'Where the Boys Are'

PFC ROBERT A. FREDERICKS, native of Lakeside and graduate of El Capitan High School of 1962 where he was a star basketball player, has been stationed outside of Bong Son, Vietnam, since November, 1966. His job currently is transporting equipment from ships to bases and he is a gunner on a jeep in a particularly heavily guarded convoy. He reports having seen little action, but a close friend was recently killed when a jeep blew up. We are sending PFC Fredericks a subscription to this paper, as we do for all of the boys that are serving overseas or any place, for their country.

PFC ROY L. ESTRADA is now at Fort Benning, Ga. He has been in the Army since October when he went to Fort Ord. Following Fort Ord he went to Oklahoma and is now in school at Fort Benning. He is part of the Air Borne Artillery. Roy is a '66 graduate of El Capitan High School and is the son of Mr. and Mrs. C.G. Estrada of 12030 Woodside, Lakeside.

Last Call for Tickets

Although the deadline for tickets to the Clair Burgener-Pete Wilson luncheon is March 14, there is a possibility that some may be left. Those who have not made reservations are urged to call 448-1612 or 448-1096.

The luncheon is being sponsored by the Mt. Oajon Republican Women Legislated of Santee, and will honor our two legislators. It will be held at the Carleton Oaks Country Club on March 21 and is \$3 per person.

C of C News

Bryce Robertson, Santee Chamber of Commerce president says that we will soon see a sign of welcome at the west end of Santee similar to the sign near the Security First National Bank and that a new and better Chamber of Commerce brochure is in the making and will soon be available.

Stull Seeks Reason

Assemblyman John Stull (R-Leucadia) sent a telegram to the University of California Board of Regents, Chairman Theodore R. Meyer, today asking for an explanation of the purchase of 130 acres of prime land in the scenic La Jolla Farms area, north of La Jolla.

Stull was referring to a news-release that stated that the purchase price, of some of the most scenic land on the Southern California coast, was in excess of two million dollars.

"This money was not in the budget," Stull said, "so I can only assume it was purchased by Regents Funds."

"If the Regents have this kind of money, why is it we have been subjected to all the emotional talk of limiting enrollments, losing professors and not being able to live on proposed budget reductions," the Assemblyman asked.

ON THE RIGHT, RUTH OSCHNER

SOUTH AMERICA BOUND

Ruth Ochsner, formerly of El Cajon and Lakeside, has completed a five-month specialized course in Bible instruction and missionary training at the Watchtower Bible School of Gil-ead in New York City. Marilyn Lytle as well as Kenneth Baker of the US and Australia respectively, are shown with a fellow student in the accompanying photograph, who portrayed an ancient Israelite in Biblical drama on the student's program which followed the graduation exercises March 12.

The course provided each day for a half-day's classroom activity and a half-day's practical training. Academic studies included a chapter-by-chapter study of the entire Bible along with related subjects.

Intensive instruction was given in one of the following languages: Spanish, French, Portuguese, Korean and Chinese.

Students were also given an opportunity to study and participate in the United States Branch's supervision of its 5,314 congregations and 359 traveling ministerial supervisors in addition to sharing in the operation of the Society's printing plants.

Miss Ochsner is being sent to Chile, South America on Special assignment.

FACILITIES TO EXPAND

Assemblyman George N. Zenovich (D-Fresno) and Senator Clair Burgener (R-San Diego) have introduced legislation to expand California's Regional Centers for the mentally retarded by three additional centers to make a total of five centers statewide.

Zenovich, the Assembly's Majority Leader, and Burgener, Chairman of the Santee Social

Welfare Committee, declared that "the two existing regional centers, located in San Francisco and Los Angeles, have proved conclusively that many retarded children who previously would have had to go to large state institutions can now be helped more effectively and at less expense by making maximum use of public and private community services."

SDG&E rises to the occasion

The occasion is the emergence of San Diego as a major city. And this is just the beginning. Continued San Diego growth in people and industry will take a lot of energy. Our new 21-level corporate office building is scheduled for completion in March 1968. It will replace the Electric Building at 6th and E—built in 1908. It will bring together employees from six SDG&E facilities . . . providing more efficiency for us and more convenience for our customers in the years ahead.

