## Double Haunt

October 31st is a doubly haunting day this year. It starts out with that troublesome matter of doing whatever one is supposed to do to get his clocks back on Standard Time. Then as Daylight Savings rides off into the vast empyrean, in ride the witches and goblins of Halloween. So if your favorite monstress is late, or early, this year, don't blame it on a deficient broomstick. It's probably just that she didn't have a chance to read our favorite newspaper to find out that clocks should be set BACK. (That IS right, isn't it?)

## CARNIVAL SET FOR SATURDAY

ALPINE — Everyone is invited to attend the Halloween Carnival Saturday night at the Alpine School. Food, fun, witches, and clowns will all be part of the entertainment. Come — have your fortune told, shop at the country store, win a cake at the cake walk! And bring the tiny ones — there'll be babysitting so the whole family can enjoy the evening. It all begins at 5 with the dinner — and ends at 11 with the teenage dance.

## Bill Bishop Dies

ALPINE — Bill Bishop, 82, who resided at the Alpine Convalescent Center, died last week. Services were held Wednesday at Fort Rosecrans under the auspices of Veterans of Foreign War of Alpine. Paris Mortuary was in charge of arrangements. Mr. Bishop had lived in the County for 40 years. He was a native of Virginia and a World War I Army veteran. His only survivor is his sister, Mrs. E. A. Pogh of Keswick, Va.

## First Membership Renewed

ALPINE — Mr. and Mrs. A. W. Nelson, retired, who reside on Victoria Dr., are the first to renew membership in the Alpine Chamber of Commerce. The Nelson's have been member of the Chamber of Commerce wherever they have lived, and that covers both the East and the West Coast. All renewals are welcome at your Chamber office and may be paid by dropping the amount in the mail or by

stopping by the Chamber office which is open Tuesdays through Fridays, 1 until 4 p.m. Residential memberships are \$10 and business membership remains \$20 per year. The membership of the Chamber of Commerce consists of those who have a sincere desire to build a better business climate and a better community in which to live. The Chamber invites all who would have a "voice" in Alpine's bright and progressive future, to join the Alpine Chamber of Commerce.

## Shop Holds Grand Opening

ALPINE — Bringing a world of beautiful fashion to Alpine will be the Alpine Active Sportswear Shop which has its grand opening tomorrow at 9:30 a.m. Virginia Scott and Mary Lacko, both have had much experience with fashion and will bring this knowledge to Alpine with the opening of their attractive store.

Highlighting the opening day will be a drawing for \$50 worth of merchandise or a \$50 gift certificate. Mary and Virginia have decorated the shop in black and beige. Mary's many years of decorating experience with Lloyd's as an interior decorator were utilized. The Alpine Active Sportswear Shop will feature a complete line of sportswear. The girls are expecting more merchandise shortly, in plenty of time for holiday shopping.

## Bravery Cited

SAN DIEGO — After a personal inspection tour by Henry A. Boney of the Crest fire area, he recommended at Tuesday's Supervisor's meeting that the men involved in that fire be commended. Some 50 men of the Crest Fire Department were commended, along with the California State Division of Forestry Service, the Harbison Canyon Volunteer Fire Department, the Alpine Local Fire District, the San Diego County Sheriff's Department and inmates of both state and county honor camps. Especially mentioned were Lt. Jack Dyer, who lies seriously burned in the Naval Hospital, and former fire chief George Behrens. Accepting the resolution on behalf of the district was Roger Dutton, chief.

## Contest Closes

ALPINE — Sunday evening, at midnight will see the close of the Chamber of Commerce contest to promote and beautify Alpine. There is still time for entries in the contest, and all of the people in Alpine that have ideas on how to better our community, are urged to enter the contest. Almost everyone can think of something that they would feel would benefit the community. There is seldom a gathering in Alpine when some of these ideas are not expressed. Why not put these ideas on paper and win \$25 for yourself or your church, or organization? Three categories have been established and they consist of:

Youth from one to 18  
 Eighteen to 55  
 Fifty-five and up  
 Each category will have one winner and a \$25 prize will be awarded. And for the overall best suggestion, there will be another prize of \$25 making the total, \$50. Let's all support our community. Perhaps YOUR idea will be selected — and used to promote and beautify Alpine.

## Cause Accident

ALPINE — Tuesday at 6:10 a.m., the Highway Patrol received a call that there were loose cattle on Highway 80 west of Alpine. The call was too late to prevent two accidents. At 6:25, Kenneth C. Lejman of 2623 Calle de Compadres, hit one of the black Angus cattle. At 6:30, Maude L. Gamble, 1495 Louise Dr. also hit an animal. Both cattle were killed. As of press time, there was no report of either person being injured. The owners of the cattle had not been located.

## Crest Fire Takes Toll

THE CREST — A major brush fire was contained after three days of fire fighting by the State Forestry and the Crest Volunteer Fire Department. The Harbison Canyon Fire Department received the first alarm and were active in the control of the fire. Men and equipment from Alpine were also used.

The Crest Department reported four injuries which occurred during the fire. Most seriously injured were Jack Dyer and George Behrens. Dyer suffered serious burns over most of his body and at press time was in critical condition at Navy Hospital. Behrens suffered burns on both hands and was released from El Cajon Valley Hospital after treatment. Two other men suffered minor cuts and burns. The residents of Crest have expressed sincere gratitude to all of the fire departments for the heroic action and to all who so willingly cooperated in helping to bring the fire under control.

# Editorial

The passage of the bonds that will enable Grossmont College to complete their building program and offer better educational facilities to the area, is most gratifying.

