FIRST REAL FIRE OF SEASON WAS HOT!

What might have been a major disaster for Alpine was averted last Thursday at 5 pm when a sudden, hot and explosive fire, of undetermined origin, broke out at Arnold Way near Foss Rd., but Alpine volunteers, quickly on the job with new tanker, headed it off.

Then came federal and state forestry trucks, and several borate bombers which contained the fierce blaze which licked at several homes, just missing the Arnold Phillips place on the corner. Pine Acres Tree Nursery on the opposite

"We are designing the units in rustic style in keeping with the Alpine theme" Kellogg told the Sun Wednesday. The site has 1.7 acres with 300' on Arnold and a depth of 217'. As the front is in R3 zone, adjoining C2, he plans to build on the rear or three upper levels, as the future may call for business on the frontage. The top level will not be presently used.

ASHCRAFT TO HELP ALPINERS

Tuesday afternoon Mrs. George Fordney received a call from Hale Ashcraft's office assuring her that he would do all he can to get them a fair and honest appraisal of the property to be consumed by the freeway.

He suggested that after the attorneys and the appointed appraiser finish with their figures he will compare them with state ones and find out why such a discrepancy exists.

Mrs. Fordney sent him the same petition she sent Gov. Brown with 26 signatures of property owners that were dissatisfied with payments offered by the state for their land.

Teacher: "Be diligent and you will succeed. Remember my telling you of the great difficulty George Washington had to contend with?"

Little Jimmy: "Yes, ma'am. He couldn't tell a lie."

YOUNG ANDERSON INJURED

When he fell from Richard Knapp's moving truck Friday night, Gregg Anderson was severely bruised and cut. The boys in front, Gary Wake, Raymond Rix and Richard didn't miss him when the accident happened. Later they turned around and he was gone. They came back and picked him up and Mrs. Anderson and Gary took him to the hospital for x-rays and treatment. He received a deep gash over his cheek and was lacerated on arms and legs. The impact took his shoes off and Gregg says "when we rounded the corner of Arnold Way I lost my balance and was thrown out."

Mrs. W.A. Tuggle, North Park, is here taking care of her daughter, Mrs. Robt. Kinsman, South Grade Road, who returned last Thursday from the hospital where she underwent major surgery. Pneumonia set in but she fortunately made nice recovery from that and the operation.

"I feel pretty good, but must take it easy for six weeks" and says "what makes me feel better is how wonderful our neighbors have been to us."

DOUBLE TALK

By Cecile & Celeste Irvine

Thursday night Christy McDermid called to give us some news that wasn't the kind we like to hear. She saw some boys walk through the back part of her yard with a gun and about an hour later they came out carrying a dead fawn. It is against the law to shoot a young one whether the season is on or not and her father called the sheriff. It is a shame that this family had to be broken up. We have seen them down by the damn in back of Raymond Rix's and we all are so

in jeopardy.

The Phillips house was completely sprayed with the red stuff from the air, and trees and shrubs were speckled by it. The fire came to within 50 feet of the property in the back. When the firemen inspected the home and found out how much borate had been spread around they volunteered to return and wash off everything. Neighbors around found live embers on their roofs but luckily there wasn't a house lost.

Mrs. Raymond Partridge was trying to fight the fire around her home alone when Marvin Wooldridge, Roger Jerney and Jimmy Ingles came to her assistance and she said "I think it was the nicest thing those boys could have done. I appreciated it so much."

Mrs. Keller's Big Trip

A former Alpiner, Mrs. Ted Keller, of Starlight Terrace, La Mesa, called the Sun with an interesting narration of her trip East.

She left Sept. 20th by jet for Minneapolis where she was met by her husband's sister Althea Mehlus. She is head cook at the hospital there. She also visited the Mayo Clinic and said "relatives from 350 miles around came for the family reunion and it was just wonderful to see them all" she said.

Nellie took the plane to Indianapolis where her nephew Sgt. Herbert Eggers and his wife Helga and children were waiting for her. From there he drove to his parents' home in Kokomo where Herbert and wife Louise Eggers entertained her. She also visited her old home in Terre Haute and saw her sister Florence Kelly and family. She visited Brown's County Park near Terre Haute where she saw sorgum made right out in the open and it was some sight to remember. In Indianapolis she visited Fort Benjamin Harrison where her nephew Herbert Eggers is stationed. She then went to Dyer, Indiana to see her brother Lester, his wife Sue and 2 teenagers. Sue is a math teacher, just won a \$4000 scholarship to further her studies in this subject.

"Nellie says "boy am I glad to be home". I had a lovely trip but we had snow, rain, hail, wind and cold most of the trip and there just isn't any place like California". The return trip took just three hours. Left Chicago at 7:30 and arrived in SD 8:52, our time.