Phil Hall, postmaster was officially relieved of his duties last week. He can now enjoy retirement. And if we know Phil, he will be as busy as ever with his many interests. He has been replaced with a temporary appointment. An examination will be given for postmaster at a later date and the three top men (or women) that take the examination will then be considered for the permanent position. The job is civil service as well as political.

Phil and Dorothy Hall went with Dorothy's sister to Hollywood to see the Lawrence Welk show this week. We hope it was fun — and we're sure that it was.

Mr. and Mrs. John Peters who are always active in our community when they are with us, will be leaving the day after Easter for their home in Iowa. We will all miss them.

One of the highlights of the Woman's Club fashion show was the modeling of two dresses which were purchased at last year's rummage sale for 25¢. They were exquisite examples of what a careful shopper can find at a rummage sale.

Members of Alpine Woman's Club were pleased with the results of last week's card party where there were 10 tables. Everyone apparently spent a happy afternoon.

There were special arrangements made on Sunday, the 12th during the coffee hour at the Alpine Community Church in honor of Dr. Roger Larson's birthday.

The Glen Morgans, assisted by other church members, planned a birthday party on Wednesday evening, March 15 for Dr. Roger Larson at Sir George's Smorgasbord in El Cajon. Twenty five guests were invited. May we extend our best wishes too.

* Real estate sales recorded for the County, South Central, which includes Jamul, Dehesa, Alpine and Cuyamaca, for the month of February, increased with 70 sales as compared to 46 recorded the previous month and recorded in February a year ago.

Bus Involved in Accident

On Tuesday afternoon, March 7, an accident occurred at the corner of Woodside and Maine in Lakeside involving three cars and a school bus.

Those involved in the accident were: Edith Champion, 49, of 9658 Dunbar Ln., El Cajon; Esther Cherry, 68, of 2717 Wilma St., National City; Pauline Burdick, of 12361 Lemon Crest Dr., Lakeside; and Earl Annis, 24, 1815 Cross St., San Diego, Pleasant Wood who was a passenger in one of the cars was slightly injured.

Edith Champion who was eastbound on Woodside, struck Esther Cherry's car which was turning left from a northbound direction on Maine, thus forcing the Cherry car into the front of the Burdick car which was then forced back into the front of an empty school bus, driven by Ear Annis, damaging the front fender of the bus.

All the cars were somewhat damaged and Edith Champion who received a rather severe forehead laceration and possible concussion, was taken to the El Cajon Valley Hospital by the Lakeside Rescue Unit. Mrs. Champion's son, Thomas, who was riding with her, was also slightly injured.

The California Highway Patrol cited Esther Cherry for not giving the right of way to the east bound car when making the left turn from Maine Ave.

Dime a Dip Featured

The Lakeside Farms-Eucalyptus Hills Parent Teacher's meeting will be held March 16 at 6:30 p. m. at the Lakeside Farms auditorium.

"Dime-a-Dip" pot luck for the whole family will be featured for the evening.

Program chairman Dr. Leonard Tabor has planned an evening of entertainment especially geared to fathers.

"Dad's Participation Night" will include a humorous program and in addition, a football film narrated by John Madden, assistant football coach at San Diego State College, will be presented.

Bake Sale Set

The El Cajon Fire Department Wives Auxilliary announces an Easter Bake sale to be held in front of Long's Drug Store on Saturday, March 25 from 9 a.m. to 3 p.m.

Many lovely cakes and other delicious goodies will be available and the proceeds will go to charity.

INTEREST SOUGHT IN EXCHANGE STUDENTS

The Lakeside chapter of the American Field Service, in a recent meeting at the home of Dr. and Mrs. Mel Crain of Alpine, came up with plans for several Spring activities with dual purposes in mind: the chapter is anxious to interest and involve more people in this program of international understanding, through youth; and they are in need of raising operational moneys.

April 21st is the date set aside for the International Hootenay at El Capitan High School. This delightful program, featuring songs and dances from the many countries represented by our area's A.F.S. students will be interspersed with the additional talent, wit, etc. of their many

Resurfacing to Begin

Jacob Dekema, of the State Highway Department, announces that the final decision has been made concerning the resurfacing of Maine and Woodside Ave. Work will get under way shortly.