Unfortunately, Alpine gave the measure a majority vote of just three. However, the fact that the issue passed in Alpine is a hopeful sign.

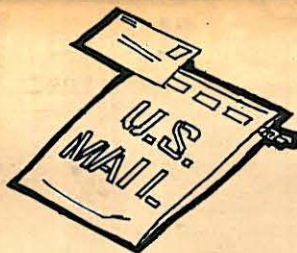

Although we have not been able to get an exact count of Alpine students at Grossmont College, we have reason to believe that there are in the neighborhood of 20 or more now enrolled there.

And that brings us to another point — one that might possibly have influenced many of the "no" votes.

It is felt by many members of the community that Grossmont College does not "sell" their program in Alpine and outlying communities. For instance, how often have any of us met — here in our own town — any of the board members? How often do we have offers of musical programs for our service and woman's clubs?

The transportation problem in these outlying areas is also a problem, even for college students. Would it not be possible for Grossmont College to provide bus service for these students?

Grossmont College is our college and our young people attend there. We have supported it and will continue to support it. But we would suggest that to have continued — and more enthusiastic — support, the college might do well to look to their public relations. Let us see some of the talent of the students. Let us hear more about the college. And most of all, let us have better communication between our area and our college.

Dear Mr. & Mrs. Van Til:  
Your recent and exceptionally good and appreciated article on Ruth Polak, her outstanding Auxiliary and "her hospital," Edgemoor, has been well received and highly commended hereabouts and it's due time for us to say honestly "many thanks" and "well done" to you.

We hope that you may find the time and the concern to come visit us for many other occasions and reasons. Our weekly "Friendly Club" meetings (Monday P.M.'s) are "real balls" and our weekly "Arts & Crafts" get-togethers (Wednesday A.M. and P.M.) are most revealing.

Thanks much again to all of you from all of us.

**HALLOWEEN IS ALMOST** here. The dictionary says, and I quote: "Halloween. . . in English speaking countries the young people devote the evening to masquerading, merry-making, fortune-telling and traditional games." In our neighborhood they come to the door demanding candy, cookies and anything else you have to give them. I'll never forget Halloween three years ago when some children got much more than they asked for.

I HAD TO work and so I left the house full of candy and other items for Robert to dispense as he saw fit. At that time we had a lovely little cocker spaniel named Minerva. She was the proud mother of seven small puppies, including our present canine population, Mr. Sam and Penny. We planned to find good homes for five of her offspring as soon as possible and we were enjoying all of them until such time as they were ready to leave their mother.

I GOT HOME from work at nine o'clock and the house seemed unusually empty and quiet. I noticed at once when Minerva came to greet me that she was followed only by Mr. Sam and Penny. I looked around for the rest of the family.

"WHERE," I ASKED Robert, "are all the puppies?"  
"GONE," SAID ROBERT, continuing to

hammer away at the bookcase he was installing.

"GONE?" I SAID, "gone where?"

"I GAVE THEM away," he replied.

"WHAT ON EARTH did you do that for?"

"I RAN OUT of candy," he said.

AND THAT IS precisely what he did. So many small callers had descended upon him that finally a young neighbor who had been coveting one of our dogs came to the door and Robert, looking at the empty candy dish had an inspiration.

"HOW, HE INQUIRED, "would you like a puppy?"

THE YOUNGSTER RUSHED home, consulted his parents, who agreed he could have one, and so it went, until our neighborhood children were — at least five of them — made supremely happy (with parental approval) with new pets.

I WILL GRANT that the experiment turned out well that time, but now I am looking about at my seven cats, none of whom I wish to part with and knowing Robert, I've consulted the calendar — I don't have to work this Halloween and I shall stay home and protect my cats from being given away — "trick or treat" will be strictly edible this year.

## If You Live Here...

It's time to . . . plant spring blooming bulbs. If you cover your bulb beds with low annuals or perennials, your bulbs will be twice as effective. Good combinations include white candytuft with red parrot tulips, blue forget-me-nots with yellow daffodils and yellow violas with blue hyacinths.

Continue to . . . water roses regularly. Remove suckers and old blooms. Spray as your nurseryman recommends.

Sow . . . seeds of peas, beets, chard, parsley, radishes, turnips, lettuce, carrots and spinach now. Nursery grown plants of broccoli, Brussel's sprouts, cabbage and cauliflower are available

a fast spreading fire. We commend this fine organization of volunteers, for their dedication to the community's welfare. Please accept our gratitude and appreciation for a job well done.  
Sincerely,  
Mr. and Mrs. Arnold J. Phillips

The fellow who lives on the right side of his conscience will never get left.

"Mamma, Daddy stopped the nasty drip, drip, drip!"

and can be set out this month.

After . . . cane berries lose their leaves, prune back all side branches, to about 15 inches. Add mulch around the roots and keep plants well watered.

When . . . planting your spring garden, include some new azaleas. Fall planted azaleas become well established by spring and bloom vigorously.

## THANK YOU!

We, Evelyn and George Behrens want to take this opportunity to thank all of the wonderful people who have called and offered aid during the recent trying time experienced by all of us on The Crest.

So many phone calls were received from interested persons concerning the injury that George received during the fire that the phone was ringing constantly. It makes us feel that we are living in a wonderful community — in a community of people who really care.

Your interest and your offers of help mean much to us and we thank you most sincerely!

