 with Neil McClellan pitching. By copping four straight, Alpiners won the tourney and felt pretty good about it for their first season.

FULLER'S NEW GRANDCHILD

For the 2nd time Don and Marie Fuller are grandparents. Don, jr. and wife Susan (Wendel Smith), are the happy parents of a fine 8 pound 3/4 oz. boy born Sunday, Sept. 2, at 5:20 a.m. in Grossmont Hospital. They live in Bostonia. The boy's name is Daniel. Their first child, a girl, is Ellen.

GRASS FIRE SUNDAY A.M.

Alpine firemen quickly controlled a grass fire on Flo Lane Sunday noon back of Dr. Bornowski's. It was approaching the brush when they arrived. Had it gone on it could have swept into the heart of Alpine and might have been a mean one. Evidence showed that it had been set.

SCOUTS HAVE LIVELY SEASON

Boys of Troop #105 have been active all summer. At their last meeting a Court of Honor was held, with several boys receiving awards. Charles Bradley received his pioneering and Reading Merit Badges. Jay Kenny was awarded the Pioneering and Swimming Merit Badges. First Class rank was received by Roger Rorie. Mike Eggleston, Jimmy Hinds, Bobby Keith, Larry Chynoweth, Jimmy Vasquez and James Coates were awarded second class rank and Tenderfoot rank went to Jeremy Standen and Tommy Coates. All these boys who received awards were surprised and pleased with a special gift of a pocket knife presented by Jim Rorie.

Seven boys enjoyed all the fun and work of a long term summer camp. Jay Kenny, Charles Bradley, Jim Vasquez, Bobby Keith, Jim Hinds, Roger Rorie and Mike Eggleston spent a week at Camp Hual-Cu-Cuish, Cuyamaca State Park, at the beginning of summer. This is a wonderful and unforgettable experience for the boys and leader Charles Bradley.

A few weeks later not only boys but some fathers went on an overnight camping trip at Paso Pichacho, Cuyamaca State Park. These were the rugged fathers; Mersers Bradley, Kenny, Keith, Hinds, Rorie, Coates and Mueller.

Most recent event was a district swim meet held last Thursday evening at Gillespie Pool. Several Alpiners participated. This district event as well as many others held during the year give the boys the experience of meeting scouts from other towns and in extending friendships.

CAFE FOLK HERE 14 YEARS

Mart and Jackie Hazell who recently reopened the Alpine Cafe, 2225 Hiway 80, have lived in the area since 1942 and have made their home in big trailers, now live in a Shult on their property in Ruiz Canyon.

He worked on the first barrel of the S.D. aqueduct, also on the San Vicente dam and other big construction jobs as chief welder, foreman and superintendent. They found that many workers who formerly had to commute or find small housing near the jobs, now live in big luxury trailers.

They report the cafe business growing daily, Labor Day being a record for both food and refreshment, which includes Eastside on tap and soft drinks.

FINISHES SUMMER SESSION

Mrs. Dorothy S. Frenzel, Alpine teacher in 7th & 8th grades, is home from Whittier college and glad to be done commuting to Circle K Ranch every week-end. Husband Bob and daughters Dione and Vona are also glad.

The Raymon Barnes are happy over the recent arrival of a baby girl at La Mesa Hospital.

80 CHAMBER AT JACUMBA

Jack Schrade, GOP candidate for 80th Dist. assemblyman was main speaker at the Highway 80 Chamber of Commerce dinner at the coffee shop in Jacumba Hotel, when 23 enjoyed the session. Host, Dr. Henry LaZare who operates the place and is improving the many facilities of this once famed hot springs, showed the guests his numerous improvements including a little lake next to the apartment house which is being refurbished.

Schrade spoke on the proposed tunnel under the Lagunas, and other Hiway 80 progress. It was announced that 2000 postals had been printed for distribution to representatives at Washington, urging funds in the federal highway program be used for improving 80 from S.D. to El Paso. Many took cards to sign and forward. Don Walker, president, was in the chair.

OCEANSIDE RATIONS WATER

The Southland's acute shortage of moisture has caused an emergency rationing ordinance regulating hosing of lawns and shrubs at Ocean-side. Violation will mean a misdemeanor subject to court action.

Note- With the current critical water shortage in this area, it is unfortunate that no lawmaking body can impose a similar regulation to conserve the dwindling supplies in the ground at Alpine. More wells are having to be deepened every week and residents are really alarmed. Ed.

STEWARTS BACK FROM HAWAII

After a long tour of duty in the Islands, Capt. W.S. Stewart, U.S.N., is back on the mainland with his family. They own the ranch and home, 1600 So. Grade Road, spent a few days here looking after it, are now residing up north. Capt. Stewart recently achieved his captaincy from the grade of commander.

Fred 'Andy' Anderson the cement man is back from Grossmont Hospital where he had an operation for an infected throat gland, fortunately proved not to be serious.

MORE LAND IS SOLD HERE

Mr. and Mrs. Everell C. Moore are buying the attractive acreage of Mr. and Mrs. Dominic Criscenti on Louise Drive. This area east of town has been the most active in the building of new homes. The owners have solved the zoning problem by placing restrictions on all new homes. Consequently this section has a whole cluster of fine homes. Sale was arranged by the Alpine Realty Co.

The true test of the well-managed life is the ability to get things done.

GRAYSON STUDIOS' 2ND YEAR

Last season a solid foundation was laid by Grayson Studios of S.D., for continued instruction in music in this community. This year they enter their second season and prospects are bright.

Raymond Grayson, jr., in charge, at the Youth Center, has expressed thanks to Alpine music lovers. Private and semi-private lessons are offered. The band being formed has been delayed pending enough students to fill it, but this fall Grayson expects it to be complete.

Mr. and Mrs. R.O. Partridge and son Raymond with Mrs. Partridge's mother Mrs. Wm. R. Duffield spent a delightful three weeks vacation in Canada, Yosemite and San Francisco.

TALK ON LOWER EGG COSTS

At 8 p.m. Tuesday, the 11th, in the agricultural building, E.C. High school, Madison & Mollison, there will be a meeting to discuss ways to keep down egg production costs, invites Robt. H. Adolph, farm advisor. Poultrymen of the area are invited as this matter is presently very important due to lowest egg prices in the county in over 10 years.

County egg income totaled \$15,467,050. in 1955, figures just released show, which is a sixth of the total from all agricultural crops which was \$92,849,830. This moved the county up to 8th, from 11th place in U.S. (Latest 1954 figures).