* The Junior Girl Scout Troop 1414 in Santee was presented with their own American flag on March 8 at the Prospect Avenue School. Following the ceremony Corp. Williams of the Marine Corps showed two films on the American Flag donated by the Marine Corps. Several other troops participated. The leader of Troop 1414 is Evelyn Hussey and the assistant leader is Shirley Brewer.

Children Present Concert

The Cajon Valley Junior High School was the scene of a special concert. The program was arranged by the Cajon Valley Union School District's instrumental staff and featured the elementary and junior high age children of Mr. and Mrs. Richard Mooney of Los Angeles.

* Have you tried the new road where the new shopping center is to be erected? The William Starr Co. is partly responsible for this fine addition. Of course it will be very useful when they build their new center in the very near future. It, along with the new bank, will certainly spruce up Lakeside a bit. We are all anxious to see it get under way and understand that it won't be too long now.

Mark Kerby Honored

HARBISON CANYON — At a recent meeting of the Harbison Canyon PTA, Mark Kerby, principal of the Harbison Canyon School, was honored with an honorary life membership in the PTA. His contribution to the school and the community.

At the same meeting, the officers for the coming year were elected. They are as follows: Mmes. Elmer Pearce, president; Hayden Johnston, vice president; Vivian Taylor, secretary; John Dowling, treasurer; John McConnell, histotiran; and Ruth Kobliska, auditor.

Car Wash Set

Any dirty cars around? If so why not get them cleaned and help the kids at El Capitan High School at the same time?

Saturday, March 18, the young people of the Stadium Committee will set up their stand at the American Oil Company station (next to the Taco Bell) on N. 2nd. Street.

Anyone that would like to purchase a ticket in advance can pick them up at the school and save a quarter. Otherwise, the cost will be \$1.

We'll see you all on Saturday. It's for a good cause — a stadium for the youngsters which is definitely needed.

* The El Cajon Woman's Club will hold its bridge section on Wednesday, March 22 at 10:30 a.m. Hostesses for the event are Toni Belsha and Anne Phebus.

* We read in a Los Angeles release that some boys are getting lice in their long hair! Seems the teachers are going to have to start teaching grooming along with their regular subjects. All boys (and girls too) with long hair and bad grooming habits are cautioned not to use each other's combs — or the little varmints may travel around a lot more than they are now. A fortunate thing — lice apparently don't carry disease like they once did. Makes a person kind of shudder, doesn't it?

* No one could be more comforting or helpful at the time of need than our own Mary and Virgil Sherrill. We know that everyone realizes what fine citizens they are — and we hope they realize that they have been faithful supporters of this newspaper since its inception.

Santee Lions to Help

The Lions are once again busy raising funds to benefit the educationally handicapped.

There will be a White Elephant Sale held for two days, to raise funds to purchase playground equipment at Prospect School.

The program starts on Friday, March 17 and goes through Saturday, March 18.

All sorts of things are planned such as a bake contest; bake sale, bike races and even a liars contest.

Kit's Kitchen is the place to go for the events and it is hoped that a large crowd will be on hand.

Final Tryouts Slated

The Lakeside-Santee Pony League will hold final tryouts on Saturday, March 18. Santee tryouts will be held at 9:30 a.m. at the Santa Ana High School, 9915 Magnolia in Santee. Lakeside tryouts will be at El Capitan High School, 10410 Ashwood in Lakeside.

There will be four teams chosen for Santee and four for Lakeside. This will take place in a closed meeting on the evening of March 18.

Pony League parents will hold a regular board meeting at the bowling alley in Lakeside at 7:30 p.m. on March 20th.

Announcement

An important meeting of the El Cajon Presidents Council of Woman's Clubs is announced for March 29 at the Thrift Shop 133 N. Orange St. Everyone is urged to attend.

Well here we are again — still out in the sticks, looking down the valley from the Alpine roost. Things up here are tolerable. See that Hal Holbrook and his "Mark Twain Tonight" was acclaimed by the critics as a brilliant performance. It would be hard to beat old M. T., the original stand-up comedian, the classic entrepreneur, a beautiful performance — a man who needed no introduction to the American public of his time, who traveled the world over a ten-year period; earning back approximately three-quarters of a million dollars to pay off all the people who had lost money when he had to file bankruptcy.