Mr. and Mrs. George Behrens

**WELCOME TO ALPINE!** Recent residents of Alpine are pictured here. Mr. and Mrs. John Brookes and their children Steven 8, Don 6, and Barbara 3, live off Victoria Dr. The Brookes love the area as do their three dogs. John is a general biology professor at San Diego State. His specialized field is protozoology. Bettye, his wife, was also a biological science major and they attended Cal Poly and Occidental colleges. Bettye is very much interested in art

and attends a class in the evenings. Jerry and Lou Sexsmith are their neighbors and the Brookes and the Sexsmiths have been friends since college years. Jerry has gone back to work for his master's degree of Science in Biology and expects to teach junior college. He has been with the Alaska Fish and Game department and they lived at Eagle River in Alaska. Their two children are Suzanne (pictured) and Whitney. Lou is a nurse. (Town and Country Photos)

## FIRST BAPTIST CHURCH OF THE WILLOWS

Observance of Christian Home Sunday at First Baptist Church of the Willows, October 31st and "Three Helps for Timothy" will be the theme of a message to be delivered by Rev. William Bray, Pastor, at the 10:45 Morning Worship Hour.

"Seeds of Kindness", a film produced by Children's Baptist Home, will be shown at the 7:30 Worship Hour. Following the Evening Worship Hour at 8:30 p.m. will be the Church Fellowship Hour with those who have united with the church during the month and those who had anniversaries or birthdays during the month of October being the honored guests at this monthly event. Mrs. William Bray and Mrs. Jeannette Hinkle are hostesses for this occasion.

On Saturday, November 6, the Church's Quarterly Business Meeting will be held at 1:00 p.m. At 10:00 a.m. the Boards of Deaconesses, Deacons and Trustees will convene followed by a noon luncheon for the Church Fellowship. Paul Thorpe, Moderator, will conduct the business session.

On Sunday, November 7, at the Morning Worship Hour the Ordinance of the Lord's Supper will be observed and the Right Hand of Fellowship given to new members of the church.

Over 60 persons were out recently to the Church's Family Fellowship dinner. Following a community sing, accompanied by Cloris Shores and Mrs. William Bray, Rev. Sidney Shinall spoke on the theme, "Men to Match My Mountains." Those attending enjoyed the occasion and complimented Mrs. Hinkle and Mrs. Bray and Mrs. Bratt for the fine meal and Halloween decorations.

### ALPINE COMMUNITY

The Pilgrim Fellowship will be held in the church lounge at which time Dr. Larson will continue his talks on his recent journey in the Far East. He will show pictures taken in Japan.

Everyone is most cordially invited. The pictures of Australia and New Zealand shown in the church lounge last Sunday evening were very beautiful and enjoyed by all who attended.

The Sunday services will

be held at the usual time and there is a nursery for the children in Fuller Hall.

On Wednesday at 7:30 p.m. the choir will meet for practice.

The Women's Guild will be held at 12 noon when a pot luck luncheon will be served. A missionary for the United Church of Christ who has served in Africa for seven years will speak.

Mr. Lennington, now in this country on furlough. He served as district pastor in the north region of Ghana. He is trained in agriculture and has been able to help the farmers develop new and more efficient methods of producing crops.

He went to Ghana in 1958 under the United Church board for world ministries, overseas arm of the United Church of Christ, a union of the Evangelical and Reformed Church and the Congregational Christian Churches.

His wife was born in Tilda India, the daughter of a doctor in the Tilda Hospital, a hospital under the auspices of the United Church of Christ. She has a certificate in Home Economics from Cornell. The Lemingtons have four young children.

The United Church Board for World Ministries United

Church of Christ has an Overseas staff of more than 500 missionaries who serve as teachers, doctors, nurses, agricultural experts, social services workers and ordained ministers in churches in more than thirty countries.

### ST. LOUISE DE MARILLAC

Monday, Nov. 1st, is a holyday, the feast of All Saints. Masses will be at 8 a.m. and 7:30 p.m.

Tuesday, Nov. 2nd is All Souls Day. The Masses will be at 7 a.m., 8 a.m. and 7:30 p.m. The evening Mass will be offered for all who are enrolled in the Purgatorial Society. While not a holyday, it is a day of major devotion.

The Altar and Rosary Society will meet on Wednesday, Nov. 3, for the regular monthly meeting at 1:15.

We want to say a word of sincere thanks for the many offers of help that came to the Crest during the recent fires, from our friends in Alpine, Harbison Canyon and El Cajon.

### ALPINE LUTHERAN

Holy Communion will be observed at the 9 a.m. service next Sunday. Following the service, Sunday School and Bible Classes are held.

Rev. Zimmerman has been attending the Arizona-California District Pastoral Conference in Tucson this week. Mr. and Mrs. Elmer Siekmann and family have applied for membership.