A patron of our former President of the United States, General Ulysses Grant, who genuinely put him back on his feet when he published the Grant Memoirs, and then Mark lost his shirt over the publication.

A really delightful person and Hal Holbrook makes him live again. This is an occasion well worth noting and I note was noted by our big-time paperfolk quite a bit. I don't know whether we were copying them or they were copying us.

Editor Garfunkle was down at the Town and Country Hotel down in the big city, sitting

around in the Coffee Shop when she noticed some little children in the booth next to her who apparently were braving the wilds of the rural country coming in from Los Angeles. One of them had on a very fine pair of walking boots and apparently they were with their parents.

You know, it's nice for those Los Angeles folks to come down and rough it in our finer motels. Gives them a real feel of the country. Septic Sam says he'd like to get them out here in the sticks and give them a real run for their money. As long as we have a rural area down here we're always glad to have the big city folks come down and rough it.

Well, Injan Joe says he's been traveling the route on the Jamacha line between Jamacha and East Main and sees that the City Fathers are finally beginning to do something about expanding the road. At least they apparently are widening Jamacha at this point. Injan Joe hopes that they're going to put some sort of overpass or stop sign to prevent the crashes.

It sure would be nice to hear from you folks out there, so keep the cards and letters coming, keep your bills paid, keep the creditors away from your door don't hang up your telephone if

you're there, keep fit and healthy, and keep the home fires burning but don't burn down the home. As ever, and with love,
UNCLE PITT

EL CAP CONCERT BAND, OUTSTANDING

At a recent county-wide festival for concert bands, El Capitan Band came out with much praise. Judges from various colleges gave the band 13 A's and three A-'s. In the words of one of the judges, the band was "overwhelmingly superior" and outstanding in every way. They were judged on interpre-

tation, tone quality, selections, intonation, technique, and even stage deportment. All three judges agreed that the group was "playing music" rather than playing notes. El Capitan High School and Benton Minor, can well be proud of this fine group of young people.

Garden Wedding Unites Couple

A charming garden setting was the background for the wedding of Zona Jean Zobel and John D. Westfall, last Wednesday afternoon at 4 o'clock.

Miss Zobel is the daughter of Mr. and Mrs. Louis G. Zobel of Columbus, Nebraska and John is the son of Mr. and Mrs. Daniel W. Westfall, Alpine.

Zona chose for her wedding, a white suit with white accessories. She carried a wedding bouquet of tiny flowers surrounding a white orchid which she later pinned to her shoulder for her departure.

Attending Zona was Jo Ann Sutton of Alpine who chose to wear a blue suit and carry a nosegay of pink roses.

Daniel Westfall was best man for his brother while Rodney Becker was usher.

Officiating at the ceremony before close friends and relatives of the family was Rev. Charles W. Tedrahn of El Cajon, the founder of the Alpine Lutheran Church.

Zona's maternal grandmother, Mrs. Irene Killian of Columbus Nebraska, attended the ceremony, as did John's maternal grandmother, Mrs. Hazel Run-corn of Alpine.

Guests enjoyed punch and coffee with a beautiful wedding cake following the rites.

The new Mr. and Mrs. John D. Westfall, will reside at 1427A Marshall Rd., Alpine.

Theodore A. Gayas, 51, of 277 Lilac Dr. in the Crest died on March 8 in an El Cajon hospital. Mr. Gayas was a native of Michigan and had lived in this area for 12 years. He was a popular and well-known waiter at the Grant Hotel Grill in San Diego.

He is survived by two sisters; both living out of the state. Rosary was said at the Lakeside Funeral Chapel at 7 p.m. March 10 and Requiem Mass was held at 9:30 a.m. at St. Louise De Marillac Church with burial in Alpine.

Anna Frances Kirkley, 51, of 13816 Hwy. 80, El Cajon, died in her home on March 6. She had lived in this area for 30 years, but was a native of Minnesota.

Mrs. Kirkley is survived by a daughter, Mrs. Paul Jolly, who is living near Fort Carson, Colorado, where her husband is stationed. She also leaves two grandchildren, a mother, two brothers and two sisters. All except the grandchildren live in the east.

Rosary was said for Mrs. Kirkley at 7:30 p.m. at the Lakeside Funeral Chapel and Requiem Mass was held at 9 a.m. at Our Lady of Perpetual Help in Lakeside with burial at Holy Cross Cemetery.

HERBERT EARL RAWLINGS
Herbert Earl Rawlings, 68, of 11754 Lakeside Ave., Lakeside, died on March 3 in a La Mesa Hospital. He was a native of Texas but had lived in the coun-

ty for 31 years. Mr. Rawlings was a safety engineer at Ryan Aircraft. He is survived by his widow, Viva Mae and two sisters in Oklahoma.

Man Dies in Car

As W.L. Grier, 11525 Morena Ave., went to Lakeside on an errand late Sunday afternoon, March 12, he noticed a man sitting in his car parked beside the road near the Stallings home at 11358 Morena Ave.

On his return trip Mr. Grier stopped to speak to the man and found that he was dead.

It was Earnest Owens, 49, of 12153 Rockcrest Rd. in Lakeside. He had apparently died of a heart attack which must have been sudden and unexpected because his brother, Robert, who works at the Glenview Lumber and Supply Company, said that Earnest appeared in good health recently.

His wife, who had been Pat Cole before their marriage, was on a trip with Velma Snider visiting relatives in Oregon and Northern California. She was notified by phone and they drove all night, arriving here at 8 a.m. Monday.

* We hear that Barbara Blackman, recent graduate of El Capitan High School, is having a wonderful time with the "Up With People" cast which she joined when the group was in San Diego. She is traveling around the country (and soon Europe) and has a number of her own which she sings with a male trio. Lots of good luck, Barbara!

Santana News

On Saturday, March 4, Santana held its first annual nominating convention in the gymnasium. There were 120 people who participated in the convention and outside guests from other schools were also there. Mary Millhouse was the convention chairman and John Miller was the presiding chairman. With the help of Mary Zekan, recording chairman and Ken Patric who was parliamentarian, the convention was a great success. Speakers were Mayor Curran who gave the keynote address; Rev. Garner the invocation; and Robert Spencer, the welcome address.

Voting for this year's ASB officers was held at both lunches Wednesday and Thursday in the foyer of the gym. Anyone who wanted to vote had to register and present their registration card upon voting. The election was held just like a regular election. Students voted the following candidates into office: President, Bob Coburn; vice

president, Dan Joseph; secretary, Linda Smith; attorney general, Richard Peterson; commissioner of athletics, John Saska; commissioner of finance, Lynn Williams; commissioner of cultural affairs, Renee Johnston; commissioner of public relations, Debbie Giba; commissioner of sales, Debbie Howell; commissioner of school service, Denise Botticelli; commissioner of publicity, Linda Stallions, Sue Darjany, and Doris Goodrich.

BIBLE BREAD CRUMBS
By Ed Whitford, pastor, Tecate Mission

"He answered and said, 'And who is He, Lord, that I may believe in Him?' Jesus said to him, 'You have both seen Him, and He is the one who is talking with you.' And he said, 'Lord, I believe.' And he worshiped Him."

John 9:36, 38 (NASB)

As with the blind man so with us. The promise to see and know Christ comes by faith believing. The world says seeing is believing. God says believing is seeing, through faith in Jesus Christ.

UNITED FIRST UNITED PRESBYTERIAN EL CAJON

Once each year during the past several years, our church, denominational and local, has responded to the desperate need which exists in many parts of the world's life through the One Great Hour of Sharing program. Presbyterians have always responded to people's needs. It has been proven that fantastic things have been done with the contributions each year through this program.

Sunday, April 16, has been set for participation in One Great Hour of Sharing.

FIRST CHURCH OF CHRIST SCIENTIST

"I am the Lord; that is my name: and my glory will I not give to another, neither my praise to graven images." This passage from Isaiah is the Golden Text for this week's Lesson-Sermon titled "Matter" to be read in all Christian Science churches on Sunday.