### LETTER TO THE EDITOR:

*I have intended for quite some time to write you this letter, but my busy schedule seems to demand most of my time.*

*First I would like to thank you for the support you and your paper gave to the Community of Alpine in our efforts to do away with the motorcycle races in our wonderful area. I am also sure that the many, many people of Alpine who were opposed to these races will join unanimously with me in commending you for the Editorial stand you took on this issue, and the favorable publicity you gave for our cause. I am sure you have gained many friends as a result of your decision.*

*Second I would like to ask you, thru the medium of your paper, to inform the people of Alpine that Mr. Lutz has asked for a hearing before the County Board of Supervisors, to request them to overrule the decision of the County Planning Commission, regarding the motorcycle races.*

*Mr. Lutz has a legal right to ask for this hearing and the Board of Supervisors can agree with the Planning Commission decision, or, they could take the opposite position. Therefore, I believe it very necessary and extremely important that we have a very large number of people who are opposed to these motorcycle races in attendance at this hearing, which will be held in the Board Room #310 at 2:00 P.M. in the County Civic Center, Pacific Highway and Hawthorne Sts., on November 9th, 1965.*

*I am sure your efforts in this matter will be appreciated by everyone in Alpine who are for peace and quiet in our Community.*

Very truly yours,

J. M. CUNNINGHAM

ED MARSH AND RALPH GRAVES IN THEIR LAW LIBRARY AT THEIR NEW ADDRESS IN EL CAJON. (Town and Country Photo)

PROFESSIONAL AND MEDICAL CONDOMINIUM AT 505 MOLLISON, NEW HOME OF MARSH AND GRAVES, ATTORNEYS. (Town and Country Photo)

**LAW FIRM MOVES TO NEW QUARTERS**

EL CAJON — The law firm of Marsh and Graves, has moved from 127 E. Lexington in El Cajon, to the condominium located at 505 N. Mollison.

The move was made to the new quarters to better serve the growing business of this prominent firm.

Edward E. Marsh, Jr., came to El Cajon in 1957 and his partner, Ralph W. Graves became an El Cajon resident in 1958.

Marsh is married and the father of four children. He received his law training at the University of California, at Hastings. He is a U. S. Navy Reserve Lt. Cmdr.

A bachelor, Graves was a Captain in the Marine Air Corps and received his law degree at the University of Iowa, Iowa City.

The beautiful condominium where the new offices are located, is owned by Auren

**Lively Oaks Report**

ALPINE — Monday noon at the regular meeting held at the Youth Center, the Lively Oaks Senior Citizens were entertained with a Halloween Party. The birthdays of September and October were celebrated with two lovely cakes by Mrs. Cassidy and Mrs. Lyman.

A new member, Mrs. Ida Crawford, was welcomed.

Hostesses for the month of November will be Mrs. Welch and Mrs. Crawford.

The very successful bus trip to Disneyland was reported by Mrs. Lore.

Pierce of Alpine, along with two other partners. It is just a year old and was the first medical-professional condominium to be built in California. It is a Spanish-style building, and one of the outstanding buildings in El Cajon.

Ed Marsh and Ralph Graves have completed their move and are ready for business at their new address.

**QUEEN SELECTED**

CAMPO — Homecoming at Mt. Empire High School was highlighted by a 40-19 win for the football team and selection of five lovely queens to rule this year.

The football queen chosen was Barbara Rinks; basketball, Elena Perretta; track, Pat Vanlue; baseball, Lynn McManus; while Ann Fullerton was selected as homecoming queen. All girls are seniors and were proud and happy to be selected for this high honor.

**VERA HEWES BUYS HOME**

ALPINE — Mr. and Mrs. Balfour Darnell of Willowside Terrace have recently sold their attractive two-bedroom and den home to Mrs. Vera L. Hewes of Jacumba. Mrs. Hewes worked for thirty years for the telephone company and is retired. She plans to redecorate and put new wall to wall carpeting in her new home.

The Darnells have built a beautiful new three-bedroom, two-bath home on five acres adjoining this property.

Sale was made by Charlene V. Brown of Pierce Realty Company, Alpine.

## RODEO - PRO'S SURPRISED

An 18-year old Cal Poly student from San Luis Obispo surprised the "old-time" professional rodeo cowboys at Westgate Park this past weekend. His name is Bob Berger and this was his first big rodeo competition. He was the leading money winner with a first place in bull riding and a tie for third in the saddle bronc contest.

As usual, Marty Wood, top saddle bronc rider of 1964, showed true form in winning the saddle bronc contest with the highest score. However, Ralph Maynard gave him a run for the money with a close second. The bareback bronc event ended in a tie for the three-day affair between John Edwards and Paul Mayo the national leader in this event.

The winners of the other events were: Bob Orrison on the first go-around, Ted Reed, second go-around, and tie between Jack Roddy and Mark Schriker for average in the steer wrestling event; in the team roping the first go-around was won by Carmichael-Goble, second go-around by Rawlins-Christenson, and the average by Carmichael-Goble. The calf roping first go-around was won by Bill Drawe, second go-around by Dick Haggard and the average by Bill Drawe.

The rodeo stock was supplied by Andy Jauregui and the Flying U Rodeo Company.

The run-off for the Queen of the Rodeo was held Friday night. The finalists were selected by the disc jockeys of KSON; they were Kathy Zimmerman, Terry Clark, Rosemary Robinson, Diane Peterson, and Mary Hale. The run-off was a Texas Barrel race contest conducted during the rodeo. The course turned out to be quite hazardous with the last barrel set-up on the infield grass, which caused two of the five contestants to fall with their horses.

The winner and Rodeo Queen was Kathy Zimmerman.

## HILLDALE RANCH SHOW RESULTS

Last Sunday a horse show was held at the Hilldale Ranch. The show was a benefit for Mother Goose Parade Princess candidate Kathy Van Vechten. All funds raised will help support the Annual Mother Goose Parade and also provide Kathy with votes - one vote per penny.