FIRST BAPTIST OF THE WILLOWS

Friday, March 17th, the church will hold its family dinner. This week it will be a fish dinner provided by the Hamans. They

brought back the fish from their trip to San Felipe. Following the dinner a film on the traditions of Easter around the world will be shown by Arthur Norris.

ST LOUISE DE MARILLAC

An antique, hand-made sanctuary lamp has been given to St. Louise Church by the faculty and siminarians at Alcalá Park. This was designed for the old seminary and was in constant use until a new chapel was designed at the University of San Diego last year.

The Hopkins family has donated 100 cloth-bound hymnals to the parish. This will make many additions possible in accordance with the decree recently issued by Pope Paul.

ALPINE COMMUNITY

Palm Sunday, the text of Dr. Larson's sermon is the sixth word from the cross, "It is finished."

In Holy Week following, on Maundy Thursday at 7:45 p. m., communion will be celebrated closing with the office of Tenebra by candlelight.

The Good Friday service at 3 p. m. will be held in Community Church. Pastor Douglas Schacht of the First Baptist Church of the Willows will

speak.

The Easter Sunday sermon will be "Into the Hands of God."

This Friday, March 17 at 6:30 the monthly family night dinner will be held. The speaker will be Hamza Sheik, exchange student at El Capitan High School from Ethiopia.

All those desiring to participate in the Patio Theater entertainments to be announced later may ask for registration cards at Alpine stores.

BOWLING!

By EVE HOUGHTON

The El Cajon Woman's Club is bowling for fun and charity and a few misguided souls like myself, from sheer stupidity. I didn't know when they asked me to join the league last September that it was going to take from here to eternity to accomplish the project. I thought it was something you did in a week or so and got it over with. There were a lot of things I didn't know... like shoes for instance. I think it is down-right nit-picking of the bowling alley to insist on us wearing their ugly old flats when anyone knows that most women look a lot better in high heels!

These last six months have taught me a lot of things and has

taught the El Cajon Woman's Club a lot too. The main thing they have learned is that they will never make a bowler out of me. If they gave points for gutter balls I would win hands down as that is my best ball to date.

I hope it has taught them never again to take a rank know-nothing and put them on a league. All I can say is that they deserve me. However I have learned a lot of bowling vocabulary if nothing else. I can scream with the best of them as I fling my ball straight down the gutter, "I Wuz Robbed!"

Mrs. James Pla, chairman of the league, says that there will be about \$300 made from this venture and that \$100 of it will go to Grossmont College to the College Development Foundation with a desire that the money be used for the new auditorium. The other money earned will go to scholarships in the area.

A Tennessee Walker named April Fool has found a permanent new home with Nat and Madeline Eggert. He is a 2 year old strawberry roan gelding, with long white stockings and a blaze face. He is by Red Budd Allen and out of Gravel Girtie. Madeline learned to ride on April over 16 years ago and is very pleased to finally be his owner. As a 2 year old, April won a Championship class at the Tennessee Walking Horse Celebration. The last two years he has had three owners — Geneva Blanton, Eleanor (Bobby) Knowles and Drew Ellen Getz. Now, Geneva and Drew Ellen both have Tennessee Walking mares by the same stallion. Bobby has a beautiful, registered half Arabian palomino mare, by a son of the famous Wietz II.

SPRING, THEY SAY, is almost here and I just don't care. What's so great about spring, anyway? Poets wax lyrical, a "young man's fancy lightly turns. . ." songs are written about spring — "Welcome, sweet springtime, we greet thee with joy . . ." everybody but me, that is. I ran across a little gem composed by Thomas Nash, (1567-1601) — no, I don't know anything about him either, but his poem is something else again!

Spring, the sweet spring is the year's pleasant king, Then blooms each thing, then maids dance in a ring. (Not any more they don't)

Cold doth not sting, the pretty birds do sing, (so far so good, but are you ready for the next line? You won't believe it!)

Cuckoo, jug-jug, pu-we, to witta woo!" And if I made that up you can sue me! Or have me committed!