The show featured sixteen classes and was judged by Dick Higbee. The winners of each class are as follows:

Showmanship in Hand, 17 & Under, Lisa Pierce riding Mr. Rockman; Bareback Horsemanship, 17 & Under, Stephanie Gyure riding King Bay's Willa; Western Pleasure, 12 and Under, Sandy Elliott riding Camelot Cissy; Western Horsemanship, 13 to 17, Kris Trimlett riding Otay Bubbles; Western Horsemanship, 12 & Under, Sandy Elliott riding Camelot Cissy; Western Pleasure, 13 thru 17, Kris Trimlett riding Otay Bubbles; Trail Horse, Open, Kris Trimlett riding Otay Bubbles; Western Pleasure, 18 & Over, Judy Leeper riding Alkali Mac; Western Pleasure (Horse, 4 & Under) Kay Laswell Baker riding Little Eva.

Western Pleasure, Open, Dawn Brown riding Judy; Senior Western Pleasure, Open,

Nancy Hunter riding Poco Skipper; Appaloosa Western Pleasure, Open, Shirley Lewellen riding Goldy's Blue Eagle; English Pleasure, Open, Robert Schwanhauser riding Margarito; Western Pleasure (non Blue Ribbon Winners) Hank Webb riding Sir Dare; Western Horsemanship Novice, Chris Walcott riding Chief.

Two high-point trophies were awarded, one for the high-point total of the morning events and the second for the afternoon events. The high-point winner for the morning was Sandy Elliott. The afternoon winner was Katy Perry.

REPORTED BY KAY BAKER

The Santa Ana condition broke slightly for the horse show Sunday at Hilldale Ranch, not enough though to make it comfortable. Considering this, the turnout was very good. Dick Higbee, who recently moved back to the county, did a nice job of judging. The Lewellens donated their ring and grounds. The proceeds of the show went to support Kathy Van Vechten for Mother Goose Princess.

Otay Bubbles did it again. She carried her owner, Kris Trimlett, to blue ribbons in their first three classes and placed high in every other class they entered. In the years this palomino mare has shown, you can count on your fingers the times she has come back from a show without at least one blue and trophy. She carried me through my years in junior classes with county championship after county championship, and this year will be among those with tri-colored championships and reserves at the end of the year for Kris. This is their third year of competition.

Sandy Elliott was another winner of several trophies at Hilldale. Besides winning two classes on Camelot Cissy, she rode Yellow Badger to a second place in the trail horse class. With these two horses, she earned enough points to win the high point trophy for riders 17 and under.

Two horses from Hilldale Ranch won classes. The English Pleasure was won by the only Saddlebred in the class, Margarito, ridden by Robert Schwanhauser. Shirley Lewellen rode their Appaloosa to a nice win in the Appaloosa class.

One of the Pinto enthusiasts from El Cajon showed her horse Bobby Sox to a third place in the Pinto Pleasure Class at the big Valley Lane show a week ago. Roxie Hotz is an up and coming rider in the twelve and under division. She had the only pinto showing in the childrens classes at Hilldale and won ribbons in every class. With a push in the right direction, Roxie may become the one to beat.

Other pinto owners from this area were also busy this weekend. Bill Dortch polished his silver and got out his fancy parade outfit to show Rajah at the rodeo at Westgate Park Saturday and Sunday. Bruce White was also there with his beautifully marked stallion, Sassy Tiptop. Little Eva won the Junior Western Pleasure class at Hilldale for me. Marjorie Riding was showing a pretty new pinto that has just been to a couple of

shows. The pinto exhibitors in the San Diego area are trying to organize an association. Anyone interested can contact Bill Dortch for further information (442-6131).

Several fun shows are scheduled for the coming weekend. On Saturday there is a show in Poway. Sunday gives a choice of two. Triple J will have Dick Higbee judging their activities and Tumbleweeds will hold a Halloween Fun Show with Bob Riding judging.

The major horse show circuit is busily preparing for one of their last of the season. The Cow Palace will begin next Friday and

continue for ten days. Everyone looks forward to this show whether exhibiting or just spectating. Classes include divisions for all types of western horses, English, Tennessee Walking horses, Roadster classes, hunters and jumpers, Hackney and Harness ponies. . . . just about anything you can name. And in conjunction with all this, there is a complete rodeo program. Of particular interest is what is called the Big Jump. This class is judged in go rounds. Thousands of dollars comprise the purse to be divided among the best jumping horses on the Pacific Coast.

## COMBO BRINGS RIDING LESSONS

ALPINE - Melva and Ron Riley, Quarter-horse breeders of Alpine, were the high bidders at the COMBO auction of the ten riding lessons and one month's training of their horse, donated by Frank Evans of the Buckeye Ranch in El Cajon.

Several interested horse men were bidding against the Rileys in order to have the opportunity of taking riding lessons under Frank Evans who is one of the top horse trainers in the State. However, Melva managed to get the high bid before the bidding closed.

## APPALOOSA HORSES QUALIFY

ALPINE - Five Appaloosas owned by San Diego County residents have qualified to perform at the World's Championship Appaloosa Performance Horse Show to be conducted by the Appaloosa Horse Club in Scottsdale, Arizona, next month.

The high-point and reserve high-point performance Appaloosas are both owned by Willow Glen Farm of Alpine, and are the four-year old mare, Florida Lea IV, and the three-year old stallion, Blue Admiral.

The high-point jumping Appaloosa is the three-year old gelding, Carter's Prince, owned by Dr. and Mrs. Harold Carter of El Cajon.

The EZ Stock Farm, owned by Clarence and Mary Jean Chown, in Escondido took the honors in both the Senior and the Junior Cutting Horses. Their stallion, Saladan Chief I, was the high-point Junior Cutting Horse, and their mare Laquita, was the high-point Senior Cutting Horse.

Appaloosas from all over the United States and Canada will compete in the four-day show on November 18-21 at the Arizona Stables in Scottsdale. All will be the top-winning horses from their Regional clubs of the Appaloosa Horse Club.

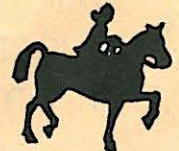

## CAMP TO BE KEPT OPEN

CUYAMACA - According to the Cuyamaca Park Superintendent Los Caballos Camp will be kept open until inclement weather makes it impractical. The parking lot will be kept open until mud or snow prohibits its use, in order to accommodate trail riders.

The horse that the Rileys will probably have trained will be their new Quarter-mare, Poco Rocky's Girl, they recently bought in Amarillo. Melva reports she will be the one to get the riding lessons.

## Overnite Ride For Youth

DESCANSO - Bill Thompson, Tim Farrell and two friends rode their horses from Descanso to Cuyamaca and camped overnight. They returned home the next day.

## THE CREST

THE DRAMA OF the Crest fire is over. Crest women must think of preparing regular meals instead of hundreds of tuna sandwiches and serving coffee by the pot instead of the barrel. The men are fighting freeway traffic instead of brush fires and although half gone, we're still all here. Ask a fire fighter what is a life saver and he might say a tuna fish sandwich and six cans of pop. . . . Don't forget the Crest PTA Carnival Saturday night. There will be lots of prizes and games and lots of scares so come on everybody and let's make this a real big project.

## HARBISON CANYON

WELCOME TO OUR community to the William Clark family who have purchased the Whitman home on Harbison Canyon Road. . . . The Harding family, former residents of a few years back, have returned to the area and are residing on Harbison Canyon Road. Welcome back.

THE TONY STROPES entertained the Harvey Southwards and the Jack Roberts on Sunday evening. All enjoyed a luscious chicken dinner. . . . Mike Camacho and Raymond Green suffered a bicycle accident last Thursday, which sent Mike to the hospital for a few days and confined Raymond to his home. Both boys are feeling much better but reluctant to discuss bicycling at all. . . . Jan Cress was confined to her home over the weekend with the flu, which is making its rounds once again. . . . Little Shelley Benson is feeling none too good, having been sick with a real bad cold. . . . We're sorry to hear that Mrs. Loren Jessop is confined to her home with a broken leg. Hope all of you folks are up and out real soon.

SIGN IN THE CanyonService window the day after the fire. "Closed, up all night with a sick fire". . . . Reactions seen around the area the morning after the fire: much weed cutting and general cleaning up around structures, a number of youngsters out of school due to missing the bus and a few kept home due to fear of another outbreak. I hope that no one needs to be reminded that summer is still with us and that there is danger as long as it lasts.

## MOUNTAIN EMPIRE

LAKE MORENA WILL have its own resuscitator due to the efforts of Helen Ross, Paul Stark, Bobbie Hasenmaier, Fern and Max Haddox, Charlene and Bill Mitchell. They were the instigators of a potluck dinner held at the Village Inn week before last, which was attended by 127 people from Campo and other areas. The main course was broasted fish, and the buffet table was laden with various other foods furnished by those attending. There were several door prizes, and a number of gifts were sold. The committee wishes to thank all those who helped, and a special thanks goes to Florence's Market and the Log Cabin of Alpine for their donations.

MR. AND MRS. Ben Seymour of Potrero returned recently from a visit in Lancaster, California, with their daughter Ruth Whitten and her husband. . . . Marie Lindemann of Morena Village hosted the board members of Mt. Empire Republican Women, Federated, on Monday of last week, and she served a delicious luncheon before the business meeting. The next regular meeting will be held at the Dulzura Woman's Clubhouse on November 4th, and a Mexican luncheon will precede the meeting. There will be a speaker. Donation \$1.50.

THE HOMEMAKER'S ASSOCIATION bazaar and rummage sale at the Stone House in Campo last Friday was a huge success, and the club wishes to thank all those who helped. The proceeds will be used as a scholarship. . . . Stephen Northington of Potrero had an appendectomy a week ago Tuesday, and is doing very nicely.

## DESCANSO

OUR BEST WISHES for the week go to Ruth Schauer and Ruth Mullins who are not feeling very well. . . . Ruth Anderson passed her driving test with flying colors, the first time in over twenty years. . . . Kenny Campbell of Mt. Empire High School hurt his arm in the last football game but Mt. Empire still is in a winning streak. . . . Mt. Guatay Lodge had a fish fry last Saturday and many from Descanso attended. It was really delicious!

RAY AND JOHNNY Kirkpatrick went on their vacation and are visiting up north. Donna and Ray Jr. will stay at home with Mr. and Mrs. Head of the County Road Station. . . . Elmer Benton of Colorado came down Friday and he showed some people the old gold mine which is across from the Ranger Station. . . . Pat, Van, Don and Patty Vanlue, have moved to Descanso from Pine Valley. They are on the Terral Ranch. Welcome back neighbor! . . . Toni R. was riding the neighbor horse in the corral and caught her leg on a nail. It took 60 stitches to close the wound. Keep your chin up Toni — hope you will be feeling fine!

## All Around Alpine

Mr. and Mrs. Bill Brown of Victoria Dr. spent the past weekend visiting with their children, Mr. and Mrs. Ralph Wiens and Ralph Jr., Gary and Vickie of Corona and Mr. and Mrs. Lynn Graves of Brea. A very enjoyable trip and nice rest was enjoyed.