PERSONALLY, I DO not care for spring at all. For one thing my eye suddenly becomes critical. The house looks simply awful! Dirt and dust everywhere, inside and out. A coat of fresh paint is definitely called for. The window frames are all faded and how COULD we have neglected the picket fence so long? All the bright, cheerful sunlight and the progressively longer days call attention to the disreputable state of the garden. Where in the WORLD did all those horrible weeds come from? Geraniums and succulents are running rampant — around here they are the only things that do run rampant because I am the world's worst gardener.

SO MUCH FOR the outside; indoors things are just as bad. All the windows need washing; you can scarcely see across the canyon now, and heavens, the drapes! Positively dingy! Bundle them up and send them to the cleaner's — better still, throw them out completely and get new ones. I've just taken a good, close look at the carpet and I am revolted. Ordinary wear and tear, mud tracked in, spills and such are run of the mill, but when you have the number of cats and dogs we own, there are definite limits as to how much a rug can take!

KITCHEN CURTAINS ARE faded and sad. Get out the sewing machine. New shelf paper on all the shelves. And the living room furniture! We really should replace the whole lot, but perhaps slip covers would help. If the puppies would just stop chewing up all the upholstery! In the winter, you just don't notice the holes so much. And another thing — in this good, strong, spring sunlight, the brick fireplace is a ghastly, smoke-covered mess! All that grimy soot has got to go!

AND THAT'S ONLY part of the whole ugly story. Another sure sign of spring is the dreadfully deteriorated state one's wardrobe has gotten into during the winter months. Spring sunshine reveals the threadbare condition of winter skirts and sweaters. Appalling! It is obviously high time to shop for new shoes, new purses, accessories, and time too, for taking stock of whatever was left over from last summer.

EVEN THE CATS and dogs look slightly dingy. They all must have refreshing, refurbishing baths, immediately! The car looks dreadful, too. It has got to be waxed and cleaned up right away. I am ashamed even to take it as far as the market! People keep staring at the dirty windows and the dusty top. GEORGE HERBERT, (1593-1633) said, "Sweet spring, full of sweet days and roses." Didn't they think about spring cleaning in those days? The more I think about it the surer I am that fall and winter are my favorite seasons; early twilights cover a multitude of faults and flaws!

Special Speakers at
Local Church

The Rev. and Mrs. Paul W. Dekker, missionaries to Sierra Leone, West Africa, will speak on Sunday, March 19 at the Lakeside Wesleyan Methodist Church, 9893 River St. at 7 p.m.

Mr. and Mrs. Dekker and children, Paul G. and Jane, returned from Sierra Leone in June 1965 after having completed two terms as missionaries of the Wesleyan Methodist Church of America. They first went to Africa in 1958.

During their first term they were stationed in the hinterland of this newly independent nation, where they carried on intensive medical and evangelistic work. More recently the Dekkers have been engaged in teaching in the Vernacular Bible School at Bendembu and directing youth activities. Mrs. Dekker, a registered nurse, has been in charge of the dispensary in the village where they lived.

A graduate of Houghton College, Mr. Dekker was employed by the Jackson, Michigan, City Health Department

SCHOLARSHIPS AWARDED

The El Capitan Community Scholarship Foundation is a non-profit, non-salaried, democratic, do-it-yourself organization working for a better community and a better America through education.

The slogan for the foundation is "Dollars for Scholars."

This is the sixth year of existence for the scholarships foundation. Twenty-nine scholarship loans amounting to \$3,575 have been awarded in the past five years.

The committee is grateful to all who have contributed — individuals, service clubs, memorial fund donors and the El Capitan High School students for their annual participation in this project.

A representative is available to explain the function of the scholarship committee to any interested club or group. Anyone interested may contact Mrs.

Ted Sherman, president at 448-5661.

A contribution may be mailed to El Capitan High School Community Scholarship Foundation, P.O. Box 372, Lakeside.

FUND TO SWELL

The Eucalyptus Hills Land Owners Association met on Friday evening at the Presbyterian Church on Channel Rd. for a pot luck dinner, business meeting and program.

During the business meeting it was voted to give \$40 toward the El Capitan High School scholarship fund.

George Cowan, program chairman, introduced Andrew W. Kerr of Lemon Grove, who raises bees; gave a very interesting talk about them as he is an authority on the subject.