Mabel and Harvey Gilman took in "Oh Dad, Poor Dad, Mamma's Hung You in the Closet and I'm Feelin' So Sad" which is now playing at the Old Globe Theater in Balboa Park. They found the play to be hilarious and they highly recommend it to any one who can go. They comment that the Old Globe is such a fine place to see a play and they always have an interesting evening there.

We can be very proud of our fine fire department. We hear that the group that was on the Crest fire, was instrumental in saving a home as well as doing much more to aid the stricken area. The fire chief, Jack Blankenship, manned one of the bulldozers and cut fire breaks. He was one of the first to respond to the call.

Mr. and Mrs. Jess Fox of Chula Vista were weekend visitors in Alpine. We understand they "roughed it" and camped out. Mrs. Fox was honored at the family dinner at the First Baptist Church of the Willows Friday night, as it was her birthday. The Fox family are old timers in Alpine.

Paul Thorpe has just returned from Colorado where he has been elk hunting. With him on the trip were Ed Cunningham and his son, Victor.

Another hunting enthusiast is Malcolm Huey Jr. who has

been in Idaho, also hunting elk.

One of our newer firemen, Bill Kelly of Victoria Dr., was impressed with the conduct of our fine firemen. He told us that there were as many as 14 firemen on standby at the station during the disastrous fire at the Crest.

An education and Board meeting will be held at the Kiwanis Club meeting tonight.

Congratulations to Mr. and Mrs. George Molner on the arrival of a fine son at Grossmont Hospital on the 17th of October. The young man was named George Joseph and joins four other children from ages five to 12. The Molners live next to the Lazy A Ranch on Hwy. 80, next to Honey Hill. George is part owner of the Pioneer Sales and Service in El Cajon. We all welcome their new little son and wish him a lifetime of wonderful things!

Pike Meade has just returned from a sales representative meeting in Santa Ana where he found the heat to be as bad as it was at home.

Rev. William Bray is proud of his father's accomplishments. Sterling Bray, who lives in Modesto, has won the highest award for suggestions at the Sharp Army Depot where he is an engineer. The item will possibly be manufactured for the government. The Bray's are expecting the elder Mr. Bray here for Thanksgiving.

Nola Brabazon has had her home painted and fenced recently, and it looks lovely!

Tim Kramer and Tom Judd recently went to Chino to be judges for the 4-H club.

Three proud duck hunters returned home after a successful opening day at Salton Sea. Led by "Smokie," Dar Hauenstein, Al Hinkle and Allen Moore came home with their limit. Incidentally, "Smokie" is a dog, and a fine one!

## BOND ELECTION RESULTS LAUDED

GROSSMONT COLLEGE — Passage of the bond election makes possible the provision of facilities essential for the future growth and development of the college.

"It is gratifying to know that the electorate of this district, as indicated by the election results, recognizes the importance of providing a full junior college educational opportunity for all district students desiring it," a college spokesman said.

The college staff regards the election outcome as an expression of support for the educational offerings and community services which the college provides and, at the same time, as a further challenge to offer a constantly-improving program.

Homecoming Court was chosen last Monday. They are Janet Macy, Margaret Perkins, Linda Johnson, Colleen Conley, Emily Nemecheck and honorary princess Dinah Giaro. The queen will be crowned Friday night at the football game when El Capitan will play El Cajon at Valley Stadium at 8 p.m.

El Capitan lost to the Mt. Miguel Matadors last Friday night at Mt. Miguel.

**LOCAL BOY GOES TO WYOMING**

RAYMOND C. HEM

SUNDANCE, Wyo. — Ray Hem, who took basic training at Lackland Air Force Base, Texas, has been sent to Sundance, Wyoming where he is a teletype and cryptograph operator at that radar station.

Ray graduated from El Capitan in 1964 and attended Grossmont College last year. He worked at Mobil and Chevron gas stations for several years.

Ray's address is Box 88, 731 Radar Squad, Sundance AFS, Wyoming.

Mr. Roberts, drama teacher, had his beard shaved by Mike Ames of Alpine last Tuesday during lunch in Foster Gym. This was the result of a bet between the two.

A Senior breakfast will be held at Lakeside in Lindo

Bowling Alley Friday morning. All El Capitan Seniors and past alumni are invited to attend.

This past week has been homecoming Week for El Capitan. During this time, alumni are invited to come back

**JULIA SACHSE RETURNS FROM EAST**

ALPINE — Mrs. Julia Sachse returned home after a visit of two weeks with her sister, Mrs. Joseph Pawly of Glendale, Ossining, N. Y. and her niece and nephew, Mr. and Mrs. Carlos Zwerina of Scarsdale, N. Y.

During Mrs. Sachse's absence, her husband, Emil Sachse was called to attend

the funeral of his brother, Paul, who passed away at the Omaha Veterans Hospital after a kidney operation.

Military services were held and burial took place at Norfolk, Nebraska in the same plot where the parents, Mr. and Mrs. Alvin Sachse, are buried.

**FISH FRY FOR TEENS SET**

THE CREST — On Nov. 21, the Crest Teens, with the assistance of the Civic League, Woman's Club, V. F. W., and others will hold a fish fry at the Crest Woman's Clubhouse from 5 to 7:30. On the menu is fried fish, cole slaw, french fries, coffee, cake, and pie.

Adults and children's tickets will be sold from Nov. 13 through Nov. 21.

The Crest Civic League Committee has been working closely with the Crest Teens committee for the past three weeks trying to organize a large money making project. The major object of this project is to raise funds for repairs and additions to the Crest Woman's Clubhouse.

**Highway Budgeted**

SACRAMENTO — The California Highway Commission has budgeted \$651,919,655 for State Highway construction purposes, including rights of way and engineering, for the 1966-67 fiscal year.

Among the areas of interest to the east county people is the extension of the four-lane Interstate 8 Freeway 5.3 miles easterly to 2.5 miles each of Alpine and construction of an interchange at Tavern Rd.

The estimated cost for this project is \$7,100,000, of which \$5,100,000 will be budgeted in the 1967-68 fiscal year.

**Range to Come**

SAN DIEGO — The first appliance installed in the new home economics department at Alpine Elementary School will be an electric range donated by the San Diego Gas and Electric Company, the San Diego Milk Council and the San Diego County Fair, according to Leo F. Ryan, principal of the school. The appliance will be presented to the school in a brief ceremony upon the completion of the department next month.

Each year a range is awarded to a district school showing the greatest need and most promising utilization of the equipment. Alpine was chosen this year from among 22 competing school districts on the basis of a new home economics program which will begin this semester.

A range will be donated annually in an effort to aid home economics departments throughout the county, according to F. H. Harris, vice-chairman of the Milk Council Board of Directors.

That's all it takes of each after-tax dollar for U. S. consumers to buy the best food in the world. This is the smallest share of income spent for food at any time in history.

15 years ago it took 26 cents.

Yet, today, Americans enjoy a higher standard of eating than ever before. They get more nutrition, greater variety, more abundance, better quality, more time saving convenience and better taste in food products.

By comparison, in other countries consumers have to spend much more of their income for food—in England, 29 per cent; in France, 31 per cent; in Italy, 45 per cent; in Russia, 53 per cent.

Today's U.S. factory worker earns the cost of his monthly grocery basket in less than 37 hours—the smallest number of hours in history.

15 years ago it took him 60 hours.

Each U.S. farm worker today produces enough food for 32 people.

15 years ago he produced enough for only 14 people.

These are some of the reasons why the U.S. food industry—from farm to table—can truthfully say, "Food Is A Bargain" during the nation-wide "Food Is A Bargain" campaign, October 18-30, 1965.

The October Ladies Luncheon at Alpine Oaks, Wednesday, Oct. 20, was a most enjoyable affair. Chairman Rose Ginder and her committee, Ethel Clark, Hattie Wilcox, Alice Groom Bridge and Dorothy Lamber (who filled in for Hannah Waibel who became ill) served a delicious seafood casserole to thirty-one residents and their guests.

Guests included Mrs. Theo Jones, Mrs. Vera Jones, Mrs. Margaret Mathis, of Burbank, Mrs. Dorothy Hemsden, Mrs. Esther Lambert and the members of my bowling team, Norbob Trophies, Hazel Foster, Jean Danzl and Lucille Butler. It was nice to have Dyan Marmaduke and Mrs. Frank Morrow join us for their first ladies luncheon.

Mr. and Mrs. M. Ward left on Monday to join Lillian's brother and his wife in Studio City for a few days of sight-seeing up along the coast. They planned to stop at the San Simeon Monument, Monterey and Carmel.

Mrs. Margaret Mathis was a houseguest of the Jim Carpenters.

We all wish Hannah Waibel a speedy recovery. Our vacationing residents Maurice

and Marie Frey are home after three months with their son and family in Oregon and Mabel and Bill Thompson after six weeks of roughing it in campgrounds. They all had a nice time but are happy to be back at Alpine Oaks.

Newest residents to join us in the park are Mr. and Mrs. L. Post of San Marcos.

### RESEARCH GRANTS AWARDED DOCTORS

SAN DIEGO — Grants of nearly \$14,000 for pulmonary research at Mercy Hospital, have been given to two San Diego medical teams by the Tuberculosis and Health Association of San Diego County, Leo F. Ryan, Alpine area chairman has announced.

Directors approved recommendations of the medical research committee of the local Christmas Seal agency for an award of \$6,998 to Drs. Woodbury Perkins, John H. Mazur, and Jerome L. Heard — all of the Mercy staff — for "Physiological Studies in Chronic Respiratory Diseases."

The project is described as "a correlative study to discover the reasons for increase of circulating red cell mass in pulmonary cripples."

Perkins is medical education and research director of the hospital. He is secretary-treasurer of the California Thoracic Society and for the past two years has been chairman of its medical education committee. Perkins is a member of the American College of Chest Physicians.

A specialist in pediatrics and cardiology, Dr. Mazur is director of the cardio-pulmonary laboratory, chief of cardiology and teaching chief of the department of pediatrics.

Heard, a 1948 graduate of Tulane University, is the hospital's associate director of pathology, is director of its radio-isotope laboratory, and is vice president of the San Diego County Society of Pathologists.

Dr. Albert P. Kimball, a specialist in obstetrics and gynecology, was granted \$6,925 for study, with Dr. Heard, of hyaline membrane disease.

The objective is to determine whether inhalation of mother's blood by an infant, at or before delivery, is the cause of the disease. The death of the late President Kennedy's youngest son was Hyaline membrane disease is characterized by the coating of the very small air sacs in the lungs with a fluid which prevents absorption of oxygen. Kimball and Heard plan to tag pregnant mothers' red cells with chromium and test for presence of the cells in infants born under conditions favoring development of the disease.

General Atomic's cyclotron will be used in analyzing processes, Ryan said he understood.

The local Christmas Seal agency will support both projects for a year, after which a review of progress may lead to renewal of support by the county association or other agencies, he said.
